Henry, 1999-01-25 Part 6 in a monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done *God, Revelation and Authority (Set of 6)* Carl F. H. Henry, 1999-01-25 A monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done **Forthcoming Books** Rose Army, 1996-06 **Aspects of Pentecostal Christianity in Zimbabwe** Lovemore Togarasei, 2018-07-13 This edited book offers an engaging portrait into a vital religious movement inside this southern Africa country It tells the story of a community of faith that is often overlooked in the region The authors include leading scholars of religion theology and politics from Botswana and Zimbabwe The insights they present will help readers understand the place of Pentecostal Christianity in this land of many religions The chapters detail a history of the movement from its inception to the present Chapters focus on specific Pentecostal churches general doctrine of the movement and the movement s contribution to the country The writing is deeply informed and features deep historical theological and sociological analysis throughout Readers will also learn about the socio political and economic relevance of the faith in Zimbabwe as well as the theoretical and methodological implications raised by the Pentecostalisation of society The volume will serve as a resource book both for teaching and for those doing research on various aspects of the Zimbabwean society past present and future It will be a good resource for those in schools and university and college departments of religious studies theology history politics sociology social anthropology and related studies Over and above academic and research readers the book will also be very useful to government policy makers non governmental organizations and civic societies who have the Church as an important stakeholder *The Publishers' Trade List Annual* , 1985 *NIV, New Spirit-Filled Life Bible* Thomas Nelson, 2014-05-13 Find the Holy Spirit throughout the Bible Jack Hayford founding pastor of The Church on the Way has led a team of anointed scholars to produce the New Spirit Filled Life Bible This outstanding resource offers a fresh look at the Scriptures and the work of the Holy Spirit This Bible addresses important issues of Spirit filled living in the context of solid biblical scholarship Features include Kingdom Dynamics 41 themes throughout the Bible that give us values as we advance the gospel throughout the world Word Wealth More than 550 key terms defined and brought to life pulling the language from the original Greek and Hebrew into everyday English Truth In Action Charts with practical application from every book of the Bible Detailed book introductions Verse by verse study notes Spirit Filled Life Bibles sold to date More than 2 million **The Encyclopedia of Practical Christianity** Robert A. Morey, 2003-11 What does God want you to know be and do as an individual family church and nation This question occupies the Bible from Genesis to Revelation Indeed you could divide all the verses in the Bible into four groups These are verses that address Individual Families Churches Nations **The Doctrine of the Holy Spirit** Yacob Godebo, 2025-07-03 The Scriptures teach the church that in biblical times the coming of

the Holy Spirit equally entailed objective gift of divine reality and subjective experience of his presence gifts and works There was objective pouring out and imparting of the Holy Spirit from the divine side and subjective experiential demonstration from the receivers side which resulted from the gifts endowed and power imparted along with the Holy Spirit Having given them either verbally uttered or visibly performed gifts the Holy Spirit then moved believers towards practical demonstration through subjective experience Believers subjective experience took place only as a result of the objective gift of the Holy Spirit and the resulting endowment and empowerment Thus in the objective content of his manifestation the Holy Spirit is the objective gift of God to indwell his people In the subjective content of his manifestation the Holy Spirit endows people with audibly uttered or visibly performed gifts The subjective experience of the Holy Spirit s presence therefore is an original theological input from God just like the objective impartation of the Holy Spirit Practitioners were just objects of divine purpose and their subjective experience was divine provided and divine initiated genuine experience beyond their consciousness and calculation Reception of the Holy Spirit therefore means equally an experience of his presence gifts power and works in the church and in with and through believers from Hosanna to Maranatha Conversations with Scripture

C.K. Robertson,2010-09-01 As Luke s sequel the Acts of the Apostles serve as an ideal bridge between the four Gospels and the Epistles revealing a crucial part of the Christian story Here we follow the story of Jesus earliest followers from their call to be his witnesses to the ends of the earth through their initial days of concord and numerical successes to the challenges they faced as unfamiliar newcomers entered the scene We discover the leadership changes that resulted from these challenges explore a council s response to the struggles and meet the champion who against the odds became the Church s chief protagonist Author C K Robertson presents a well researched yet highly readable exploration of the Acts of the Apostles

Semanatorul (The Sower), Volume One, Number Two Hamilton Moore,Ilie Soritau,Adrian Giorgiov,2019-02-19 About the Theology Journal This is the second issue of Volume 1 of Sem n torul The Sower The Emanuel Journal of Ministry and Biblical Research It contains the proceedings of the Bi Annual International Theological Conference This was held in Emanuel University Oradea in November 2016 The title of the Conference was Aspects of Missiological and Theological Thought Challenges in the Twenty First Century The papers presented include some given in person by various colleagues of the Emanuel Faculty others were given via Skype or by invitation We are grateful for the commitment of members of the Emanuel faculty the collaboration of Emanuel University Press the Emanuel Ethics and Society Research Centre We are also grateful for the contribution of distinguished colleagues from the Irish Baptist College and the Southern Baptist Theological Seminary This second issue includes a range of papers on Aspects of Mission and Theological thought The Journal opens with a paper on modern definitions of mission and a focus on Paul as a missionary apostle It discusses his motivation strategy and the mission churches he founded in Ephesus and Crete The paper on the Eucharist in Romanian perspective reminds us that the celebration of the Lord s Supper is memorial in character It brings blessing through comprehending the risen Christ by

faith It also provides an opportunity for a visible act of proclamation of the Lord's death Theology Journal Papers Other papers in the theology journal focus upon Andrew Fuller Secretary of the Baptist Missionary Society in 1792 His theological perspective made such an impact on missionary thinking in the nineteenth century The life and work of Rodger Williams is examined until his work on Rhode Island One paper considers Alexander Carson's use of the theme of the atonement as an apologetic tool The essence of Carson's argument is that the uniqueness of the Gospel with its focus on the atonement could never have been worked out by the human mind demonstrates the truth of God's existence There are further papers on Melchizedek with a particular emphasis of his relation to the pre-existent Christ Plus a study of the doxologies of 1 Timothy setting out Paul's various reasons for including them in his letter They would challenge the heretical teachings in Ephesus and particularly provide the believers with a true understanding of the only true God Moreover they would deeply influence their lives and lead them to witness and truly worship him A further paper on the centrifugal and centripetal aspects of mission presents us with a challenge for reaching this generation I hope the Proceedings Papers on Mission and Theology will challenge all who read them Of course it should be understood that the views presented remain those of the contributors
