New Europe, New Germany, Old Foreign Policy? Douglas Webber, 2014-01-14 This work examines the extent to which German foreign policy and European policy has changed since German unification Despite significant changes on specific issues most notably on the deployment of military force outside of the NATO area there is greater continuity than change in post unification German policy

New Europe, New Germany, Old Foreign Policy? Douglas Webber, 2014-01-14 This work examines the extent to which German foreign policy and European policy has changed since German unification Despite significant changes on specific issues most notably on the deployment of military force outside of the NATO area there is greater continuity than change in post unification German policy

Power and German Foreign Policy B. Crawford, 2007-09-28 What will German foreign policy look like in 2015 This book speculates by making a provocative argument what drives German foreign policy is its power position in Europe and on the international stage Crawford examines Germany's manoeuvres in the Balkans its role in EMU and its leadership in curbing Europe's proliferation of WMD technology

German Foreign Policy Scott Erb, 2003 Despite an array of predictions that Germany's foreign policy would be unable to adapt easily to the postunification post Cold War environment it has in fact remained effective even as it evolves in response to myriad challenges Scott Erb analyzes German policy with an emphasis on the transitions from 1980 to the present Erb argues that Germany's success in dealing with a rapidly changing world rests on principles of multilateralism and cooperative institution building developed during the Cold War These principles are especially well suited now he finds as interdependence and turbulence bring traditional notions of sovereignty and self interest into question Germany he concludes offers a sound model of foreign policy in an age of globalization

History and Foreign Policy in France and Germany Ulrich Krotz, 2015-08-11 Why do states similar in size resources and capabilities significantly differ in their basic orientations and actions across major domains in foreign policy security and defense This book addresses this important question by analyzing the major differences between the foreign policies of France and Germany over extended periods of time

Germany's Uncertain Power H. Maull, 2006-01-26 This comprehensive in depth assessment of the German foreign policy record under the Red Green government of Gerhard Schröder and Joschka Fischer from 1998 to 2005 produced by a team of German and international experts explores the idea of continuity and the sources depths and directions of German foreign policy

Britain, Germany and the Future of the European Union C. Schweiger, 2006-11-28 Schweiger outlines the changes in British and German European policies which have been characteristic of a process of normalization in both countries Schweiger examines possible areas for cooperation between Britain and Germany on major European issues and the significance that such a working partnership could have within the enlarged EU

European Security in the Twenty-First Century Adrian Hyde-Price, 2007-02-12 Combining a sophisticated theoretical analysis with detailed empirical case studies this book provides an original view of the challenges and threats to a stable peace order in Europe The end of

Cold War bipolarity has transformed Europe Using structural realist theory Adrian Hyde Price analyzes the new security agenda confronting Europe in the twenty first century Europe he argues is not primed for peace as mainstream thinking suggests rather it faces new security threats and the challenge of multipolarity This critical and original volume looks at European security after the Iraq War the failure of the EU constitution and the change of government in Germany Reflecting on the inherently competitive and tragic nature of international politics it concludes that realism provides the only firm foundations for an ethical foreign and security policy European Security in the Twenty First Century will appeal to students and scholars of international relations European politics and security studies *The Militant Face of Democracy* Anna Geis,Harald Müller,Niklas Schörnig,2013-10-10 Democratic peace theory the argument that democracies very rarely go to war with each other has come under attack recently for being too na ve and for neglecting the vast amount of wars fought by democracies especially since the end of the Cold War This volume offers a fresh perspective by arguing that the same norms that are responsible for the democratic peace can be argued to be responsible for democratic war proneness The authors show that democratic norms which are usually understood to cause peaceful behaviour are heavily contested when dealing with a non democratic other The book thus integrates democratic peace and democratic war into one consistent theoretical perspective emphasising the impact of national identity The book concludes by arguing that all democracies have a weak spot where they would be willing to engage militarily **The War in Our Backyard** Margit V. Wunsch Gaarmann,2015-02-18 The War in Our Backyard is a novel study of the German press textual and visual coverage of the wars in Bosnia 1992 1995 and Kosovo 1998 1999 Key moments from both wars have been selected and analysed using a broad range of publications reaching from far right to far left and including broadsheets a tabloid and a news magazine Two sections with parallel chapters form the core of the book the first part dealing with the war in Bosnia and the second with Kosovo Each section contains one chapter on the initial phase of the conflict one chapter on an important atrocity namely the Srebrenica Massacre in Bosnia and the Ra ak incident in Kosovo and lastly a chapter each on the international involvement which ended the immediate violence The book examines how the various events were covered what sources were used and what insights these examples of the German press conveyed Special attention has been paid to four key themes which emerged from the research Firstly the changing perceptions of the Serbian President Slobodan Milo evic and the issue of who was to blame for the conflicts secondly how various armed forces including the Yugoslav Peoples Army and the Kosovo Liberation Army were presented in the German press thirdly the persistent presence of the Second World War and the Holocaust in the coverage of the wars in Bosnia and Kosovo and how they shaped the press interpretation of the violence and lastly how Germany s role in the Balkans both in the realms of diplomacy and military intervention was evaluated by the national press Pictures and cartoons accompanying the textual coverage have been included to present a more rounded picture of press coverage

