New Hope Rising Bonita Evans, 2002-03 Bernard Scruggs and his family have worked as sharecroppers in Louisiana longer than they wish to remember The 1910s bring with them a challenge of change a dare which Bernard is afraid to take But there is a new hope rising he sees it in the eyes of his children he recognizes it in their dreams Bernard knows all about these dreams and so does his wife Alice Can such dreams come true How many times have they heard the words Live in hope die in despair His son Bubba says the south be a death place and Bernard knows it s true But how can he take his family to the cold cold north It would be like stepping off of a cliff with no one to catch you Adonais Jake Organ, 2012-08-08

Adonais begins as he stands on the Iberian Peninsula and looks out towards the coast of North Africa fighting for the strength to go with his inner leadings and follow his destiny that lies beyond that coast The story observes the young Friar as he makes his journey from the Peninsula s southern tip through the Alpujarra to a Gharnata that is feeling a new rise in sectarian tension and is hearing news of violent events across the border in Christian Sevilla In Gharnata he meets his childhood friend Miriam in the house of Rabbi Andrew the spiritual head of Gharnata s distinguished Jewish population They agree to share the journey together to her forest community that is on the way to his final destination which is the Christian frontier city of Jaen These young orphan children who grew up as closest friends and confidantes but have blossomed into beautiful adults have a deep and soul searching time of facing a lot of their confusion over their adult relationship which causes especially Adonais to face some of the ghosts of his past Miriam s joyous wedding occurs in the vibrant community of which she is a key part and the whole event provides cathartic healing for many of the participants After the wedding Adonais continues his journey to Jaen as the shocking violent and murderous events of June 1391 in Sevilla become the focus Adonais the character symbolizes the way in which a true and wholesome spirituality can rebuild a life broken by hatred and religious sectarianism The story is set in the late 14th Century Iberian Peninsula and evokes the tension and intrigue of the time as well as capturing its beguiling mystery In the novel Adonais the author has managed to survey an extremely dark treacherous and violent era in history and show a story of the triumph of hope and goodness over that same darkness The novel explores many themes related to the history of the period the interaction between different religious groups and the tension between inner spirituality and outer sectarian religion **True Love: My Beautiful Chief Editor** Nan

The Curé of Ars Mary Windeatt, MY NAME is John and I have been dead since August 4 1859 How happy I am For my soul is in Heaven Yes for eternity I am privileged to see God For endless eternity I enjoy a happiness that is beyond the power of mere words to describe And nothing can ever take this happiness from me Or from my friends the millions of men and women and boys and girls who are with me in Paradise For the joy we have is everlasting It is eternal God has said so and of course He cannot lie It was not easy to win this joy When a soul comes into the world the Devil tries very hard to drag it down to Hell So it was with nearly everyone who is in Heaven today the chief exceptions being those who died shortly after Baptism babies and very small children But I well my life on earth lasted for more than seventy three years and many many times during that period the Devil tried to discourage me in my efforts to please God and to win the place which He had prepared for me in Paradise Did he succeed Of course not And why Because of the wonderful courage God gave me whenever I called upon Him For in my day even as in

any day whenever there was a temptation to do wrong to go over to the Devil's side and give up the struggle to win Heaven God was always ready with His grace Since He wills that every soul in the world shall someday enjoy the good things of Heaven naturally He does not withhold the means to obtain them But what a pity that so few people understand this and that when trials and temptations come they never think of asking God for the grace to remain true to Him Because of such neglect the struggle against the Devil is generally far harder than it needs to be Many times alas it even ends in defeat in Hell with all its terrible darkness and misery and pain My struggle to outwit the Devil and to win Heaven although it was some time before I really understood about such things began on May 8 1786 in Dardilly a village not far from the city of Lyons in France My parents Matthew Vianney and Maria Beluse already had three children Catherine Jane and Francis But they were delighted to have still another and on the same day that I was born I was taken to the village church to be baptized Here I was given two names John in honor of Saint John the Baptist and Marie the French form of Mary in honor of the Blessed Virgin I wonder what little John Marie Vianney will be when he grows up some of the neighbors asked one another thoughtfully He seems to be a fine strong boy
