Collard and Vandervent families who for decades have shared a large estate in the elegant London suburb of Blackheath. It is now the 1890s and over the years the families' near incestuous entanglement has grown into a toxic web of lies and bitterness. While mama keeps an iron grasp on the purse strings, an unmarried daughter sucks greedily on her own disappointment, a son raises corruption to an art form, and an ethereal daughter-in-law casts hither glances at anything in pants. She casts them frequently at young Paul Vandervent, who responds by filling his journal with fevered love poems. And when one member after another of the extended clan falls victim to gastric misadventure and his beloved falls under suspicion, Paul embarks on an equally feverish quest to clear her name, resolving to solve the extraordinary series of crimes popularly called The Blackheath Poisonings.

The Dead Witness gathers the finest police and private detective adventure stories from the nineteenth and early twentieth centuries, including a wide range of overlooked gems. The Dead Witness, the 1866 title story by Australian writer Mary Fortune, is the first known detective story by a woman, a suspenseful clue strewn manhunt in the Outback. This forgotten treasure sets the tone for the whole anthology as surprises appear from every direction, including more female detectives and authors than you can find in any other anthology of its kind. Pioneer women writers such as Anna Katharine Green, Mary E Wilkins, and C L Pirkis take you from rural America to bustling London, introducing you to female detectives from Loveday Brooke to Dorcas Dene and Madelyn Mack. In other stories you will meet November Joe, the Canadian half-Native backwoods detective who stars in The Crime at Big Tree Portage and demonstrates that Sherlockian attention to detail works as well in the woods as in the city. Holmes himself is here too, of course, not in another reprint though, but in the first two chapters of A Study in Scarlet, the first Holmes case in which the great man meets and dazzles Watson. Authors range from luminaries such as Charles Dickens to the forgotten author who helped inspire Edgar Allan Poe's The Murders in the Rue Morgue, the first real detective story. Bret Harte is here as is E W Hornung, creator of master thief Raffles. Naturally, Wilkie Collins couldn't be left behind. Michael Sims's new collection reveals the fascinating and entertaining youth of what would mature into the most popular genre of the twentieth century.
