Mitchell, Anybody who wanted to go toe to toe with the Big Three in the 1960s had to produce credible muscle cars American Motors Corporation did exactly that with the SC Rambler and the incredibly fast AMX Some argue however that AMC's insistence on pouring its relatively limited resources into the muscle wars ultimately led to its demise Illustrated throughout with modern photography of restored and factory original cars archival images AMC concept drawings period advertisements and cutaway illustrations this color history primarily focuses on the conception development production and performance of the AMX as well as the Javelin upon which it was based Special models like the Mark Donohue Signature Edition Javelin along with the less than well received Marlin Rebel SST Hornet 360 Gremlin X and others are also included **Selling the American Muscle Car** Diego Rosenberg,2016-10-14 As the muscle car wars developed in the early 1960s auto manufacturers scrambled to find catchy marketing campaigns to entice the buying public into their dealerships General Motors Ford and Chrysler with all their divisions as well as AMC and Studebaker inevitably sank billions of dollars into one upmanship in an effort to vie for the consumer's last dollar Automotive writer Diego Rosenberg examines the tactics and components used by manufacturers in waging war against one another in the muscle car era Manufacturers poured millions into racing programs operating under the principle of Win on Sunday Sell on Monday Cars were given catchy nicknames such as The GTO Judge Plymouth Roadrunner Cobra and Dodge Super Bee Entire manufacturer lines were given catchy marketing campaigns such as Dodge's Scat Pack AMC's Go Package and Ford's Total Performance From racing to commercials to print ads from dealer showrooms to national auto shows each manufacturer had its own approach in vying for the buyer's attention and gimmicks and tactics ranged from comical to dead serious Selling the American Muscle Car Marketing Detroit Iron in the 60s and 70s takes you back to an era when options were plentiful and performance was cheap You will relive or be introduced to some of the cleverest marketing campaigns created during a time when America was changing every day **Power Under Her Foot** Chris Lezotte,2018-05-31 Since their introduction in 1964 American muscle cars have been closely associated with masculinity In the 21st century women have been a growing presence in the muscle car world exhibiting classic cars at automotive events and rumbling to work in modern Mustangs Camaros and Challengers Informed by the experiences of 88 female auto enthusiasts this book highlights women's admiration and passion for American muscle and reveals how restoring
