**HOAX of Biblical Proportions** Edward Hendrie, 2023-12-22 Satan knows that God has

promised to preserve his words found in the Holy Scriptures so it would be futile for him to try to destroy them Thus Satan s strategy is to obscure God s words by flooding the world with counterfeit Bibles That way he can flimflam people into reading his corrupt Bibles instead of God s infallible Scriptures The devil can then lead men astray from the true gospel This book will prove that the Authorized King James Version of the Holy Bible is given by inspiration of God It will reveal how Satan is using profane Bible versions to divert the world away from God s inspired Holy Scriptures The changes in the new Bible versions are not merely cosmetic for ease of reading as claimed by the publishers they change doctrine The new Bible versions have demoralized churches by proclaiming a different Jesus and a different gospel from what is in God s inspired King James Holy Bible

*Two Views on Women in Ministry* Zondervan,2010-02-23 The role of women in positions of worship and church leadership is one of the most divisive and inconclusive biblical debates *Two Views on Women in Ministry* furnishes you with a clear and thorough presentation of the two primary exegetical arguments so you can better understand each one s strengths weaknesses and complexities Egalitarian equal ministry opportunity for both genders represented by Linda L Belleville and Craig S Keener Complementarian men and women fill distinctive ministry roles represented by Craig L Blomberg and Thomas R Schreiner This revised edition brings the exchange of ideas and perspectives into the traditional Counterpoints format Each author states his or her case and is then critiqued by the other contributors The fair minded interactive Counterpoints forum allows you to compare and contrast the two different positions and form your own opinion concerning the practical and often deeply personal subject of women in ministry The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion
