Peacebuilding in Pakistan Heike Ruhland, 2019 When Pakistan was carved out of India in 1947 as a homeland for the Muslims of the subcontinent it was envisioned as a secular state where non Muslims would be granted freedom of religion and equal citizenship However the subsequent historical events led to a fast Islamization of nearly every part of public life and discrimination against the country s religious minorities who today make up less than 4 per cent of the overall population Based on extensive field work involving more than 100 non structured qualitative interviews this study explores the situation of the religious minorities and the dynamics of interfaith peacebuilding in the Islamic Republic of Pakistan Primary focus was laid on the practice of interfaith dialogue which given the draconic blasphemy laws differs from interfaith dialogue as conceived of in the West Additionally other peacebuilding measures as offered by various non governmental organizations

were taken into account be they advocacy promotion of human rights and unbiased education or policy negotiation with the government Heike Ruhland holds two master s degrees one in Islamic Studies University of Zurich and one in International Information Management University of Hildesheim She attained her PhD from the Academy of World Religions University of Hamburg

Ballano,2024-04-30 Does the current celibate semi monastic and all male seminary formation contribute to the persistence of clerical sexual abuse in the Roman Catholic Church Applying sociological theories on socialization total institutions and social resistance as the primary conceptual framework and drawing on secondary literature media reports the author s experience interviews and Church documents this book argues that the Catholic Church s institution of the celibate seminary formation as the only mode of clerical training for Catholic priests has resulted in negative unintended consequences to human formation such as the suspension of normal human socialization in society psychosexual immaturity and weak social control against clerical sexual abuse The author thus contends that celibate training while suitable for those who do live in religious or monastic communities is inappropriate for those who are obliged to live alone and work in parishes As such an alternative model for diocesan clerical formation is advanced A fresh look at the aptness and effects of celibate formation for diocesan clergy this volume is the first to relate the persistence of Catholic clerical sexual abuse to celibate seminary formation exploring the structural links between the two using sociological arguments and proposing an apprenticeship based model of formation which has numerous advantages as a form of clerical training It will therefore appeal to scholars and students of religion sociology and theology as well as those involved with seminary formation **Counterculture** Duane Sheriff,2022-09-20 The negative culture we see today is in part the Church s fault I m not saying this to condemn anyone but rather to wake us up We are called to speak out and stand up in loving opposition to a dominant culture of hate death and darkness in both word and deed we are to be a culture of love life and light The Initiation of Lady de Winter Crystal McKinnis Allen,Carole McKinnis,2021-11-03 How did a nice lady like Anne Audley become Lady de Winter palace spy and arch villainess of The Three Musketeers Was she always a dangerous woman Where did she come from and what is her story The year is 1623 Europe quakes with dangerous ideas emerging from the halls of science and an unending holy war directed from the citadels of power Lady Anne avoids political intrigue by living with her husband and toddler in the English countryside But when a Vatican agent arrives on her doorstep with a scheme involving the king of England Anne s life is forever transformed Anne and her husband Harald Duke of Southampton are drawn into a Machiavellian plot to negotiate a marriage contract between England s Prince Charles a Protestant and the Spanish Infanta a member of the most powerful royal family in Europe Roman Catholics all When the crown prince arrives in Madrid for the marriage negotiations the Vatican agent presses him to embrace Catholicism but Charles resists As the prince continues to woo Princess Maria Anne realizes the Vatican agent has given up hope of converting him and is instead twisting a more sinister plot into motion She must thwart his scheme before the prince steps into a lethal trap The Initiation of Lady de Winter allows readers a second look at this unapologetic woman
