New Headway Pronunciation Course Upper Intermediate Level:

New Headway Pronunciation Course Bill Bowler, Sarah Cunningham, 1999 *New Headway English Course upper-intermediate*. Liz Soars, John Soars, 2000 New Headway English Course takes the successful Headway series into an exciting new era. It introduces new features to challenge adult and young adult students and ensure that learning English is interesting and motivating. The course combines the best of traditional methods with more recent approaches to help students use English both accurately and fluently. Learners at the upper intermediate level require a different approach. It is no longer appropriate to examine language items in isolation. In New Headway Upper intermediate grammatical areas are treated in greater depth so that students begin to perceive the systems that underlie the language. This new upper intermediate course provides around 120 hours of language learning. It follows on from New Headway Intermediate and together with Headway Elementary Headway Pre intermediate and Headway Advanced provides a fully comprehensive language teaching series. Key features: New universal topics selected from a wide variety of sources including authentic listening texts. In depth treatment of grammar. Each unit starts with a Test your grammar section followed by Language in context where students work out rules through Grammar questions. The Practice Bank provides a choice of wide ranging exercises and the Grammar Reference gives detailed rules of form and use. The grammar of spoken English is examined with work on areas such as being polite, linking and commenting, adverbs, exaggeration and understatement and lexis in discourse. Thorough skills syllabus. All four skills are developed systematically and integrated through related tasks. Well defined lexical syllabus with work on systems such as collocation, binomials, homonyms and compounds. Pronunciation practice is integrated at appropriate points throughout the units. Everyday English is practised in the Postscript section. In addition to the Student's Book there is a Teacher's Book with extra photocopiable activities, two Class Cassettes, a Workbook and an optional Workbook Cassette. This level is supplemented by Headway Upper intermediate Video and New Headway Upper intermediate Pronunciation. *New Headway English Course. Upper-Intermediate.