Foreign Policy in Comparative Perspective Ryan K. Beasley,Juliet Kaarbo,Jeffrey S. Lantis,Michael T.

Snarr,2012-04-25 Widely regarded as the most comprehensive comparative foreign policy text Foreign Policy in Comparative Perspective has been completely updated in this much anticipated second edition Exploring the foreign policies of thirteen nations both major and emerging players and representing all regions of the world chapter authors link the study of international relations to domestic politics while treating each nation according to individual histories and contemporary dilemmas The book s accessible theoretical framework is designed to enable comparative analysis helping students discern patterns to understand why a state acts as it does in foreign affairs Role Theory in International Relations Sebastian Harnisch,Cornelia Frank,Hanns W Maull,2011-04-06 Role Theory in International Relations provides a comprehensive up to date survey of recent theoretical scholarship on foreign policy roles and extensive empirical analysis of role behaviour of a variety of states in the current era of eroding American hegemony Taking stock of the evolution of role theory within foreign policy analysis international relations and social science theory the authors probe role approaches in combination with IR concepts such as socialization learning and communicative action They draw upon comparative case studies of foreign policy roles of states the United States Japan PR China Germany France UK Poland Sweden and Norway and international institutions NATO EU to assess NATO s transformation the EU as a normative power as well as the impact of China s rise on U S hegemony under the Bush and Obama administrations The chapters also offer compelling theoretical arguments about the nexus between foreign policy role change and the evolution of the international society This important new volume advances current role theory scholarship offering concrete theoretical suggestions of how foreign policy analysis and IR theory could benefit from a closer integration of role theory It will be of great interest to all scholars and students of international relations foreign policy and international politics Foreign Policy in the Twenty-First Century Christopher Hill,2015-11-02 In the years since 9 11 followed by the wars in Iraq and Afghanistan public attention the world over has been on foreign policy From the United States to Yemen from China to Venezuela the quality of the decisions taken by politicians and diplomats has been under the closest scrutiny What is more with the increased personal mobility created by globalization many individuals and groups now focus as much on international events as on affairs within their own state Diasporas company managers humanitarian volunteers and other non state actors are aware of the necessity for effective diplomacy to secure the outcomes they hope for This revised and retitled new edition of the author s acclaimed The Changing Politics of Foreign Policy provides the concepts and analysis needed to make sense of contemporary developments in this key site of political action It provides a clear and engaging synthesis of what foreign policy means in the twenty first century and shows how it can vary according to regime level of development and geopolitical position Stressing the interplay between context and shared dilemmas it examines how actors including the many non and sub state entities which have developed international strategies engage and attempt to manage their differences within a network of complex multilateral relationships Written by a leading scholar of international renown this new edition has been updated throughout with

particular attention given to contemporary issues such as soft power transnational security challenges and the role of regional actors such as the European Union

New to this Edition Substantially revised and updated new edition of an extremely influential acclaimed and widely used foreign policy text Updated coverage of events and theory Continuity and Change in German Politics Stephen Padgett, Thomas Poguntke, 2002 Over three decades Gordon Smith has written authoritatively and with style on almost every aspect of German politics In this volume leading UK and German scholars use themes from his work in an examination of the evolution of German policy in the face of socio economic change globalisation European integration and the domestic upheaval of unification

