New England Nun And Other Stories:

A New-England Nun Mary E. Wilkins Freeman, 2000-08-01 A collection that shows Freeman's many modes: romantic, gothic and psychologically symbolic as well as her use of pathos and sentimentality, humour, satire and irony. These stories centre on questions of women's integrity, courage and privation, explore the idea of masculinity and dramatise the relationship between rural New England and modern culture and commerce. Also included here is *The Jamesons*, a series of sketches about village life, reprinted for the first time since the turn of the 20th century. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up-to-date translations by award-winning translators.

A New England Nun Mary E. Wilkins Freeman, 2012-01 Unlike some other reproductions of classic texts, 1. We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. 2. In books where there are images such as portraits, maps, sketches, etc., we have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

A New England Nun and Other Stories. by Mary E. Wilkins, 2016-09-12 *A New England Nun* is the story of Louisa Ellis, a woman who has lived alone for many years. Louisa is set in her ways; she likes to keep her house meticulously clean, wear multiple aprons and eat from her nicest china every day. She has an old dog named Caesar who she feels must be kept chained up because he bit a neighbor 14 years ago. As a puppy, Louisa promised Joe Dagget 14 years ago that she would marry him when he returned from his fortune hunting adventures in Australia, and now that he has returned, it is time for her to fulfill her promise. When Joe arrives, however, it becomes obvious that Louisa sees him as a disruption of the life that she has made for herself. When Joe arrives on one of his twice-weekly visits, Louisa attempts to have a conversation with him but is distracted when he tracks dirt on the floor, rearranges her books and accidentally knocks things over. The two have a cool and slightly awkward conversation when Louisa inquires after Joe's mother's health, and Joe blushes and tells Louisa that Lily Dyer has been taking care of her. Clearly, she is only planning on marrying Joe because she promised that she would, since it would mean that Louisa would have to give up the life that she has made for herself.
