The New Face of Evangelism René Padilla, 1976

The New Face of Evangelicalism C. René Padilla, 1976-01-01

The Study of Evangelism Paul W. Chilcote, Lacey C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church's mission. Many of the resulting books in the marketplace, however, have a hands-on orientation often lacking serious theological engagement and reflection. *Bucking that how to trend* The Study of Evangelism offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice. Helpfully organized into six categories, these broad, diverse writings lay a solid scholarly foundation for meaningful dialogue about the church's practice of evangelism. *Theology of Mission* John Howard Yoder, 2013-12-05 John Howard Yoder, author of *The Politics of Jesus*, was best known for his writing on Christian pacifism. This volume, based on lectures recorded in 1973, shows he was a profound missiologist as well. Yoder weaves together biblical, theological, practical, and interreligious reflections to think about mission beyond Christendom. **The New Global Mission** Samuel Escobar, 2013-04-23 Veteran missiologist Samuel Escobar explores the new realities of our globalized world, assesses the context of a changing mission field, sets forth a thoroughly biblical theology of missions, and considers implications for how Christians are to go about the task of global mission. *Evangelical Theology* Uche Anizor, Robert B. Price, Hank Voss, 2021-04-08 This book provides a lively introduction to the exciting discipline of evangelical theology. Aligning with the global Lausanne Movement, the authors identify Scripture and mission as methodological centres of evangelical theology. *Evangelical Theology* highlights the key evangelical themes of atonement, conversion, justification, and sanctification, as well as recent developments around trinitarian theology and pneumatology. **Urban Ecclesiology** Pascal D. Bazzell, 2015-05-21 Pascal D. Bazzell brings the marginal ecclesiology of a Filipino ecclesial community facing homelessness (FECH) into contemporary ecclesiological conversation in order to deepen the ecumenical understanding of today's ecclesial reality. He contributes relevant data to support a theory of an ecclesial-oriented paradigm that fosters ecclesial communities within homeless populations. There is an extensive dialogue occurring between ecclesiologies: church planting theories or urban missions and the urban poor. Yet the situation with the homeless population is almost entirely overlooked. The majority of urban mission textbooks do not acknowledge an ecclesial-oriented state of being and suggest that the street-level environment is a place where no discipleship can occur and no church should exist. By presenting the FECH's case study, Bazzell emphasizes that it is possible to live on the streets and to grow in the faith of God as an ecclesial community. To be able to describe the FECH's ecclesial narrative, Bazzell develops a local ecclesiological methodology that aims to bridge the gap between more traditional systematic and theoretical ideal ecclesiology and practical-oriented ecclesiology, e.g., congregational studies, in order to hold together theological and social understandings of the church in its local reality. He articulates a theological framework for the FECH to reflect on who they are, the essence of identity studies.

who they are in relationship to God the essence of theological studies and what that means for believers in that community as they relate to God and to each other in ways that are true to who they are and to who God intends them to be the essence of ecclesial studies The research provides a seldom heard empirical tour into the FECH's social world and communal identity The theological findings from the FECH's hermeneutical work on the Gospel of Mark reveal an understanding of church being developed as gathering around Jesus that creates a space for God's presence to be embodied in their ordinary relationships and activities and to invite others to participate in that gathering Moreover it addresses ecclesial issues of the supernatural world honor shame values and further develop the neglected image of the familia Dei in classical ecclesiology that encapsulates well the FECH's nature mission and place

The Social God Kenneth Leech, 2003-10-28 The central theme of The Social God is the belief that God is social and that both Christian prayer and Christian social action are rooted in the nature of God Christian action in the fields of social justice and the political arena is rooted in Christian doctrine The Social God stresses the essential unity of doctrine and action of prayer and politics examining the Christian understanding of God and his relationship with the world Kenneth Leech emphasizes the centrality of the Incarnation and reveals the other aspects of Christian spirituality the dangers of a new fascism and the need for a renewal of Christian theology

Journal of Latin American Theology, Volume 16, Number 2 Lindy Scott, 2021-12-02 This issue of the Journal of Latin American Theology is dedicated to the memory of C Ren Padilla 1932-2021 In The Life and Legacy of C Ren Padilla historian Daniel Salinas presents the essential events of Ren's life and ministry In 2008 Darren C Marks published Ren's own account of his theological journey in Shaping a Global Theological Mind We are grateful to reprint My Theological Pilgrimage in which Ren described the factors that contributed to his development as a theologian and practitioner Next the five children Ren had

with his late wife Catharine Feser Padilla offer a heartfelt overview of their father's life. A sample of tributes from friends and family members then describes not only Ren's writings and mental brilliance but also his humility, hospitality, courage, and gentleness as a mentor. And the three poets included herein give testimony to Ren's unflagging dedication to encouraging and publishing other writers across the genres. Next, historian Dinorah M. Ndez reviews Ren's last literary venture, *Races de un evangelio integral misi n en perspectiva hist rica*, and demonstrates that the primary theological emphasis of Ren's life misi n integral has been practiced by the people of God in their various contexts throughout history. Finally, with the combined efforts of several scholars, we have compiled as complete a bibliography of Ren's published works as possible.

The Apostolic Imperative Carl E. Braaten, 2016-10-31 With perceptive insight and vigor, Dr. Braaten addresses today's crisis in ministry in Protestant and Catholic communities. Numerous studies reveal widespread confusion about the nature and scope of the church's mission. There is a split consciousness in the church at all levels between evangelism and social action, and between lay and ordained forms of ministry. *The Apostolic Imperative* summons the church to embody the apostolic norms of primitive Christianity in its theology and practice. A misinterpretation or neglect of the apostolic norms in the life of the church makes the church captive to narrow traditions or a victim of fashionable trends, says Braaten. The aim of this book is to ground our theological thinking in the essentials of apostolic faith: its witness to the cross and resurrection of Jesus, and its obedience to his command to convey his message to all the world. The theology of mission in this book is biblically based, evangelically motivated, ecumenically oriented, and practically posed to grapple with the issues of the immediate future.

Mission in the Way of Paul Christopher R. Little, 2005 What relevance does the Apostle Paul have for the mission of the church in the twenty-first century? By investigating his socioeconomic background, examining his doxological orientation in mission, delineating how and why he shared resources in the first century, and then relating all this to what has been called the contemporary International Partnership Movement, this book demonstrates that when the church engages in cross-cultural mission and ignores Pauline orthopraxy, it places unnecessary obstacles in the path of the *missio Dei*. Therefore, *Mission in the Way of Paul: Biblical Mission for the Church in the Twenty-First Century* is pertinent for any course devoted to learning from and implementing biblical models of mission today.

Holistic Mission Brian Woolnough, Wonsuk Ma, 2011-01-01 Holistic mission or integral mission implies God is concerned with the whole person, the whole community, body, mind, and spirit. Many Christians concentrate only on one aspect. This book reaffirms that to be true to the Bible, to follow the example of Jesus, the church must address the whole person in all their needs. It considers the meaning of the holistic gospel, how it has developed, and implications for the individual Christian, for the local church, for denominations and church groups, for missionary societies, for Christian NGOs, and for theological training institutions. It takes a global, eclectic approach with 19 writers, church leaders, academics, and practitioners, all of whom have much experience in and commitment to holistic mission. It addresses critically and honestly

one of the most exciting challenging and important issues facing the church today To be part of God s plan for God s people the church must take holistic mission to the world
