## **New Handbook Of Christian Theologians:**

**A New Handbook of Christian Theologians** Donald W. Musser, 1996 In recent years the flow of Christian theology has been channeled in diverse streams represented by such trends and movements as black theology liberation theology feminist theology and womanist theology To survey this abundance and diversity of current Christian theology this book examines the theologies of representative theologians Particularly to help students navigate the sea of information the editors have identified various routes for reading and have traced several threads or issues common to many of the essays thus demarcating such recurrent concerns as the ways in which the theologians consider the sources and goals for theology their variant assumptions and conclusions about the nature of God their divergent approaches to understanding the person and purpose of the Christ and their distinct expectations for the destiny of history and faith

**New & Enlarged Handbook of Christian Theology** Donald W. Musser, Joseph Price, 2011-09-01 This handbook provides thorough introductory articles on important themes in Christian theology Along with cross references and select bibliographies it is an indispensable reference source The Handbook consists of 148 topical entries arranged alphabetically Instead of a Table of Contents a Routes For Reading page suggests related entries and cross referencing makes surfing this volume easier than ever

**A Handbook of Christian Theologians** Dean G. Peerman, Martin E. Marty, 1989 Presents a handbook offering coherent and concise portraits of the major theologians of 200 years This volume presents the lives and thoughts of great religious thinkers from Friedrich Schleiermacher and Soren Kierkegaard through William Temple and Emil Brunner to Helmut Thielicke and Hans Kung

**A New Handbook of Christian Theology** Donald W. Musser, Joseph L. Price, 1992 This is the successor to *A Handbook of Christian Theology* edited by Marvin Halverson and Arthur A. Cohen and published in 1958 That book went through twenty printings and served admirably to introduce students and interested laity to a basic understanding of theological terms concepts and trends However more than three decades have passed since the initial publication of Halverson and Cohen's Handbook and the theological landscape is much changed This new handbook provides an expanded and updated account with 148 fresh articles on important themes and movements in modern Christian theology and the editors have furthermore endeavoured to encompass a much wider spectrum of thought than the original volume Thematic entries vary from traditional concerns such as Faith Missiology Revelation Sin the Trinity and Death and Eternal Life to more modern concerns such as Alienation Autonomy Pluralism Secularism and the role of Metaphor and Narrative Also included are concise and balanced accounts of the teaching and development of many contemporary theological movements both radical and conservative from Liberation Theology and Feminist and Postmodernist thought to modern Fundamentalism and Creation Science

**T&T Clark Handbook of Christian Theology and the Modern Sciences** John P. Slattery, 2020-10-01 This handbook surveys the many relationships between scientific studies of the world around us and Christian concepts of the Divine from the ancient Greeks to modern ecotheology From Augustine to Hildegard of Bingen Genesis to Frederick Douglass

and physics to sociology this volume opens the intersections of Christian theology and science to new concepts voices and futures The central goal of the handbook is to bring new perspectives to the foreground of Christian theological engagement with science and to highlight the many engagements today that are not often identified as science theology discussions The handbook thus includes several aspects not found in previous handbooks on the same topic significant representation from the three major branches of Christianity Orthodox Roman Catholic and Protestant multiple essays on areas of modern science not traditionally part of the theology and science dialogue such as discussions of race medicine and sociology a collection of essays on historical theologians approaches to nature and science T Catholic Protestant and Orthodox surveys of theology science scholarship in the 20th and 21st centuries and ten explorations in Christian theology today from Einsteinian physics to decolonial sociology The 24 chapters than span the volume offer the reader whether scholar student or layperson an essential resource for any future conversations around science and Christian theology

