Joseph W. Danielson, 2012-05-31 When General Ormsby Mitchel and his Third Division Army of the Ohio marched into North Alabama in April 1862 they initiated the first occupation of an inland region in the Deep South during the Civil War As an occupying force soldiers were expected to adhere to President Lincoln's policy of conciliation a conservative strategy based on the belief that most southerners were loyal to the Union Confederate civilians in North Alabama not only rejected their occupiers conciliatory overtures but they began sabotaging Union telegraph lines and trains conducting guerrilla operations and even verbally abusing troops Confederates dogged resistance compelled Mitchel and his men to jettison conciliation in favor of a hard war approach to restoring Federal authority in the region This occupation turned out to be the first of a handful of instances where Union soldiers occupied North Alabama In this first book length account of the occupations of North Alabama Joseph Danielson opens a new window on the strength of Confederate nationalism in the region the Union's evolving policies toward defiant civilians and African Americans efforts to achieve lasting freedom His study reveals that Federal troops creation of punitive civil military policies arrests compulsory loyalty oaths censorship confiscation of provisions and the destruction of civilian property started much earlier than previous accounts have suggested Over the course of the various occupations Danielson shows Union soldiers becoming increasingly hardened in their interactions with Confederates even to the point of targeting Rebel women During General William T Sherman's time in North Alabama he implemented his destructive policies on local Confederates a few months before beginning his March to the Sea As Union

soldiers sought to pacify rebellious civilians African Americans engaged in a host of actions to undermine the institution of slavery and the Confederacy While Confederate civilians did their best to remain committed to the cause Danielson argues that battlefield losses and seemingly unending punitive policies by their occupiers led to the collapse of the Confederate home front in North Alabama In the immediate post war period however ex Confederates were largely able to define the limits of Reconstruction and restore the South s caste system War s Desolating Scourge is the definitive account of this stressful chapter of the war and of the determination of Confederate civilians to remain ideologically committed to independence a determination that reverberates to this day Our Town Steve Reeder,2025-08-04 Penned by a historian who lived most of his life in and around the town he loves Our Town is a thorough page number page historical record of Monrovia Indiana Following the first History of Monrovia penned by Lena Henley in 1934 for the town s centennial and local historian Virginia Jett s Monrovia Sesquicentennial History Book compiled in 1984 historian Steve Reeder s Our Town is Monrovia s bicentennial record Compiled by Reeder through research and the Local History Project he organized beginning in 2015 to bolster the community and to preserve and recognize its history this book is largely a record for the community by the community From the earliest documentation of its settlers in 1608 to its founding in 1834 and transformation in the two hundred years since this record breaks down the community as a whole the service of hundreds of veterans biographical accounts of local legends like Branch McCracken and much more For ease of navigation readers may refer to the nine appendices of compiled data the thorough index and over 600 footnote citations making this book a proven resource for community members historians and genealogists alike The only constant theme in history is change In this book walk through the town of Monrovia and see how it changed and grew during more than 200 years of community service and achievement proving this little town has had a big impact on history **Guide to Genealogical Research in the National Archives** United States.
