The New Image of the Person Peter Koestenbaum, 1978

Philosophy's Role in Counseling and Psychotherapy

Peter Raabe, 2013-11-26 In *Philosophy's Role in Counseling and Psychotherapy* Peter Raabe argues that philosophy is an effective method in treating mental illness. Calling for a paradigm shift away from the standard belief that the brain and mind are identical, Raabe argues that so-called mental illnesses such as depression and schizophrenia are not the actual causes of psychological misery. Instead, they are just labels for symptoms. For example, the word depression is merely a label attached to a collection of symptoms such as sadness, hopelessness, and low self-esteem. Raabe posits that distressing or painful life events can cause symptoms that are often clinically labeled as the mental illness of depression. The suffering brought on by painful life events can often be alleviated with helpful discussions and without resorting to medications. Because philosophy is the foremost form of discussion, it means that the suffering that is labeled mental illness can be treated and even cured with philosophy. Raabe ultimately concludes that philosophy is beneficial in three ways: it can prevent the onset of a so-called mental illness in the person who studies it; it can be used to help individuals suffering from the distress that is labeled mental illness; and it will enhance the competence of the counselor or therapist who practices it.

Issues in Philosophical

Counseling Peter B. Raabe, 2002-06-30 Raabe examines some of the most perplexing problems a client may present to a counselor and how a philosopher would deal with them. He provides a detailed philosophical discussion as well as illustrative case studies of some of the most important issues encountered in any counseling practice. The first six chapters discuss philosophical counseling in general terms, while the following 15 chapters deal with specific life issues such as the differences between how men and women communicate and how this is relevant to a counseling discussion, the role of medication in therapy, the concept of normalcy, the meaning of life, the motivation behind suicide, dream interpretation, and religious beliefs. An important resource for professionals, students, and scholars involved with philosophical counseling and applied practical philosophy.

Existential-Integrative Psychotherapy Kirk J. Schneider, 2011-04-27 *Existential Integrative Psychotherapy* promises to be a landmark in the fields of psychotherapeutic theory and practice. A comprehensive revision of its predecessor *The Psychology of Existence*, co-edited by Kirk Schneider and Rollo May, *Existential Integrative Psychotherapy* combines clear and updated guidelines for practice with vivid and timely case vignettes. These vignettes feature the very latest in both mainstream and existential therapeutic integrative application by the top innovators in the field. The book highlights several notable dimensions: a novel and comprehensive theory of integrative existential practice; a premium on mainstream integrations of existential theory as well as existential-humanistic integrations of mainstream theory; a focus on integrative mainstream as well as existential-humanistic practitioners, students, and theorists; a discussion of short-term and cognitive-behavioral existential integrative strategies; a focus on ethnic and diagnostic diversity from case studies of multicultural populations to vignettes on gender, sexuality, and power; and from contributions to the treatment of alcoholism to those

elucidating religiosity psychoses and intersubjectivity

Confronting Our Freedom Peter Block, Peter

Koestenbaum, 2023-02-03 Explore the nature of modern leadership In *Confronting Our Freedom* a team of dedicated leadership coaches delivers an exciting and engaging new take on management and leadership Drawing on recent events in the market and in the world including the Great Resignation the COVID 19 pandemic and widespread digital transformation the authors invite you to reimagine ideas of freedom and accountability in the context of work You ll explore how freedom of action for managers and employees is what gives rise to true accountability both in the community and in the workplace In the book you ll also find Discussions of the power and structure of freedom including its implications for our own choices and lives Ways to shift the focus of your leadership and management to accountability and freedom Strategies for shifting the illusion of clear roles and expectations to one compatible with fully human organizations A groundbreaking and incisive approach to managing and leading others in virtual hybrid and in person settings *Confronting Our Freedom* will be an eye opener for managers executives and other business leaders seeking to improve their ability to inspire others to their fullest potential

