Select Notes on the International Sunday School Lessons Wilbur Moorehead Smith, 1925 Old Testament Introduction Milton Jones, 2012-08-09 Too frequently believers give up on the possibility of understanding the Old Testament Distance from the culture ignorance of the literary forms and failure to see the structure of each book combine to create a daunting task in sorting out the content Without the ability to compass the content application becomes difficult Further too many people labor under the mistaken notion that the Old Testament is no longer relevant In reality it is impossible to truly understand and apply the New Testament correctly without a working knowledge of the Old Testament Every believer can be an active student of the Old Testament **Cumulative Book Index** ,1972 **American Book Publishing Record** ,1973

Research Libraries, 1979 Hugo Black of Alabama Steve Suits, 2018-12-01 Three decades after his death the life and career of Supreme Court Justice Hugo L Black continue to be studied and discussed This definitive study of Black s origins and early influences has been 25 years in the making and offers fresh insights into the justice s character thought processes and instincts Black came out of hardscrabble Alabama hill country and he never forgot his origins He was further shaped in the early 20th century politics of Birmingham where he set up a law practice and began his political career eventually rising to the U S Senate from which he was selected by FDR for the high court Black s nomination was opposed partly on the grounds that he had been a member of the Ku Klux Klan One of the book s conclusions that is sure to be controversial is that in the context of Birmingham in the early 1920s Black s joining of the KKK was a progressive act This startling assertion is supported by an examination of the conflict that was then raging in Birmingham between the Big Mule industrialists and the blue collar labor unions Black of course went on to become a staunch judicial advocate of free speech and civil rights thus making him one of the figures most vilified by the KKK and other white supremacists in the 1950s and 1960s **International Journal of Religious Education** ,1959 *The Publishers Weekly* ,1962 **The Education Index** ,1959 **The Lutheran** ,1959