**A new handbook of Christian theology** Donald W. ; Price Musser (Joseph L., eds),1992 *Mormonism in Dialogue with Contemporary Christian Theologies* David Lamont Paulsen,Donald W. Musser,2007 This volume brings together for the first time a broad range of scholars from Mormon and other Christian traditions Replacing polemics and apologetics with dialogue these exchanges show how the full spectrum of contemporary theologies can be informed by uniquely Mormon ideas and correlatively how Mormon thought can be illuminated through the study of key ideas of the foremost theologians of the twentieth and twenty first centuries The Tapestry of Christian Theology Gregory C. Higgins,2003 This unique and supremely readable textbook recounts the thought of nine influential twentieth century theologians in the light of biblical narrative to better understand the Christian life By drawing upon the achievement of major thinkers Rosemary Ruether Gustavo Gutierrez Reinhold Niebuhr Dietrich Bonhoeffer Karl Rahner Jurgen Moltmann Hans Kung Yves Congar and Wolfhart Pannenberg and rooting it within the rich fabric of its biblical context Creation Exodus Conquest Exile the Incarnation the Crucifixion the Resurrection Pentecost and the End of Time The Tapestry of Christian Theology traverses a landscape both historical and spiritual one that traces and encourages a new understanding of both perspectives and illumines a greater insight into our own lives Here is a rigorous and wide ranging textbook for college theology courses also suitable for the general reader

**The Literature of Theology** David R. Stewart,2003-01-01 This updated reference guide directs students to over five hundred significant theological resources across a wide area of theological research It details bibliographic sources for encyclopedias dictionaries and electronic resources in biblical studies historical studies theology and practical theology **Recent Reference Books in Religion** William M. Johnston,2014-01-27 Recent Reference Books in Religion provides incisive summaries and evaluations of more than 350 contemporary reference works on religious traditions ancient and modern that have been published in English French and German For maximum usefulness to readers Professor Johnston has broadly defined religion to include not just the world religion of Christianity Judaism Islam Hinduism and Buddhism but also such

alternative approaches as mythology folklore and the philosophy of ethics Each entry analyzing a particular work includes full bibliographic details as well as commentary outstanding articles and contributors are highlighted strengths and weaknesses are carefully noted and weighed Readers are directed to volumes whose strengths and weaknesses are carefully noted and weighed Readers are directed to volumes whose strengths complement the weaknesses of others An indispensable guide in any religious studies collection Recent Reference Books in Religion 2nd Edition includes works published through the end of 1997 It also includes a Glossary that describes types and functions of reference books and five indexes Titles Authors Topics Persons and Places      Introduction to Theology Owen C. Thomas, Ellen K. Wondra, 2002-07-01 An accessible primer to theology through the perspective of Anglicanism Organized around the topics of systematic theology Introduction to Theology begins with an exploration of Scripture then moves through history and tradition to contemporary debates and reconstructions As a textbook for introductory courses in seminaries of the Episcopal Church this book also includes references to The Book of Common Prayer which Anglicans consider a primary source for theology This edition pays detailed attention to the many developments in theology since its last revision the emergence of new perspectives such as womanist mujerista narrative and post modern theology the shift in theological methods to incorporate the human sciences recent critical philosophies and recent developments in the physical sciences the ongoing revisions of The Book of Common Prayer and resultant shifts in Anglican identity and the globalization of theological education specifically the focus on the Episcopal Church as part of the worldwide Anglican Communion      *Toward a Homiletical Theology of Promise* David Schnasa Jacobsen, 2018-04-17 Promise has a long pedigree in the history of Christian understandings of the gospel This volume gathers together leading homileticians to consider the breadth of its understanding today in light of the struggle to reconcile God's grace with God's justice Assuming that promise is a core sense of the gospel how does this relate to the variety of contexts in which homiletical theology is done In this final volume in the series six homileticians from a variety of contexts and perspectives try to move specifically toward a homiletical theology of promise as a way to articulate the central theological gift and task that is preaching the gospel today      *Fundamental Theology* Matthew L. Becker, 2024-01-25 Encyclopedic in scope this book offers wide ranging coverage of the foundational teachings and practices within the mainstream of the classical Christian tradition It begins with their roots in the Scriptures and also branches out into Eastern and Western Christianity ancient medieval and modern to the present day Part I provides an overview of some of these routes then presents an historical survey of Christianity's major traditions Part II unpacks some of the character of that revelation focusing particularly on epistemological and procedural questions Finally Part III looks at Christian theology in a university setting the possibility and shape of theology as a university discipline its major subfields and its relations with humanities and the sciences respectively Fundamental Theology A Protestant Perspective 2nd edition includes a wide range of pedagogical features each chapter begins with an outline thesis statement highlighted in bold charts and graphs relevant

