Mizoram, Dimensions and Perspectives ,2008 Contributed articles **Wild Races** Lalruatkima,2024-01-05 This book analyzes the narrative dynamics of social formations in British India using statistical and ethnographic records visual cultures and linguistic exercises to describe the British Empire s production of knowledge about so called strange new worlds Lalruatkima then labels these narrative dynamics as scripturalizing to account for the creation or writing of these worlds into existence This focus underscores empire as one of many such formations imagined against the backdrop of contested conversations about what it is and what it could be When reverse engineered empire throws into sharp relief its constituent narrative placeholders and the sequences of meaning making that connect them Power differentials between the imperial center and frontier determine the placeholders and how they fit into the larger narrative These discursive components in turn engender the politically charged attitudes and relations within the imperial domain Lalruatkima excavates the imperial archive for material that accounts for these narrative dynamics **Lushai Chrysalis** Anthony Gilchrist McCall,1977

Making of Mizoram Suhas Chatterjee,1994 Despite seclusion the Mizo Union leaders of Mizoram erstwhile Lushai Hills had a penchant for the mainstream politics But the appeal of Nehru s liberalism and constitutionalism suffered a set back because of manipulative Assam politics Laldenga formed the Mizo National Front to establish Sovereign Mizoram He was brainwashed by the colonialist forces But his revolt plunged Mizoram into a horrible insurgency causing unprecedented bloodbath in North East India China and Pakistan fished in the troubled waters The changed international situation However compelled the MNF supremo to realize his mistake He sought refuge in the constitutionalism Rajiv Gandhi gave that opportunity when MNF abjured violence Laldenga became the legitimate chief minister He was dismissed being betrayed by his own party men **Empire's Backyard** Kailash Baral,2025-10-03 This book transcends traditional historical analysis to

Troubling (Public) Theologies Jione Havea, 2023-02-06 Theologies no matter their designations are public measures they

disclose as well as gauge the publics near and far on which they stand sit lie or fall Because publics shift and mingle theologies require reimagining relocating and embracing fresh insights and energies The insights and energies embraced in this work are in three clusters spaces bodies and technologies The spotlighted spaces are in Africa Asia Black America the Caribbean and Pasifika beyond the eyes of mainline theologies the privileged bodies have survived with scars from empire and missionary positionings and the welcomed technologies include Dalit indigenous art poetry cyborg and the novel This collection is troubling in several ways first reimagining and relocating are troubling acts upon their subject matter here public theologies On that note what theology is not public Second this work takes theologies in general and not just the theologies that carry the public designation to be public theologies Third this work takes theologies in general to be inherently troubling In other words theologies that are not troubling are not public enough Bookseller's catalogues Thornton J. and son, 1883 Natural Resource Management: Mizoram Lalit Kumar Jha, 1997 Contributed articles
