preaching From well known figures like Miriam and Mary to lesser known women like Huldah and Sapphira to feminine metaphors this comprehensive resource features more than one hundred commentary essays with an Old Testament and New Testament passage for each Sunday of the year and special holy days in the calendar **Bible Witness in Black Churches** G. Baker-Fletcher,2009-08-03 Baker Fletcher explores the Bible as a uniquely authoritative text within the context of Black church worship and service to the world as well as analysing the Bible s central role in three forms of witness translation proclamation and empowerment **THE WILL OF GOD** Re Ph. D. The Reverend Vernon G. Sacra Scriptura James H. Charlesworth, Lee Martin McDonald,2014-04-24 Many of the writings deemed apocryphal and pseudepigraphical were in circulation in the early centuries of Judaism and Christianity Their influences and impacts on the development of early communities and the development of Jewish and Christian thoughts have not yet been sufficiently examined While this judgment is especially true for the so called Christian Apocrypha it also applies for other writings that were not included in the Jewish and Christian Bibles and nor in other sacred collections of Scripture like Rabbinics and Patristics Most of these ancient writings functioned to some degree as sacred texts or scripture sacra scriptura in the communities in which they were produced and in others to which they circulated This volume focuses on how some of these forgotten voices were heard within numerous early religious communities helping to remove the distressing silence in many areas of the ancient world **The Hardened Heart and Tragic Finitude** Dan O. Via,2012-11-05 This book has two main theses First for the biblical Christian doctrine of sin the root of the human problem is hardness of heart the corruption of the core self of the seat of understanding and will On the other hand for an important strand of Greek tragedy the root of human harm doing is the nonculpable blindness and anxiety of finitude that despite the initial nonculpability lead to evil and suffering The Hardened Heart shows that these two different interpretations of human existence are amenable to a degree of synthesis that leads to this conclusion hardness of heart and our ordinary finitude together collude to cause sin in its fullness The second thesis of this volume is that exegetical studies disclose a deconstructive strand in certain biblical texts that represents the finite world that God created as a source of distress and harm doing in something like the tragic sense This subdominant deconstructive position challenges the dominant biblical vision in which the creation came forth from God s creative word as good without qualification **The Books of the Old Testament in Your Palm** Ayuba Mshelia,2022-11-30 The book is about introductions to the books of the Old Testament of the Bible which is a compendium of God s divine

Message to mankind that is uniquely written by forty divinely select people as His spokesmen How many of these forty select men wrote the Tanakh or the Old Testament This synopsis is a guide to the types of questions asked in writing this book Who for example is the author of the Torah or the Pentateuch Are all the books written by one person Or are there others What are the themes and purposes of each book Does the difference in the arrangement and number of books between the original Hebrew Tanakh and our Old Testament make any difference to its being canon or faith What are the books of the kingdoms Why don t you see such titles in the Old Testament What are the themes of some of the poetical books For instance why do good and righteous people suffer and the ungodly prosper Does God care How was the first ancient attempt of a holocaust foiled by Hadassah also known as Esther a beautiful Jewish orphan who became the queen of King Ahasuerus of Persia What happened to the culprit Why was the four hundred year period of the judges the most ungodly and apostate in Israel s history Why was the Davidic covenant threatened by Bathsheba s marriage and Absalom s insurrection What is your take on Daniel s seventy weeks prophecy Dan 9 24 What does the phrase seven weeks and threescores and two weeks mean to you as used in Daniel s prophecy What about A time times and a half Dan 12 7 appearing in Daniel s prophecy What does Ezekiel s vision about the valley of the dry bones coming to life mean to Israel and to you as a believer The Old Testament begins with the story of creation and life but ends in Malachi 4 6 with a divine threat of a curse Are you free from that curse as an individual or still under it These are the many compelling and poignant questions laboriously dealt with in the book *Reading and Understanding the Old Testament* Thomas B. Lane, Thomas Lane, 2010 Reading and Understanding the Old Testament The Foundation of Judaism Christianity and Islam By Dr Thomas B Lane Reading and Understanding the Old Testament The Foundation of Judaism Christianity and Islam is written for anyone who is interested in acquiring basic knowledge and understanding of the content of the Old Testament books It is also written to enable readers to understand better the religious and theological foundation of Judaism Christianity and Islam as well as the background of their differences All three religions root themselves in the Old Testament and call it the word of God The book is unique in that instead of just describing some of the content it moves chapter by chapter through each Old Testament book using the actual verses of Scripture explaining clearly their meaning both for people in ancient times and our times today The author respects and applies in a practical manner modern scholarship even as he believes the Scriptures are inspired of God The readers of this book will definitely both experience and get a complete sense of the Old Testament Scriptures It is strongly recommended reading **Living the Lord's Prayer** Albert Haase OFM, 2010-02-04 In this book Father Albert Haase follows the lines of the Lord s Prayer showing how the ideas have been understood by great people of faith including Francis of Assisi Martin Luther Th r se of Lisieux and others and revealing how God can use this ancient prayer to transform your very soul and teach you to walk in the way of a true disciple of Christ **Pacific Well-Being** Jione Havea, 2024-03-29 This book makes space 1 for Pasifika contributions to academic conversations on critical topics and 2 for influencing the conversations to account for