headings and subheadings employed throughout the book keywords provides a survey of pertinent reference literature questions for review and discussion annotated suggestions for further reading

**Constructive Theology** Serene Jones, Paul Lakeland, 2005-01-01 Coordinated by Serene Jones of Yale Divinity School and Paul Lakeland of Fairfield University fifty of North America's top teaching theologians members of the Workgroup on Constructive Christian Theology have devised a text that allows students to experience the deeper point of theological questions to delve into the fractures and disagreements that figured in the development of traditional Christian doctrines and to sample the diverse and conflicting theological voices that vie for allegiance today

**Donald G. Bloesch** Paul Maher, 2007 Donald G Bloesch is among the most important American theologians of the 20th and early 21st centuries He calls himself a catholic evangelical and indeed his appeal is as wide as those terms imply His work has appeared in Catholic religious periodicals as well as many varieties of Protestant publications both mainstream and lesser known As a prolific author Bloesch's writing is scattered across a large number of journals many of which are difficult to access and reviews of his work appear in an even larger range of forums Donald G Bloesch A Research Bibliography collocates as many relevant resources on Bloesch's writing as possible The book provides a chronological listing and description of each work written by Bloesch as well as reviews of Bloesch's writing Each entry gives the title publication details and notes about the relationship of the item described to other publications Several indexes are also included giving a checklist of books by Bloesch a checklist of books to which Bloesch has contributed and a list of book reviews that Bloesch has written about other authors Finally there is an alphabetical index of titles names and periodicals cited in the bibliography making this the most comprehensive resource available on Bloesch

**T&T Clark Handbook of Christian Theology and Climate Change** Hilda P. Koster, Ernst M. Conradie, 2019-12-12 The T these essays are critically engaged by respondents situated in other geographic regions minority communities non Christian traditions or non theological disciplines Structured in seven main parts the handbook explores 1 the need for collaboration with disciplines outside of Christian theology to address climate change 2 the need to find common moral ground for such collaboration 3 the difficulties posed by collaborating with other Christian traditions from within 4 the questions that emerge from such collaboration for understanding the story of God's work and 5 God's identity and character 6 the implications of such collaboration for ecclesial praxis and 7 concluding reflections examining whether this volume does justice to issues of race gender class other animals religious diversity geographical divides and carbon mitigation This rich ecumenical cross cultural conversation provides a comprehensive and in depth engagement with the theological and moral challenges raised by anthropogenic climate change

**Scripture in the Theologies of W. Pannenberg and D.G. Bloesch** Frank M. Hasel, 2004-03-01 Scripture has always played an important role in Christian theology This study provides an issue oriented overview of the concepts of Scripture in Protestant theology from the 16th century Reformation onward It then sets forth the concepts of Scripture in the theologies of two contemporary systematic theologians W Pannenberg and D G Bloesch

It analyzes compares and evaluates the theological and anthropological presuppositions that have influenced their concept of Scripture Despite fundamentally different starting points and other significant distinctions Pannenberg and Bloesch reveal surprising similarities This seems to suggest that for both the concept of Scripture is determined ultimately by presuppositions that are derived and shaped extra scripturam

**Theology as Improvisation** Nathan Crawford,2013-02-14 In Theology as Improvisation Nathan Crawford reimagines the possibilities for how theology thinks God within a postmodern world By engaging a number of thinkers in conversation he navigates the nature of thinking God in a postmodern world

**A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