Germany and Nuclear Weapons in the 21st Century Ulrich Kühn, 2024-03-12 This book is the first scholarly book to take a comprehensive look at Germany's nuclear weapons policies in the 21st century German foreign and security policy is facing a profound reorientation Great power competition between the United States and both a revanchist Russia and a rising China the return of war and nuclear threats to Europe and the emergence of new technologies all force Germany to adapt German policymakers and scholars increasingly speak of a pivotal *Zeitenwende* an epochal turning point in history How does Germany adapt its nuclear policies to these changing conditions The volume brings together internationally renowned nuclear scholars and policy analysts from Germany and abroad Focussing on German nuclear deterrence arms control and disarmament as well as nonproliferation policies the contributors assess how German leaders have navigated continuity and change domestically and abroad The volume concludes that Germany remains bound by dependence on the United States and its own conservatism Within these parameters German leaders have adapted slowly to change and continue to balance seemingly contradictory deterrence and disarmament goals This book will be of much interest to students of nuclear proliferation security studies German politics and International Relations as well as policymakers

Fear and Uncertainty in Europe Roberto Belloni, Vincent Della Sala, Paul Viotti, 2018-08-02 Russia's intervention in the Ukraine Donald Trump's presidency and instability in the Middle East are just a few of the factors that have brought an end to the immediate post Cold War belief that a new international order was emerging one where fear and uncertainty gave way to a thick normative and institutional architecture that diminished the importance of material power This has raised questions about the instruments we use to understand order in Europe and in international relations The chapters in this book aim to assess whether foreign policy actors in Europe understand the international system and behave as realists They ask what drives their behaviour how they construct material capabilities and to what extent they see material power as the means to ensure survival They contribute to a critical assessment of realism as a way to understand both Europe's current predicament and the contemporary international system

Germany and the Common Foreign and Security Policy of the European Union A. Miskimmon, 2007-09-20 This study assesses the influence of German policy makers on EU policy and the impact of EU membership on foreign policy making at the national level The book concludes that limitations remain on the Europeanization of German foreign and security policy and

Germany's ability to play a leading role in military crisis management

Foreign policy in Comparative Perspective: Domestic and International Influences on State Behavior Ryan K. Beasley, 2013 In this much anticipated revision of their unique text the editors bring together fifteen top scholars to highlight the importance of both internal and external forces in foreign policymaking

Old Europe, New Europe and the US Blagovest Tashev, Professor Tom Lansford, 2013-02-28 Iraq can be considered the perfect storm which brought out the stark differences between the US and Europe The disagreement over the role of the United Nations continues and the bitterness in the United States against its betrayal by allies like France is not diminishing Meanwhile the standing of the United States among the European public has plummeted Within Europe political tensions between what US Secretary of Defense Donald Rumsfeld euphemistically called the Old Europe and the New Europe continue to divide To fully comprehend these rifts this volume takes a specific look at the core security priorities of each European state and whether these interests are best served through closer security collaboration with the US or with emerging European structures such as the European Rapid Reaction Force It analyzes the contribution each state would make to transatlantic security the role they envisage for existing security structures such as NATO and the role the US would play in transatlantic security

Transnationalism and German-Language Literature in the Twenty-First Century Stuart Taberner, 2017-03-01 This book examines how German language authors have intervened in contemporary debates on the obligation to extend hospitality to asylum seekers refugees and migrants the terrorist threat post 9 11 globalisation and neo liberalism the opportunities and anxieties of intensified mobility across borders and whether transnationalism necessarily implies the end of the nation state and the dawn of a new cosmopolitanism The book proceeds through a series of close readings of key texts of the last twenty years with an emphasis on the most recent works Authors include Ter zia Mora Richard Wagner Olga Grjasnowa Marlene Streeruwitz Vladimir Vertlib Navid Kermani Felicitas Hoppe Daniel Kehlmann Ilija Trojanow Christian Kracht and Christa Wolf representing the diversity of contemporary German language writing Through a careful process of juxtaposition and differentiation the individual chapters demonstrate that writers of both minority and nonminority backgrounds address transnationalism in ways that certainly vary but which also often overlap in surprising ways
