Majority Of One The Life And Times Of Lewis St George Stubbs:

A Majority of One Lewis St. George Stubbs, 1983 **The Court of Queen's Bench of Manitoba, 1870-1950** Dale Brawn, Osgoode Society for Canadian Legal History, 2006-01-01 This study of the Manitoba judiciary is not only the first biographical history to examine an entire provincial bench it is also one of the first studies to offer an internal view of the political nature of the judicial appointment process Dale Brawn has penned the biographies of the first thirty three men appointed to Manitoba's Court of Queen's Bench The relative youth of Manitoba as a province and the small size of its legal profession makes possible an exceptionally detailed investigation of the background of those appointed to the province's highest trial court The biographical data that Brawn has collected for this book highlights the extent to which judicial candidates underwent a socialization process designed to produce a legal elite whose members shared remarkably similar views and ways of thinking In addition these biographies suggest that until at least 1950 seats on provincial benches were rewards for political services rendered Many lawyers became judges not because of their legal ability but because they had made themselves known in the communities in which they practiced This fascinating study offers an intimate look at personalities ranging from prime ministers to members of the bench and both senior levels of government *Visionaries, Crusaders, and Firebrands* Lynn Gidluck, 2012-03-27 As an idealist and a visionary Jack Layton connected with millions of Canadians who saw that he was a different kind of political leader So did Tommy Douglas chosen as the greatest Canadian ever by CBC's television audience The New Democratic Party and its predecessor the CCF have often chosen leaders who resonated with the Canadian public In fact the vision and the ideals of the leaders of the NDP and the CCF have been key to its strength and appeal Their commitment to these values in their personal as well as their political lives has earned them admiration and support far beyond the votes they have attracted at election time Even though these politicians have never succeeded in forming a government in Ottawa they are seen to stand for values the whole country cherishes As a historian Lynn Gidluck noted that the story of the CCF NDP has often focused on events policies programs and electoral campaigns In this book her emphasis is on the leaders who have defined the party its vision and its policies This tradition of selecting distinguished leaders who share and refine a vision of a better Canada is as important as the policies they have promoted By focusing on leaders this book offers fresh insight into the NDP and its appeal to Canadians *Law and Society Series* Dale Brawn, 2014-01-01 Using the judiciary of Manitoba as a model *Paths to the Bench* examines the political nature of Canada's judicial appointment process and suggests that ability alone seldom determined who went to the bench In fact many of Manitoba's early judges spent little time actually practising law since professional merit was not a criterion for judicial appointments Rather it was relationships with influential mentors and communities that ensured appointments and ultimately propelled careers Brawn offers an in depth analysis of how the paths to the bench of competent and connected and less competent and connected lawyers differed This book is one of the few studies to examine why many of the best and brightest

members of the bar either did not want to go to the bench or if they did why they did not get there *Tracings of Gerald Le Dain's Life in the Law* G. Blaine Baker, Richard Janda, 2019-05-30 Gerald Le Dain 1924 2007 was appointed to the Supreme Court of Canada in 1984 This collectively written biography traces fifty years of his steady creative and conciliatory involvement with military service the legal academy legislative reform university administration and judicial decision making This book assembles contributions from the in house historian of the law firm where Le Dain first practised from students and colleagues in the law schools where he taught from a research associate in his Commission of Inquiry into the non medical use of drugs from two of his successors on the Federal Court of Appeal and from three judicial clerks to Le Dain at the Supreme Court of Canada Also reproduced here is a transcript of a recent CBC documentary about his 1988 forced resignation from the Supreme Court following a short term depressive illness with commentary from Le Dain s family and co workers Gerald Le Dain was a tireless worker and a highly respected judge In a series of essays that cover the different periods and dimensions of his career *Tracings of Gerald Le Dain s Life in the Law* is an important and compassionate account of one man s commitment to the law in Canada Contributors include Harry W Arthurs G Blaine Baker Bonnie Brown Rosemary Cairns Way John M Evans Melvyn Green Bernard J Hibbitts Peter W Hogg Richard A Janda C Ian Kyer Andree Lajoie Gerald E Le Dain Allen M Linden Roderick A Macdonald Louise Rolland and Stephen A Scott *The Fate of Labour Socialism* James Naylor, 2016-01-01 Almost a century before the New Democratic Party rode the first orange wave their predecessors imagined a movement that could rally Canadians against economic insecurity win access to necessary services such as health care and confront the threat of war The party they built during the Great Depression the Co operative Commonwealth Federation CCF permanently transformed the country s politics Past histories have described the CCF as social democrats guided by middle class intellectuals a party which shied away from labour radicalism and communist agitation James Naylor s assiduous research tells a very different story a CCF created by working class activists steeped in Marxist ideology who sought to create a movement that would be both loyal to its socialist principles and appealing to the wider electorate *The Fate of Labour Socialism* is a fundamental reexamination of the CCF and Canadian working class politics in the 1930s one that will help historians better understand Canada s political intellectual and labour history **Joe Zuken, Citizen and Socialist** Doug Smith, 1990-01-01 Acknowledgements Introduction 1 A Child of the North End 1912 1929 2 A Political Education 1929 1940 3 It Did Happen Here 1933 1940 4 The Defence of Canada 1940 1942 5 The School Board Years 1942 1962 6 The Cold War in Manitoba 1945 1962 7 A Shield for the Poor 1940 1986 8 A Communist at City Hall 1962 1971 9 The Unicity Years 1972 1983 Epilogue People Interviewed Bibliography Index **Towards a Godless Dominion** Elliot Hanowski, 2023-10-15 In recent surveys one in four Canadians say they have no religion A century ago Canada was widely considered to be a Christian nation and the vast majority of Canadians claimed they were devoutly religious But some were determined to resist In the 1920s and 30s groups of militant unbelievers formed across Canada to

push back against the dominance of religion Towards a Godless Dominion explores both anti religious activism and the organized opposition unbelievers faced from Christian Canada during the interwar period Despite Christianity s prominence anti religious ideas were propagated by lectures in theatres through newspapers and out on the streets Secularist groups in Montreal Toronto Winnipeg and Vancouver actively tried to win people away from religious belief In the first two cities they were met with stiff repression by the state which convicted unbelievers of blasphemous libel broke up their meetings and banned atheistic literature from circulating In the latter two cities unbelievers met social disapproval rather than official persecution Looking at interwar controversies around religion such as arguments about faith healing and fundamentalist campaigns against teaching evolution Elliot Hanowski shows how unbelievers were able to use these conflicts to get their skeptical message across to the public Challenging the stereotype of Canada as a tolerant secular nation Towards a Godless Dominion returns to a time when intolerant forms of Christianity ruled a country that was considered more religious than the United States
