*American History* Donald A. Yerxa, 2008 Described as the New York Review of Books for history Historically Speaking has emerged as one of the most distinctive historical publications in recent years actively seeking out contributions from a pantheon of leading voices in historical discourse Recent Themes in Early American History represents the best writing on colonial and revolutionary era American history to appear in its pages the past five years This collection of recent essays and interviews from Historically Speaking demonstrates that traditional approaches still foster fresh understanding of the early American past and that original contributions to traditional topics continue to be made **Political Pilgrims** Paul

Hollander, 2017-07-05 Why did so many distinguished Western Intellectuals from G B Shaw to J P Sartre and closer to home from Edmund Wilson to Susan Sontag admire various communist systems often in their most repressive historical phases How could Stalin s Soviet Union Mao s China or Castro s Cuba appear at one time as both successful modernizing societies and the fulfillments of the boldest dreams of social justice Why at the same time had these intellectuals so mercilessly judged and rejected their own Western liberal cultures What Impulses and beliefs prompted them to seek the realization of their ideals in distant poorly known lands How do their journeys fit into long standing Western traditions of looking for new meaning In the non Western world These are some of the questions Paul Hollander sought to answer In his massive study that covers much of our century His success is attested by the fact that the phrase political pilgrim has become a part of intellectual discourse Even in the post communist era the questions raised by this book remain relevant as many Western and especially American intellectuals seek to come to terms with a world which offers few models of secular fulfillment and has tarnished the reputation of political Utopias His new and lengthy introduction updates the pilgrimages and examines current attempts to find substitutes for the emotional and political energy that used to be invested in them **Political Pilgrims**

ethnography of alternative pilgrimages to Catholic shrines in contemporary France that are dedicated to Saint Mary Magdalene or house black Madonna statues Based on more than three years of fieldwork it describes the way in which

pilgrims with a Christian background from Italy Spain Britain and the United States interpret Catholic figures symbols and sites according to spiritual theories and practices derived from the transnational Neopagan movement *My Pilgrim's Progress* George W.S. Trow,2010-10-20 In *My Pilgrim's Progress* George W S Trow gives us a brilliantly original and provocative look at what's happened to America in our time a guided tour of the media the politics and the personalities of the last half century by one of our most persuasive social critics This new book by the author of *Within the Context of No Context* might be subtitled *A son of Roosevelt reads newspapers goes to the movies watches television and tells us how 1950 got to be 1998* Trow takes 1950 as the year the Old World gave way to the New Winston Churchill had just been named The Man of the Half Century by Time magazine George Bernard Shaw was still alive and so was William Randolph Hearst But before the next half decade was out the world represented by these powerful old men had disappeared To illustrate his points Trow takes the reader on a roller coaster ride through the New York Times of February 1950 from the thundering front pages where the terror of the H bomb is making its first appearance to the early sketchy amateur television listings He finds a piece of Television Personality Reportage in the paper a kind of proto People magazine profile of the TV hostess and guest Faye Emerson and notes As to World War II the Germans lost and Faye Emerson won The son of a tabloid journalist from an old New York brownstone family Trow was brought up in the Deepest Roosevelt Aesthetic half FDR and half Walter Winchell But he soon succumbed to the spell of Dwight David Eisenhower and the extraordinary ordinary qualities of Ike's era It is the thrust of Trow's book that both the Roosevelt authority and the Ike decencies are completely gone and where are they now that we need them more than ever *Mayflower* Nathaniel Philbrick,2006-05-09 Vivid and remarkably fresh Philbrick has recast the Pilgrims for the ages The New York Times Book Review Finalist for the Pulitzer Prize in History New York Times Book Review Top Ten books of the Year With a new preface marking the 400th anniversary of the landing of the Mayflower How did America begin That simple question launches the acclaimed author of *In the Hurricane's Eye* and *Valiant Ambition* on an extraordinary journey to understand the truth behind our most sacred national myth the voyage of the Mayflower and the settlement of Plymouth Colony As Philbrick reveals in this electrifying history of the Pilgrims the story of Plymouth Colony was a fifty five year epic that began in peril and ended in war New England erupted into a bloody conflict that nearly wiped out the English colonists and natives alike These events shaped the existing communities and the country that would grow from them *Wandering Monks, Virgins, and Pilgrims* Maribel Dietz,2010-11-01 Dietz finds that this period of Christianity witnessed an explosion of travel as men and women took to the roads seeking spiritual meaning in a life of itinerancy This book is essential reading for those who study the history of monasticism for it was a monastic context that religious travel first claimed an essential place within Christianity **The Way of New Beginning** Mark LaRocca-Pitts,2025-07-25 For author Mark LaRocca Pitts it was the adventure of a lifetime a 1 200 mile three month walking pilgrimage from Paris to Santiago de Compostela But when he received a vision from God for a new spiritual path called the

Way of New Beginning it became more than that It became an experience that transformed his spiritual life In The Way of New Beginning LaRocca Pitts shares his experiences and offers an opportunity to practice this path so you too can transform your spiritual life Combining anecdotal tales of his pilgrimage on the Camino de Santiago with his training in Biblical studies and his experiences as a spiritual seeker and pastor this guide develops the Way of New Beginning as a spiritual path open to all regardless of faith tradition Using Genesis 1 Psalm 51 and other Biblical passages The Way of New Beginning sets forth a step by step process along with spiritual practices such as the Jesus Prayer and Centering Prayer to help you walk the Way of New Beginning and experience spiritual transformation The Pilgrim Papers Milton F. *Religion and Daily Life in the Mountains of Iran* Erika Friedl,2020-12-10 Until the 1960s little was known inside or outside Iran about the tribes living in the country The anthropological research of Erika Friedl is now renowned for presenting comprehensive data collected over a 50 year period from her time among the Boir Ahmad tribal people living in the Zagros Mountains of Iran In this new book Friedl turns her attention to the subject of religion which she had only touched upon in her previous work About ninety percent of people in

Iran and nearly everybody in Boir Ahmad are Muslims of the Twelver Shia group However studies of tribal people s religiosity beliefs and rituals are scarce and many researchers have discounted their views and experience regarding the tribes as only nominally religious because their practices do not fit in with the mainstream practices and ideas in Iran Religion and Daily Life in the Mountains of Iran corrects this view and provides a hallmark study of tribal people s religiosity Demonstrating the great diversity of their philosophical and religious ideas the book reveals the ways in which the tribes choose and express their religion define their communities and understand their world From conversations about God and his relationships with people to observations on ageing and death and research into the tribe s use of spells amulets and sacrifices to their beliefs about saints health and well being the book is an original ethnographic exploration of religion and daily life     **The Illustrated Pilgrim Memorial ...** Pilgrim Society,1863
