Examining the Funding Request Process Between Public Higher Education and the State Legislature Andrew Michael Midgley, 2010

College for Convicts Christopher Zoukis, 2014-10-28 The United States accounts for 5 percent of the world's population yet incarcerates about 25 percent of the world's prisoners Examining a wealth of studies by researchers and correctional professionals and the experience of educators this book shows recidivism

rates drop in direct correlation with the amount of education prisoners receive and the rate drops dramatically with each additional level of education attained Presenting a workable solution to America s mass incarceration and recidivism problems this book demonstrates that great fiscal benefits arise when modest sums are spent educating prisoners Educating prisoners brings a reduction in crime and social disruption reduced domestic spending and a rise in quality of life Instructors considering this book for use in a course may request an examination copy here

The Making of Chicana/o Studies

Rodolfo Acuña,2011 The Making of Chicana o Studies traces the philosophy and historical development of the field of Chicana o studies from precursor movements to the Civil Rights era to today focusing its lens on the political machinations in higher education that sought to destroy the discipline As a renowned leader activist scholar and founding member of the movement to establish this curriculum in the California State University system which serves as a model for the rest of the country Rodolfo F Acu a has for more than forty years battled the trend in academia to deprive this group of its academic presence The book assesses the development of Chicana o studies an area of studies that has even more value today than at its inception myths about its epistemological foundations have remained uncontested Acu a sets the record straight challenging those in the academy who would fold the discipline into Latino studies shadow it under the dubious umbrella of ethnic studies or eliminate it altogether Building the largest Chicana o studies program in the nation was no easy feat especially in an atmosphere of academic contention In this remarkable account Acu a reveals how California State University Northridge was instrumental in developing an area of study that offers more than 166 sections per semester taught by 26 tenured and 45 part time instructors He provides vignettes of successful programs across the country and offers contemporary educators and students a game plan the mechanics for creating a successful Chicana o studies discipline and a comprehensive index of current Chicana o studies programs nationwide Latinas os of which Mexican Americans are nearly seventy percent comprise a complex sector of society projected to be just shy of thirty percent of the nation s population by 2050 The Making of Chicana o Studies identifies what went wrong in the history of Chicana o studies and offers tangible solutions for the future
