# Machiavelli And Republicanism

**Bruce James Smith**

## **Machiavelli And Republicanism:**

**Machiavelli and Republicanism** Gisela Bock, Quentin Skinner, Maurizio Viroli, 1990 Some of the world's foremost historians of ideas consider Machiavelli's political thought in the larger context of the republican tradition **Machiavelli and Republicanism** Gisela Bock, Quentin Skinner, Maurizio Viroli, 1990 **The Other Machiavelli** Niccolò Machiavelli, 1998 The Other Machiavelli is a unique compendium of the Florentine political thinker's writings on liberty and self government The selections drawn from the Discourses and Machiavelli's other republican writings are conveniently organized on the basis of subject matter As such The Other Machiavelli constitutes a much needed corrective and companion to The Prince **Machiavelli, Hobbes, and the Formation of a Liberal Republicanism in England** Vickie B. Sullivan, 2006-12-14 Argues that some English writers of the seventeenth and early eighteenth centuries synthesized a liberal republicanism **Wily Elites and Spirited Peoples in Machiavelli's Republicanism** David N. Levy, 2014-07-02 Niccol Machiavelli though best known as a teacher of princes is also a teacher of republics In his Discourses on Livy he argues that republican liberty depends upon a contentious mixture of elitism and populism Only the elite's wily pursuit of domination combined with the people's spirited resistance to such domination can produce that compromise between servitude and license known as liberty The task of the founder and the statesman is to construct and maintain the appropriate orders and modes within which each party to the conflict can make its appropriate contribution The elite at its best contributes prudence military virtue and the capacity to innovate while the people contributes moral and political stability David Levy explains and defends Machiavelli's conception of liberty as conflict and then uses that conception as the lens through which to understand his views on religion war and imperialism goodness and corruption and the relation between republics and princes Also discussed is Machiavelli's own kind of wiliness his artful and often ironic mode of writing Levy shows that Machiavelli's republican teaching as a whole remains persuasive today and deserves careful consideration by all those concerned with the survival and the success of liberty This book will be of interest both to beginning and more advanced students of Machiavelli as well as to students of modern republicanism and of the history of ideas **Wily Elites and Spirited Peoples in Machiavelli's Republicanism** David N. Levy, 2014-07-02 Niccol Machiavelli though best known as a teacher of princes is also a teacher of republics In his Discourses on Livy he argues that republican liberty depends upon a contentious mixture of elitism and populism Only the elite's wily pursuit of domination combined with the people's spirited resistance to such domination can produce that compromise between servitude and license known as liberty The task of the founder and the statesman is to construct and maintain the appropriate orders and modes within which each party to the conflict can make its appropriate contribution The elite at its best contributes prudence military virtue and the capacity to innovate while the people contributes moral and political stability David Levy explains and defends Machiavelli's conception of liberty as conflict and then uses that conception as the lens through which to understand his views on religion war and imperialism goodness

and corruption and the relation between republics and princes Also discussed is Machiavelli's own kind of wiliness his artful and often ironic mode of writing Levy shows that Machiavelli's republican teaching as a whole remains persuasive today and deserves careful consideration by all those concerned with the survival and the success of liberty This book will be of interest both to beginning and more advanced students of Machiavelli as well as to students of modern republicanism and of the history of ideas

**Machiavelli's Liberal Republican Legacy** Paul A. Rahe, 2005-11-14 The significance of Machiavelli's political thinking for the development of modern republicanism is a matter of great controversy In this volume a distinguished team of political theorists and historians reassess the evidence examining the character of Machiavelli's own republicanism and charting his influence on Marchamont Nedham James Harrington John Locke Algernon Sidney John Trenchard Thomas Gordon David Hume the Baron de Montesquieu Benjamin Franklin George Washington John Adams Thomas Jefferson James Madison and Alexander Hamilton This work argues that while Machiavelli himself was not liberal he did set the stage for the emergence of liberal republicanism in England By the exponents of commercial society he provided the foundations for a moderation of commonwealth ideology and exercised considerable if circumscribed influence on the statesmen who founded the American Republic Machiavelli's Liberal Republican Legacy will be of great interest to political theorists early modern historians and students of the American political tradition

