New Light From Old Stories The Hebrew Scriptures For Today's World:

New Light from Old Stories Leslie J. Hoppe, 2005 The Hebrew Scriptures far from being merely a prelude leading up to the New Testament are replete with theological values that can illumine the Christian life today The author explicates this thesis by demonstrating how these values are underscored in Old Testament stories He groups the representative samples of these stories in six chapters Beginning Moses and the Exodus Brothers Heroes Kings and Prophets Each chapter shows how these old stories shed light on the values concerns challenges and ideals of Christians today Parish Bible studies college and seminary courses on Old Testament and on preaching and anyone who wishes to learn more about how Scripture can enrich their lives will benefit from this book **BOOK JACKET** *The Stories of the Old Testament* James P. Campbell, 2011-09-29 The forty six books of the Old Testament offer a rich feast of spiritual nourishment yet they are by no means the easiest books to read and understand Without a proper tour guide a person's trip through the Old Testament often ends shortly after it begins The Stories of the Old Testament takes the difficult task of reading the Old Testament and turns it into an exciting and enjoyable journey Author Jim Campbell leads readers through central texts essential stories and major figures of the Old Testament in one hundred carefully selected readings Each of the readings is meant to be completed in one sitting and is paired with Jim's enlightening guide to the text You'll also find dozens of short easy to grasp informational pieces that supply the background and commentary you'll need to understand the Old Testament in context Perhaps most important Jim helps us connect our stories today to those of long ago and see ourselves as a part of God's ongoing redemptive work that began in the beginning **Forget Not God's Benefits (Psalm 103:2)** Barbara E. Reid, 2025-04-28 Leslie Hoppe OFM has had a distinguished career in biblical studies He is known for his work on the book of Deuteronomy and the Deuteronomistic History but his interests have ranged over many areas of the Scriptures including the prophets biblical geography archaeology history and biblical perspectives on poverty In his writing and research he has broken new ground and advanced the discipline time and again For many years Hoppe served as the editor of the Catholic Biblical Quarterly and he oversaw the publication of numerous articles that have impacted the study of both the Old and New Testaments A capstone to Hoppe's illustrious career his editorship of the CBQ is reflected in the design of this volume which comprises works by scholars of both testaments The chapters here range from Genesis to the Gospels and Pauline letters Leslie Hoppe's colleagues have given him a fitting tribute a Festschrift with breadth as well as depth *American Book Publishing Record*, 2005

Contextualization in the New Testament Dean Flemming, 2025-06-06 Winner of a Christianity Today Book Award Honored as one of the Fifteen Outstanding Books for Mission Studies by International Bulletin of Missionary Research From Cairo to Calcutta from Cochabamba to Columbus Christians are engaged in a conversation about how to speak and live the gospel in today's traditional modern and emergent cultures The technical term for their efforts is contextualization Missionary theorists have pondered and written on it at length More and more those who do theology in the West are also

trying to discover new ways of communicating and embodying the gospel for an emerging postmodern culture But few have considered in depth how the early church contextualized the gospel And yet the New Testament provides numerous examples As both a crosscultural missionary and a New Testament scholar Dean Flemming is well equipped to examine how the early church contextualized the gospel and to draw out lessons for today By carefully sifting the New Testament evidence Flemming uncovers the patterns and parameters of a Paul or Mark or John as they spoke the Word on target and he brings these to bear on our contemporary missiological task Rich in insights and conversant with frontline thinking this is a book that will revitalize the conversation and refresh our speaking and living the gospel in today s cultures whether in traditional modern or emergent contexts

Open to New Light Leslie Stevenson,2011-10-10 This book is about the meaning of life or the spiritual quest It offers a selective and critical evaluation of some central strands of Western religious and philosophical thought over two and a half thousand years It starts with Socrates philosophy of life and the Greek tradition of philosophy that he initiated It gives its own take on the teaching of Jesus and on the long and controversial history of Christianity There is a chapter devoted to George Fox and the beginning of the Quaker movement suggesting some surprising parallels between the undogmatic spirituality of the Quakers and the heavyweight philosophy of Immanuel Kant It recommends a non literal interpretation of language about God with some reference to Austin Farrer on poetic truth The book is intended for the intelligent general reader it is accessible but not dumbed down knowledgeable but not overburdened with detail critically argumentative but not prejudiced

