New Directions For Social Work Practice

Bradford W. Sheafor, Charles R. Horejsi

New Directions For Social Work Practice:

New Directions in Social Work Practice Kieron Hatton, 2015-11-23 Hatton's book is a welcome antidote to stagnation and moribund thinking in contemporary professional practice and readers will gain much from engaging with the concepts he sets out and the challenges he raises Jonathan Parker Series Editor Since the first edition of Kieron Hatton's important book outlining many of the New Directions facing social work a significant number of changes and challenges have continued to have a huge impact on contemporary social work practice in the UK From the second Laming report and the subsequent work of the Social Work Task Force Social Work Reform Board and The College of Social Work to the Reclaiming Social Work agenda and Munro Review the context within which social work is practice has continued to change and this new edition unpicks the challenges opportunities and threats facing the social workers of today This book re-establishes an important contribution to learning from which students their service users and ultimately society should benefit **New Directions**

for Social Work Practice Harry Specht, 1988 New Directions for Social Work Practice Research Miriam Potocky-Tripodi, 1999 Academics in social work continue the practice research scholarship sparked in the 1970s by seminal articles that raised issues about accountability and case work effectiveness Five papers provide critical assessments of progress in the field The editors are at Florida International U and Ohio St **Research for Effective Social Work Practice** Judy L. Krysik, 2018-04-09 In this book and companion website you will find A practice oriented description of qualitative and quantitative research methods that engages rather than intimidates students Illustrations of real life research and evaluation from different levels of social work practice encompassing many populations Attention to the ethics and politics of research at each phase of the process from the identification of an issue through reporting findings Exercises that provide hands on learning opportunities in research and evaluation A historical strengths based perspective on research and evaluation in social work that teaches empowerment and professionalism Six in depth interactive easy to access cases that include data in SPSS and Excel A wealth of instructor only resources available at www.routledgesw.com research including sample syllabi links multiple choice and free response test items all linked to current EPAS standards and PowerPoint presentations *New Directions In Social Work Practice*, 2008 The social work environment in the UK is undergoing a profound change The social care workforce is becoming more skilled and indications are that the UK is beginning to learn from other traditions in European social work particularly around pedagogy social pedagogy and social education This book provides an accurate overview of the current state of social work in the UK looking at the most current developments and drawing on national policy developments including Every Child Matters Valuing People Our Health Our care Our Say It also develops themes around inter professional multi agency work common learning the enhanced role of the voluntary sector in terms of service delivery and the influence of European perspective By looking at the shape of this new welfare mix the author suggests that new forms of professional practice drawing on radical and humanist traditions can be created and gives

some idea of how social work practice may look in the future This book is aimed at second third year undergraduates or post graduates and looks in depth at the main influences shaping social work practice now and in the future

Techniques and Guidelines for Social Work Practice Bradford W. Sheafor, Charles R. Horejsi, 2006 0205446175 Sheafor Techniques and Guidelines for Social Work Practice 7e The latest edition of this classic book continues to provide students and practitioners of social work with a one of a kind resource designed to emphasize the different techniques needed for successful practice Carefully updated to provide social workers with easy access to the most current information on professional techniques and guidelines and organized to support a generalist practice perspective Techniques and Guidelines for Social Work Practice illustrates multiple ways in which both direct and indirect intervention activities are a part of the social worker s repertoire Touching upon everything from cultural competence to macro practice the content of this text is so widely applicable it is an invaluable aid in making the transition to a professional career in social work and a staple of professional social work libraries In a classroom it is ideal for use in advanced practice capstone and field work courses Parts I and II summarize the essential foundation elements of social work practice while Parts III through V set out 157 clearly described techniques and guidelines that can be used by students and new practitioners The latest edition includes many changes that make it just as essential as previous editions Techniques deleted from prior editions due to space restrictions are now available at www.ablongman.com/sheafor7e New techniques include guidelines for assessing small group functioning family group conferencing and building mentoring relationships as well as addressing client concerns related to spirituality and religion and serving the client or community experiencing an emergency or disaster Following the lessons of 9 11 new content is included to prepare social workers to deal a client or community emergency Information is included on Family group conferencing a new approach based on the principles of restorative justice about which social workers should be knowledgeable New guidelines for using mentoring relationships in which senior practitioners without direct administrative responsibilities support and nurture developing social workers are included in this edition along with new guidelines for assessing small group functioning as a means of strengthening subsequent intervention activities with groups Chapter 14 now includes a straight forward description of techniques for conducting empirical direct practice evaluation with current illustrations based on students applications of the most commonly used evaluation tools

The Practice of Generalist Social Work Julie Birkenmaier, Marla Berg-Weger, 2017-05-25 Straight Talk about Interventions Unexpected Events and Ongoing Evaluation

New Directions in Treatment, Education, and Outreach for Mental Health and Addiction Thalia MacMillan, Amanda Sisselman-Borgia, 2018-02-20 This practice enhancing volume assembles the latest innovative thinking on working with clients who have both mental health diagnoses and substance use disorders Diagnosis is a central focus of the coverage untangling the often knotty considerations surrounding dual diagnosis and the complex issues surrounding treatment even in frequently seen combinations e g depression alcohol abuse The section on practice emphasizes meeting

patients where they are and making use of their community cultural and spiritual contexts in crafting interventions And the book s ambitious chapters on professional development describe training programs with the potential to produce the next generation of responsive knowledgeable and flexible therapists Among the topics covered Comprehensive assessment of substance abuse and addiction risk in adolescents The relationship between attachment and addiction Addiction in the community the role of emergency services Substance use during and after major crisis and disaster a practitioner s guide Practice advocacy and outreach perspectives on addiction services Teaching the importance of developing the therapeutic relationship New Directions in Treatment Education and Outreach for Mental Health and Addiction equips health and clinical psychologists social workers and addiction counselors and educators with a well rounded understanding of a growing population and a wealth of perspectives on effective new interventions *For the Common Good* Michael Reisch,2004-03-01 For the Common Good is an anthology of selected essays by Dr Harold Lewis one of the intellectual leaders of the social work profession Social work literature often reflects powerful ahistorical tendencies which in recent years have produced analyses of social issues that lack awareness of both the contemporary environment and the historical forces that shaped it Lewis insights into the nature and purpose of social work help fill some of these historical and conceptual gaps and present a clearer picture of social work s true place in our society **Social Work Practices** Karen Healy,2000-01-28 Karen Healy profoundly challenges in the context of the postmodernity of late capitalism many of the assumptions upon which the critical tradition in social work has been founded This is a book which interrogates not only the emancipatory metanarratives of left perspectives from her position within the left but also questions many of the received ideas about her professional power and identity and about the kinds of social work practices necessary in order to continue to pursue welfare as an emancipatory project under transformed ideological and material circumstances This is a most significant contribution to the debates which confront social work worldwide at the present time Peter Leonard McGill University Canada

Reviewing **New Directions For Social Work Practice**: Unlocking the Spellbinding Force of Linguistics
