The Chicago Guide to Grammar, Usage, and Punctuation Bryan A. Garner,2020-03-04 The authoritative guide to using the English language effectively from the greatest writer on grammar and usage that this country has ever produced David Yerkes Columbia University The author of The Chicago Manual of Style s popular Grammar and Usage chapter Bryan A Garner is renowned for explaining the vagaries of English with absolute precision and utmost clarity With The Chicago Guide to Grammar Usage and Punctuation he has written the definitive guide for writers who want their prose to be both memorable and correct Garner describes standard literary English the forms that mark writers and speakers as educated users of the language He also offers historical context for understanding the development of these forms The section on grammar explains how the canonical parts of speech came to be identified while the section on syntax covers the nuances of sentence patterns as well as both traditional sentence diagramming and transformational grammar The usage section provides an unprecedented trove of empirical evidence in the form of Google Ngrams diagrams that illustrate the changing prevalence of specific terms over decades and even centuries of English literature Garner also treats punctuation and word formation and concludes the book with an exhaustive glossary of grammatical terms and a bibliography of

suggested further reading and references The Chicago Guide to Grammar Usage and Punctuation is a magisterial work the culmination of Garner's lifelong study of the English language The result is a landmark resource that will offer clear guidelines to students writers and editors alike A manual for those of us laboring to produce expository prose nonfiction books journalistic articles memorandums business letters The conservatism of his advice pushes you to consider audience and occasion so that you will understand when to follow convention and when you can safely break it John E McIntyre Baltimore Sun

Lexicographic Description of English Morton Benson, Evelyn Benson, Robert F. Ilson, 1986-01-01 Designed to help lexicographers compile better dictionaries of English this book provides information about the language that is not available in any other single source It is the first serious attempt to describe in detail the lexical and grammatical differences between American and British English and offers a trailblazing solution to the vexing problem of how to treat General American and British RP pronunciation in the same dictionary with the help of a Simplified Transcription for which any typewriter keyboard can be adapted and a pioneering description of the principles concerning the treatment of fixed grammatical and lexical collocations in future general purpose dictionaries of English **Classed List** Princeton University.