The Idea of a Social Studies Education James A. Duplass, 2017-09-22 Offering a fresh take on the purpose of social studies today James A Duplass positions philosophical counseling as a way for teachers to engage students in thinking deeply about what it means to be a citizen in a democratic society *The Idea of a Social Studies Education* takes a uniquely humanistic approach to the idea of a social studies education to show how teachers can act as philosophical counselors in preparing students for active civic engagement Duplass reminds the reader of the needs of students in modern society who seek to develop an identity worth living and the role social studies can play in students achieving that process By focusing on the cultivation of students autonomy authenticity efficacy and agency Duplass approach avoids political biases and instead encourages critical thinking to decipher what a democratic ideology truly is

Psychiatry in Law / Law in Psychiatry. Second Edition Ralph Slovenko, 2009-03-03 *Psychiatry in Law Law in Psychiatry 2nd Edition* is a sweeping up to date examination of the infiltration of psychiatry into law and the growing intervention of law into psychiatry Unmatched in breadth and coverage and thoroughly updated from the first edition this comprehensive text and reference is an essential resource for psychiatry residents law students and practitioners alike

Management Practice and Creative Destruction Steven Segal, 2016-03-09 How do managers and leaders know what to do when they are caught off guard or taken by surprise How do they create when they do not know what to do next These are challenges of an organizational world of existential uncertainty one where the future does not conform to but challenges our expectations and assumptions Steven Segal demonstrates that creating in a world of existential uncertainty requires a new understanding of the relationship between management inquiry and the lived experience of organizing Using existential philosophy he demonstrates how moods of concern serve as a framework to integrate management theory and practice thereby providing a framework for managers management educators and consultants to share a common framework In a globalized free market

characterized by unexpected disruptions management inquiry is not a science conducted from an objective distance The book advocates an existentially reflexive and participant observer perspective to management inquiry By participating in managing a felt sense of being a manager develops Through existential observation new ways of organizing are made possible It is inquiry from within rather than from an objective distance Such inquiry opens new doors and opportunities Existential hermeneutic phenomenology and the free market phenomenon of creative destruction are linked to each other The former provides a framework to work through the breakdown in conventions of organizing that occur in creative destruction Current Catalog National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70

Panorama of Evil Leonard William Doob,1978-08-25 **Nature, Human Nature, and Society** Paul Heyer,1982-09-29

Faith and Ethics in Health and Social Care Ann Gallagher,Christopher Herbert,2019-06-21 This textbook looks at how different world faiths approach ethics in health and social care and how their faith informs their practice Equipping practitioners with the information the need it will support them to be more reflective regarding spirituality ethics and their provision of care **Choice** ,1979 **Bibliographic Index** ,1982 The Meaning of Suffering Adrian Moulyn,1982-11-24 Suffering is a fact of human existence In his interdisciplinary investigation of the causes types value and outcome of human suffering Adrian C Moulyn has discovered a purpose in it In *The Meaning of Suffering* Moulyn presents his thesis Suffering heals the blemishes and the fractures in our problem ridden existence in light of the binary nature of human temporo spacial structure Moulyn analyzes the source of suffering as a combination of the arbitrary nature of life itself no one actually chooses to be born and the dichotomy of the world as we see it objectively and the world as we want it subjectively While the melancholy of being thrown into the world lays the groundwork the discrepancy between desires and wants and the degree to which they are satisfied becomes a source of suffering The value of suffering is in its healing powers Suffering helps close the gap between what we desire and what we obtain The outcome of constructive suffering is an increased ability to deal with the inherent contradictions of life an enhanced awareness of the truly necessary and desirable and a stronger more secure conquest of happiness when it is achieved Moulyn s thesis is an intriguing and optimistic analysis of human experience and will be an asset to philosophy collections *Medical and Health Care Books and Serials in Print* ,1997

Alienation Ignace Feuerlicht,1978-08-11 With the help of the vast literature on the subject this study endeavors to clarify the meaning or meanings of the word alienation has acquired to correct many common misconceptions and to offer new observations and suggestions Preface **Guilt and Gratitude** Joseph Anthony Amato,1982 **Library Journal** ,1978 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately The Thomist ,1981 A speculative quarterly review