The United States Catalog ,1906 **Elenchus of Biblica** ,2005 Borderland Theology Jerry H. Gill,2019-11-26 In this timely and accessible book Gill explores the significance of the border as a privileged place for encountering God Drawing on the rich stories of persons and communities shaped by the unique perspective of the borderland Gill finds in those stories the seeds of a truly American theology of liberation Roberto S Goizueta professor of Theology at Boston College author of *Caminemos con Jesus* A fresh perspective placing the reality of so many in our world today with border crossing at the heart of its analysis A book that calls US Christians to conversion and offers the theological tools needed to look at the reality of borders and border crossing as a call to work for justice at the beginning of the twenty first century Ada Mara Isasi Diaz professor of Ethics and Theology at Drew University **JESUS IN A NEW LIGHT** Manfred Bauer,2021-11-25 Biblical statements and beliefs that were shaped by the ancient mindset have been mindlessly repeated for way too long In the process some of these ideas were eventually dogmatized By investigating the historical origin of such dogmas the author carries out an in depth analysis of the contents of established Christian doctrines without bothering about political correctness He is outspoken but is careful not to throw the baby out with the bathwater This book is therefore especially aimed at people with an interest in theology who are no longer satisfied with the usual clichés During his research the author put expert opinions to the test and found out quite frequently that they leave much to be desired He realized that many a Bible scholar makes his or her point on the basis of a limited and incomplete

view of the world that is shaped as the case may be by his or her own faith or atheism As a result of the globalization that has occurred over the past few decades and the greater insight it has afforded us into other religions and worldviews our perspective on the nature and abilities of spiritual masters such as Jesus has broadened considerably Since such discoveries have been taken into account only rarely in biographies of Jesus it has been the author's intention to illustrate parallels between the teachings and actions of Jesus and those of spiritual masters from other religions This book also asks the questions What message does the Shroud kept in turin Cathedral convey to us Did Jesus really lie in it Does the Shroud make it possible for us to see Jesus face some 2000 years after his death With forensic meticulousness the author provides proof that not everything went by the book during the 1988 radiocarbon dating that exposed the Shroud as a medieval fake The role of the Catholic Church leadership comes thereby under intense scrutiny Hence the aim of this unconventional book is to invite the reader to accompany the author as he tries with the help of Jesus example to acquire a better understanding of the meaning and purpose of human existence and to show what consequences such a better understanding might have for the way we conduct our lives

New Testament Theology and Ethics Ben Witherington III, 2016-03-21 In the second volume of his two volume comprehensive overview of the theological and ethical thought world of the New Testament Ben Witherington III focuses on the collective witness of New Testament writers the convergences and divergences of their theological and ethical thought *Flora Stone Mather College Requirements and Courses for the Sessions of ...* Western Reserve University. Pensées Catholiques Edward L. Helmrach, 2022-01-29 In 1961 at Garabandal at the height of power of the Soviet Union Mary told Conchita and the other three girls that When Communism comes back these things marking the end of time would begin The girls asked Come back Where is it going Now we've seen Communism go overcome by Pope St John Paul II and other leaders and now we're seeing it come back At Fatima Mary said that if the Holy Father in union with the bishops of the world consecrated the world to her Immaculate Heart An era of peace would be granted to mankind Pope St John Paul II made this consecration in 1984 But how long is an era of peace In the Psalms a man's life is 70 or 80 years an average of 75 The Soviet Union lasted for 75 years 1917-1991 Perhaps the Chinese CCP will last for 75 years having begun in 1949 If the era of peace is 75 years long and if it began with the end of World War II in 1945 the era of peace ended in 2020 Mary also said that in the end her Immaculate Heart would triumph