**Machiavelli's Florentine Republic** Michelle T. Clarke, 2018-03-08 What do modern republics have to fear Machiavelli's Florentine Republic reconstructs Machiavelli's answer to this question from the perspective of the Florentine Histories his most probing meditation on the fate of republican politics in the modern age It argues that his principle goal in narrating the defeat of Florentine republicanism is to debunk the views of leading humanists concerning the overall health of republican politics in modernity and the distinctive challenges that modern republics should expect to face The Medici family had exposed these vulnerabilities better than anyone else and Machiavelli reconstructs their political strategy to show how conventional ideas of moral and political virtue are the most potent instruments of princely ambition in a city that wants to be free

**Machiavelli** Maurizio Viroli, 1998-07-30 Founders of Modern Political and Social Thought Series Editor Dr Mark Philp Oriel College University of Oxford Founders of Modern Political and Social Thought present critical examinations of the work of major political philosophers and social theorists assessing both their initial contribution and continuing relevance to politics and society Each volume provides a clear accessible historically informed account of each thinker's work focusing on a re assessment of their central ideas and arguments Founders encourage scholars and students to link their study of classic texts to current debates in political philosophy and social theory This launch volume in the Founders of Modern Political and Social Thought series presents a critical examination of Machiavelli's thought combining an accessible historically informed account of his work with a re assessment of his central ideas and arguments Maurizio Viroli challenges the accepted interpretations of Machiavelli's work insisting that his republicanism was based not on a commitment to virtue greatness and expansion but to

the ideal of civic life protected by the shield of fair laws His detailed study of how Machiavelli composed his famous work *The Prince* presents new interpretations and he further argues that the most challenging and completely underestimated aspect of Machiavelli's thought is his philosophy of life in particular his conceptions of love women irony God and the human condition Viroli demonstrates that Machiavelli composed *The Prince* and all his works according to the rules of classical rhetoric and never intended to found the modern science of politics aiming rather to continue and refine the practice of political theorising as a rhetorical endeavour taught by the Roman masters of civic philosophy Viroli's Machiavelli a serious challenge to contemporary methods of doing political theory will be essential for advanced students of the history of political thought

**Algernon Sidney between Modern Natural Rights and Machiavellian Republicanism** Luís Falcão, 2020-08-27 The book investigates the political thought of Algernon Sidney 1623-1683 a historical character of the English civil wars republic protectorate and Rump Parliament who faced his trial and execution during the Exclusion Crisis In his writings Sidney mixed hugely different traditions of political philosophy the modern natural rights which were predominant in England in his generation and the republicanism of Machiavelli This volume will interest researchers in political philosophy history of political thought and particularly republican theory Its contribution to these topics explores the specificities of a thought that uses the language of natural rights and social contract and on the other hand the tumults expansion and virtues of the republics

Machiavelli's Virtue Harvey C. Mansfield, 2024-05-31 A masterly new book on the Renaissance courtier statesman and political philosopher Roger Kimball The Wall Street Journal Uniting thirty years of authoritative scholarship by a master of textual detail Machiavelli's *Virtue* is a comprehensive statement on the founder of modern politics Harvey Mansfield reveals the role of sects in Machiavelli's politics his advice on how to rule indirectly and the ultimately partisan character of his project and shows him to be the founder of such modern and diverse institutions as the impersonal state and the energetic executive Accessible and elegant this groundbreaking interpretation explains the puzzles and reveals the ambition of Machiavelli's thought The book brings together essays that have mapped Mansfield's paths of reflection over the past thirty years The ground one would think is ancient and familiar but Mansfield manages to draw out some understandings or recognitions jarringly new Hadley Arkes New Criterion Mansfield's book more than rewards the close reading it demands Colin Walters The Washington Times An outstanding contribution to Machiavelli scholarship Choice A brilliant interpretation Mansfield's grip on the textual and contextual ramifications is little less than awe inspiring Kenneth Minogue Times Literary Supplement

