Target Audience

Clinical nurse preceptors and clinical educators interested in advancing their preceptor skills and in advancing their preceptor role.

Description

The North Carolina Area Health Education Center (NCAHEC) is offering a live webinar that will build upon the 2023 webinar, *Teaching Strategies for the Experienced Preceptor*. This year we will take a deep dive into generational differences and strategies to foster communication, techniques/strategies to utilize when precepting someone from a different generation and/or someone with more experience and explain how to address the experience-complexity gap in nursing. Learn from a panel of experienced preceptors how to handle challenges and how to advance preceptor skills in today's healthcare environment.

Outcome

80% of participants will be able to list one precepting strategy they learned from the webinar.

Reengineering Nursing and Health Care

Suzanne Smith Blancett,Dominick L. Flarey,1995

Reengineering Nursing and Health Care adopts the basic principles of Hammer and Champy s bestselling book *Reengineering the Corporation* as the framework for how reengineering may be implemented in health care settings The book advances the existing trend away from the compartmentalization of services by department toward full integration to create a seamless organization of health care services While the primary focus is on nursing the new imperatives organizational integration and collaboration are emphasized throughout making this book appropriate for all health care managers executives and educators

Nursing Stories: Ordinary People, Extraordinary Journey

Pedus C. Eweama,2009-05-28

Each of us has at least once in our lifetime come into contact with nurses of all backgrounds whether in

the course of being cared for or while they care for our family and friends More often than not we have seen nurses as what they truly are compassionate professionals who often go above and beyond the call of duty in an unequivocally selfless manner But not many of us have taken time to ponder over the challenges nurses confront the experiences they encounter and the stories that come with these opportunities to change peoples lives and be sometimes changed in the course of doing so This book Nursing Stories Ordinary People Extraordinary Journey chronicles the challenges nurses face the camaraderie they share the experiences they have and their unfaltering desire to make a difference Many nurses of diverse specialties working across the globe have in this book succinctly told their stories experiences and challenges not only to promote nursing as a profession in which one can make a difference but also as one in which the difference one makes can help shape ones outlook on life Every new page in this book highlights that while nurses try to change lives a lot of them end up being changed themselves Nursing Stories Ordinary People Extraordinary Journey is a compilation of actual life transforming stories that range from subtly hilarious stories to confronting clinical experiences Some of the stories are intriguing challenging inspiring scary or outright inconceivable Welcome to the world of nursing welcome to Nursing Stories Ordinary People Extraordinary Journey **Paperbound Books in Print 1995** Reed Reference Publishing, R5ference Reed, 1995-12
