God, Revelation and Authority: God Who Speaks and Shows (Vol. 4) Carl F. H. Henry, 1999-01-25 Part 4 in a monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done **Volume 10, Tome I: Kierkegaard's Influence on Theology** Jon Stewart, 2016-12-05 Kierkegaard has always enjoyed a rich reception in the fields of theology and religious studies This reception might seem obvious given that he is one of the most important Christian writers of the nineteenth century but Kierkegaard was by no means a straightforward theologian in any traditional sense He had no enduring interest in some of the main fields of theology such as church history or biblical studies and he was strikingly silent on many key Christian dogmas Moreover he harbored a degree of animosity towards the university theologians and churchmen of his own day Despite this he has been a source of inspiration for numerous religious writers from different denominations and traditions Tome I is dedicated to the reception of Kierkegaard among German Protestant theologians and religious thinkers The writings of some of these figures turned out to be instrumental for Kierkegaard's breakthrough internationally shortly after the turn of the twentieth century Leading figures of the movement of dialectical theology such as Karl Barth Emil Brunner Paul Tillich and Rudolf Bultmann spawned a steadily growing awareness of and interest in Kierkegaard's thought among generations of German theology students Emanuel Hirsch was greatly influenced by Kierkegaard and proved instrumental in disseminating his thought by producing the first complete German edition of Kierkegaard's published works Both Barth and Hirsch established unique ways of reading and appropriating Kierkegaard which to a certain degree

determined the direction and course of Kierkegaard studies right up to our own times      **Did it Really Happen?** Jonathan A. Wood, 2019-09-04 The Bible makes remarkable claims about people and events in world history Creation Adam and Eve Israel's escape from Egypt the rise and fall of Israel's kingdom the birth of the Messiah Jesus Christ's life death and resurrection the growth of the church all points of interest by scholars for the historical veracity of the Scriptures Yet the Bible does not appear to present the acts of God in history for the purpose of vindicating historical accuracy of the text The Bible is a story that reveals the living God through inspired writings that communicate the meaning of historical events In light of the Bible as the revelation of God and the high stakes of historical veracity for the claims of the Bible how should Christians approach the interpretation of the Scriptures in a faithful way Carl F H Henry offers guidance as a foremost theologian regarding God revelation and the Scriptures In *Did it Really Happen* Jonathan Wood engages the thought of Carl Henry in dialogue with the major alternatives to revelation history and the biblical text The value of Carl Henry's approach is shown to provide a path forward for affirming the historicity of the Bible while interpreting the text well      *Aging, Spirituality, and Pastoral Care* James W Ellor, 2013-05-13 How can you foster spiritual growth in older people This multidisciplinary work re-examines issues of aging with dignity and spiritual meaning *Aging Spirituality and Pastoral Care A Multi National Perspective* brings together chaplains pastors counselors and health care practitioners in all walks of gerontology from around the world to present a fully rounded picture of the spiritual needs and potentialities of this fast growing population It also includes a study of the spiritual awareness of nurses working in six different nursing homes as well as a model for a parish nursing practice that focuses on the aged *Aging Spirituality and Pastoral Care* addresses urgent issues for older people including social and spiritual isolation the wisdom of the aging the need for intimacy sexuality among older people living with dementia the spiritual dimensions of caregiving      **The Doctrine of God** Christopher B.