**Civic Republicanism and Civic Education** A. Peterson, 2011-04-12 This book critically explores civic republicanism in light of contemporary republican political theory and the influence of republican models of citizenship in recent developments in civic education across a number of Western nations

Machiavelli's 'The Prince' Miguel Vatter, 2013-10-24 Machiavelli's influence on modern politics and the importance of his thought for the development of modern political ideas has long been universally acknowledged *The Prince* has become a key text in

Philosophy and Political Theory one that is widely read and studied Machiavelli's most important work is a hugely exciting yet challenging piece of philosophical writing In Machiavelli's *The Prince* A Reader's Guide Miguel Vatter offers a clear and thorough account of this key philosophical work Setting Machiavelli's text in its historical and philosophical context the book offers a detailed review of the key themes epistemological social ethical and theological political and a lucid commentary that will enable readers to rapidly navigate the text Geared towards the specific requirements of students who need to reach a sound understanding of the text as a whole the guide explores the complex and important ideas inherent in the text and provides a cogent survey of the reception and influence of Machiavelli's work This is the ideal companion to study this most influential of texts

*Machiavelli's God* Maurizio Viroli, 2010-07-01 How Machiavelli's Christianity shaped his political thought To many readers of *The Prince* Machiavelli appears to be deeply un-Christian or even anti-Christian a cynic who thinks rulers should use religion only to keep their subjects in check But in Machiavelli's *God* Maurizio Viroli one of the world's leading authorities on Machiavelli argues that Machiavelli far from opposing Christianity thought it was crucial to republican social and political renewal but that first it needed to be renewed itself And without understanding this Viroli contends it is impossible to comprehend Machiavelli's thought Viroli places Machiavelli in the context of Florence's republican Christianity which was founded on the idea that the true Christian is a citizen who serves the common good In this tradition God participates in human affairs supports and rewards those who govern justly and desires men to make the earthly city similar to the divine one Building on this tradition Machiavelli advocated a religion of virtue and he believed that without this faith free republics could not be established defend themselves against corruption or survive Viroli makes a powerful case that Machiavelli far from being a pagan or atheist was a prophet of a true religion of liberty a way of moral and political living that would rediscover and pursue charity and justice The translation of this work has been funded by SEPS Segretariato Europeo per le Pubblicazioni Scientifiche

*Machiavelli's Florentine Republic* Michelle T. Clarke, 2018-03-08 What do modern republics have to fear Machiavelli's Florentine Republic reconstructs Machiavelli's answer to this question from the perspective of the Florentine Histories his most probing meditation on the fate of republican politics in the modern age It argues that his principle goal in narrating the defeat of Florentine republicanism is to debunk the views of leading humanists concerning the overall health of republican politics in modernity and the distinctive challenges that modern republics should expect to face The Medici family had exposed these vulnerabilities better than anyone else and Machiavelli reconstructs their political strategy to show how conventional ideas of moral and political virtue are the most potent instruments of princely ambition in a city that wants to be free

**Cahiers Élisabéthains**, 1993 tudes sur la pr renaissance et la renaissance anglaises

**The Machiavellian Moment** John Greville Agard Pocock, 2016-10-04 Originally published in 1975 *The Machiavellian Moment* remains a landmark of historical and political thought Celebrated historian J G A Pocock looks at the consequences for modern historical and social consciousness arising from the ideal of the classical republic

