Marleau-Ponty Joseph M Labaki,2021-01-20 Maurice Merleau Ponty is the giant phenomenologist of his time in the entire French speaking world He is not an epistemologist nor a moralist For him the beginning of the beginning is human flesh the flesh becomes word the word becomes flesh and both die There is science and there is experience perception The mother is the latter They aren t contradictory but complete and depend on each other With regard to language for him there are words and there is grammar A word is never empty but carries its own weight even a lie is full of meaning Liberty resides in grammar an individual function and independent from books It s in the grammar where singularity lives Thinking and talking are the same Wherever there is human life there is meaning and that is irrespective of age culture religion education or social position Merleau Ponty is not a Marxist nor a communist According to him history is blind it has no mind He also finds a flaw in Freudianism Flesh is an infinite universe full of stars and black holes Following Merleau Ponty verity is dévoiler and dévoiler is verity but verity is never absolute One must take a step back There is light and there is shadow they never coincide in human life The shadow is always first and no matter how one tries to run he will never catch his shadow L'Art et les artistes ,1919 *Le Guide Musical* ,1913 *Études de Littérature Et D'art: sér.] Somalizer et la société précieuse. appearing and the auscultation of the transcendental affectivity of life This book locates some remarkable avenues through which the need to prepare the ground for a material aesthetic becomes urgent enough to be given attention In order to clear this path and take the first steps in the direction it leads the studies gathered here each in its own way are engaged in the study of the status of art in Michel Henry from the perspective of painting of course but also the fields of language literature dance architecture and music The collection is preceded by an essay by Michel Henry devoted to the painting of Pierre Magr
