## **New Gospel Good News For Christians:**

Simply Good News Tom Wright, 2015-03-19 The Gospel means good news but what makes it news? If the message has been around for 2 000 years what could possibly be newsworthy about it? And what makes it good? Surely not the stories we hear of damnation, violence and an angry God. Tom Wright believes many Christians have lost sight of what the good news of the gospel really is. In Simply Good News he shows how a first century audience would have received the gospel message, what the good news means for us today and how it can transform our lives.

**The Gospel of the Christ** Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life. While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life, this raises the vital question: what is the necessary content of this faith? Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith, Thomas Stegall goes well beyond a carefully documented analysis of his own movement. The Gospel of the Christ provides a systematic, exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title 'the Christ'. The end result is a comprehensive biblical and theological study of Jesus Christ's person and work in the contents of saving faith.

**Feasting on the Gospels--Mark** Cynthia A. Jarvis, E. Elizabeth Johnson, 2014-06-12 Feasting on the Gospels is a new seven volume series that follows up on the success of the Feasting on the Word series to provide another trusted preaching resource. This time on the most prominent and preached upon books in the Bible, the four Gospels. With contributions from a diverse and respected group of scholars and pastors, Feasting on the Gospels includes completely new material that covers every single passage in the Gospels, making it suitable for both pastors who preach from the lectionary and pastors who do not. Moreover, these volumes incorporate the unique format of Feasting on the Word, giving preachers four perspectives to choose from for each Gospel passage: theological, pastoral, exegetical and homiletical. Feasting on the Gospels offers a unique resource for all who preach either continuously or occasionally on the Gospels.

**The Bible and Christianity in the Scientific Perspective** Byung Kook Hwang, 2025-07-31 Korean Christianity must now be reborn as a biblical agape religion of love and life away from the religion of salvation and self-love that seeks personal blessing. God is love. 1 John 4:8 Jesus is the source of life. There is life in Jesus Christ. John 1:4 and Jesus is the Word of life. 1 John 1:1 The core of the Christian faith is faith alone in God and Jesus Christ. True Christians must understand the Bible correctly, obey and believe in God and live righteously and good according to the Bible and God's will. The life of Jesus Christ is the highest standard of life for people to imitate. Christians in Korea should live a life of action in practice according to God's word in the Bible at home and in society. They should love one another in deed and truth, not just in word or in tongue. 1 John 3:18 Only when this agape style life of God's love takes root in Korean society, a truly biblical Christian culture will be established in Korea. True Christians have freedom in the Lord Jesus Christ and live a

life of faith in obedience to God and Jesus Christ refusing to be servants of the world      Small Church, Excellent Ministry  
Jeffrey C. Farmer, 2017-12-21 Pastors of smaller membership churches have a huge calling They are responsible for changing the world Rather than look at the small number of members in their congregations as a limitation pastors should view their congregations as an elite force able to impact their communities for the Kingdom of God Small Church Excellent Ministry is a handbook designed for pastors serving in smaller membership churches This book will help you to conduct your ministry with excellence Written by practitioners and professors the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches      **The New Gospel** Eric Bowes, 1988