revived by Machiavelli and other thinkers of Renaissance Italy Pocock shows that Machiavelli's prime emphasis was on the moment in which the republic confronts the problem of its own instability in time which Pocock calls the Machiavellian moment After examining this problem in the works of Machiavelli Guicciardini and Giannotti Pocock turns to the revival of republican ideology in Puritan England and in Revolutionary and Federalist America He argues that the American Revolution can be considered the last great act of civic humanism of the Renaissance and he relates the origins of modern historicism to the clash between civic Christian and commercial values in eighteenth century thought This Princeton Classics edition of *The Machiavellian Moment* features a new introduction by Richard Whatmore     Republican Empire Karl-Friedrich Walling, 1999 The republics of Greece and Rome proved incapable of waging war effectively and remaining free at the same time The record of modern republics is not much more encouraging How then did the United States manage to emerge victorious from the world wars of this century including the Cold War and still retain its fundamental liberties For Karl Friedrich Walling this unprecedented accomplishment was the work of many hands and many generations but of Alexander Hamilton especially No Founder thought more about the theory and practice of modern war and free government None supplied advice of more enduring relevance to statesmen faced with the responsibility of providing for the common defense while securing the blessings of liberty to their posterity Hamilton's strategic sobriety led many of his contemporaries to view him as an American Caesar but this revisionist account calls the conventional militarist interpretation of Hamilton into question Hamilton sought to unite the strength necessary for war with the restraint required by the rule of law popular consent and individual rights In the process he helped found something new the world's most durable republican empire Walling constructs a conversation about war and freedom between Hamilton and the Loyalists the Anti-Federalists the Jeffersonians and other Federalists Instead of pitting Hamilton's virtues against his opponents' vices or vice versa Walling pits Hamilton's virtue of responsibility against the revolutionary virtue of vigilance a quarrel he believes is inherent to American party government By reexamining that quarrel in light of the necessities of war and the requirements of liberty Walling has written the most balanced and moving account of Hamilton so far     **Politics & Remembrance** Bruce James Smith, 1985-01-01 This inquiry into the nature of political action concerns what the author describes as the most precarious and uncertain of human endeavors Focusing on specific themes in Machiavelli Burke and Tocqueville Bruce Smith identifies political action as a distinct mode of human activity Originally published in 1985 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905     **A Great and Wretched City** Mark Jurdjevic, 2014-03-10 Dispelling the myth that Florentine politics offered only negative lessons Mark Jurdjevic shows

that significant aspects of Machiavelli's political thought were inspired by his native city Machiavelli's contempt for Florence's shortcomings was a direct function of his considerable estimation of the city's unrealized political potential

This Captivating Realm of E-book Books: A Detailed Guide Unveiling the Benefits of Kindle Books: A World of Ease and Flexibility Kindle books, with their inherent mobility and ease of availability, have freed readers from the limitations of physical books. Gone are the days of lugging cumbersome novels or meticulously searching for specific titles in shops. E-book devices, stylish and portable, effortlessly store an wide library of books, allowing readers to immerse in their favorite reads anytime, everywhere. Whether traveling on a bustling train, relaxing on a sun-kissed beach, or just cozying up in bed, E-book books provide an exceptional level of ease. A Reading Universe Unfolded: Exploring the Vast Array of E-book Machiavelli And Republicanism Machiavelli And Republicanism The Kindle Store, a virtual treasure trove of bookish gems, boasts an extensive collection of books spanning diverse genres, catering to every readers preference and choice. From gripping fiction and mind-stimulating non-fiction to timeless classics and contemporary bestsellers, the Kindle Store offers an exceptional abundance of titles to discover. Whether looking for escape through immersive tales of fantasy and adventure, delving into the depths of past narratives, or expanding ones knowledge with insightful works of science and philosophical, the Kindle Store provides a gateway to a literary world brimming with limitless possibilities. A Revolutionary Force in the Literary Landscape: The Persistent Influence of Kindle Books Machiavelli And Republicanism The advent of E-book books has certainly reshaped the bookish scene, introducing a paradigm shift in the way books are published, disseminated, and read. Traditional publication houses have embraced the online revolution, adapting their strategies to accommodate the growing need for e-books. This has led to a surge in the accessibility of Kindle titles, ensuring that readers have entry to a vast array of literary works at their fingertips. ### **Machiavelli And Republicanism Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Machiavelli And Republicanism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Machiavelli And Republicanism has opened up a world of possibilities. Downloading Machiavelli And Republicanism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a

button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Machiavelli And Republicanism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Machiavelli And Republicanism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Machiavelli And Republicanism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Machiavelli And Republicanism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Machiavelli And Republicanism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Machiavelli And Republicanism Books**

1. Where can I buy Machiavelli And Republicanism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback:

- Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Machiavelli And Republicanism book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