and thus reflect Pasifika ways and modes The critical topic that runs through the chapters is well being and the contributors were located at the time of writing in Pasifika Aotearoa Fiji Kioa Kiribati Samoa Tonga and Tuvalu but there are many more Pasifika voices and concerns than are represented in this work Nonetheless the ways in which this work seeks to influence the conversations on well being reflect the intersectional modes of thinking that native Pasifika Islanders share The essays are placed into three intersecting clusters well being of bodies and is lands well being of traditions and theologies and well being of imaginations and worldviews The rationale for this arrangement is that the well being of Pasifika requires attention to the present bodies and islands to the past traditions and theologies and to the future imaginations and worldviews The chapters address Pasifika questions and concerns and they are placed so that the conversations they spark can take place free of the traps of Western theories and disciplines with Pasifika accents and rhythms

Foster Biblical Scholarship Frank Ritchel Ames, Charles William Miller, 2010 This collection of essays describes the pursuit of biblical scholarship in the twenty first century and explores the implications of modern and postmodern approaches collaborative and emancipative models of graduate and undergraduate education and public and political uses of the Bible Special attention is given to the role of the Society of Biblical Literature Essays by nine SBL presidents appear in the collection which honors SBL Executive Director Emeritus Kent Harold Richards

Undistorted God Ray Waddle, 2014-08-19 Ray Waddle encourages us to find meaning inside sometimes despite the contentious times we live in He helps readers see through spiritual insecurity and distraction to see God in new places in the sky in writing in walking in music in memory in Gospel reading the bread and wine worship the very name Jesus and get beneath social habits or routine theological assumptions in order to find a fresh core of epiphany

The Bible , **A Child by Mercy** Brother Timothy, 2010-05-04 Sexual orientation has become a heated issue in our society The call for gay rights and the confusion surrounding the church s role in this struggle emulates much of the bewilderment experienced by homosexuals themselves No one understands this better than Brother Timothy a man who struggled with his sexual identity and endured social anxiety and addiction for years Now a Franciscan Friar with the Ecumenical Franciscan Order Brother Timothy chronicles his extraordinary journey in dealing with his sexual orientation from a difficult childhood through sexual addiction as an adult and finally to the complete surrender of his life to the Lord Written in four parts A Child by Mercy reveals Timothy s personal experiences from childhood through adulthood and then digs deeper into the mechanisms psychology and spiritual aspects of sexual identity In addition Timothy exposes how evangelicals and gay activists have misused key Bible texts to further their agenda and addresses the politically charged issue of same sex orientation and the viewpoints of the traditional church and gay rights activists But above all he presents foundational principles from God that can help anyone overcome addiction if they will expose their complete heart to the Lord A moving declaration of hope and healing A Child by Mercy will draw your heart and soul closer to a radical love for all of God s children through its message of reconciliation

Galatians Craig S. Keener, 2018-04-12 Drawing on a range of

ancient background this commentary makes Galatians easier to understand today **Steve Biko** Traci Wyatt, 2020-07-20

During the mid 1960s to the late 1970s black college students in South Africa became frustrated with apartheid Bantu education policy Bantustans white liberal organizations and European branded Christianity Their anger with white nationalism under apartheid caused them to mobilize rise up and fight against systemic oppression for their liberation The timing was pregnant with purpose for the new generation of leaders to rise since the ANC and PAC were banned creating an aboveground silence amongst black anti apartheid revolutionaries The reader will be lured into the struggle blood loss tears and victories of blacks fighting against apartheid in South Africa Readers will learn about the ideology and way of life adopted by black youth known as black consciousness The book analyzes how students became so devoted in their beliefs and application of the tenets of black consciousness that it was likened to the gospel message It describes how the teachings of black consciousness were used as psychological weapons of war to liberate the minds of blacks white liberals and the white apartheid regime The primary focus of this book is on the life message and journey of BC s preeminent leader Steve Biko who led the radical movement along with his colleagues to empower his people and encourage the nation to seek and possess truer humanity His message takes center stage while his life takes several unexpected turns as the system hunts him down However the most controversial yet surprising component of this work would be the comparison of Biko s life and death with Jesus s life and death at Calvary from the cradle to the grave Though Biko was not necessarily a professed Christian his life s work and message make chilling parallels to the life of Jesus Christ which are captured here This book is bound to awaken the soul and mind of the reader as they become raptured in the intersectionality of race justice and faith **Library Journal** ,2003
