## **Pentecostal Experience The Writings Of Donald Gee:**

**Pentecostal Experience** Donald Gee, David A. Womack, 1993 *The Fruit of the Spirit, Revised Edition* Donald Gee, 2012-01-01 Here is a refreshing look at the fruit of the Spirit from a uniquely Pentecostal perspective Gee's easy to read style takes you through all nine love joy peace patience kindness goodness faithfulness gentleness and self control describing in practical terms what each one looks like in the daily life of a believer You truly experience a transformed life marked by love joy peace and all the fruit of the Spirit Gee's wise and encouraging insight will show you the way NIV **The Fruit of the Spirit** Donald Gee, 2012-02-27 Donald Gee an early leader in the Pentecostal movement in Britain examines biblical teaching on the fruit of the spirit contending that when the Holy Spirit controls our lives he will produce evidences that correspond to the Bible's enumeration *The Theosis of the Body of Christ* Jonathan Black, 2020-04-06 In *The Theosis of the Body of Christ* From the early British Apostolics to a Pentecostal Trinitarian Ecclesiology Jonathan Black builds on the ecclesiology of one of the UK's original Pentecostal movements the Apostolic Church demonstrating the connection between ecclesiology and the Pentecostal distinctive of the baptism in the Holy Spirit These early British Pentecostals were not naive fundamentalists with the addition of a few Pentecostal distinctives but rather engaged in significant theological reflexion rooted in Trinitarian theology resulting in a theology of theosis which resonates in many ways with the Great Tradition yet is held together with a forensic Reformation approach to justification This approach then opens new possibilities in understanding the theological nature of the Pentecostal baptism in the Spirit **Pentecostal and Postmodern Hermeneutics** Bradley Truman Noel, 2010-01-29 *Pentecostal and Postmodern Hermeneutics* seeks to explore the relationship between Pentecostal hermeneutics and Pentecostalism's ability to connect with and evangelize North American youth As a Postmodern ethos makes its presence increasingly felt in the Western world no Christian movement should be better positioned to bring the message of Christ to youth and young adults eager to experience the God of miracles and wonders Recent trends in Pentecostal hermeneutics however may actually make the task more difficult No historical movement has thrived in the long term that has not carefully considered the place of youth and young adults in the vision for the future While Pentecostalism has been at the forefront of youth ministry in the last several decades we must also connect Pentecostal academia with evangelism efforts among youth and young adults This work calls Pentecostal scholars to thoughtfully consider the implications of their work for future generations **Concerning Spiritual Gifts** Donald Gee, 1980 Explores the supernatural works experienced in the Early Church and defends the premise that the Bible is inspired Word of God Spirit Baptism David Perry, 2017-07-31 The Pentecostal experience of Spirit baptism remains an important topic of discussion more than a century after the inception of the Pentecostal movement In *Spirit Baptism* The Pentecostal Experience in Theological Focus David Perry moves beyond traditional debates by focusing on the meaning and function of the experience within the Pentecostal community Grounded in the Pentecostal experience itself he explores the meaning of

the experience in terms of its cognitive effective constitutive and communicative function He demonstrates the enduring value of the experience of Spirit baptism to the Pentecostal community and emphasises what is centrally important a powerful and transformative encounter with the Holy Spirit      **The Practice of Prophecy** Li Ming Dennis Lum, 2018-03-26

The charisma of prophecy is found throughout the history of the global Pentecostal movement Within the movement prophecy is seen as the communication of an inspired spontaneous revelation bringing edification to the faith community Despite its prevalence academic research has mostly focused on the biblical theological aspect neglecting the actual contemporary practice This book addresses this gap with a study on the practice of prophecy within the Assemblies of God of Singapore The book investigates the nature purpose and significance of the phenomenon It also identifies theological variables that are correlated with its practice and explicates these relationships The investigation employs the empirical theological method of Johannes van der Ven utilizing both a qualitative and a quantitative study The results provide a rich description of the actual reception delivery and judging of prophecy Significant findings include relationships between prophecy and courage love personality types prayer types and evangelism      Spirit of the Last Days Peter Althouse, 2003-10-01

Early Pentecostals proclaimed the restoration of the charismatic gifts as a sign of the imminent coming of Christ This eschatology was later marginalized by the rise of fundamentalist dispensationalism Today Pentecostal eschatology is being revised to include a more transformative view of the kingdom This book proposes a further revision of Pentecostal eschatology created to recover prophetic elements of early Pentecostalism that invite a responsible social engagement in the world and to overcome fundamentalist assumptions which have crept into Pentecostal theology in its middle years To this end the eschatological thought of selected Pentecostal theologians is placed in dialogue with Jurgen Moltmann This dialogue critiques fundamentalist tendencies within contemporary Pentecostalism by advocating a theology more open to history and creation and a Pentecostal ethic both personal and social in scope      **Organix** Bob Whitesel, 2011-11-01

Does your leadership style fit new ways of doing church leadership that is organic and elastic and that finds ways to seize God given opportunities Looking back and drawing on the ancient Christian tradition Bob Whitesel describes seven traits for successful leadership which he characterizes by seven symbols O the Greek symbol theta the first letter of the Greek word theos stresses that God is the source of the burden for others and provides the power to help them Rx the medical prescription symbol an emphasis on addressing the spiritual and physical health of leaders G a stylized G for graffiti the edgy colorful and artful collages that help define contemporary organizations A inspired by the recycle symbol the idea of recycling places experiences and people rather than discarding them N emerging networks that connect people more quickly efficiently precisely and continuously I an emphasis on incarnation a going in the flesh to serve others rather than sending surrogates X the Jerusalem cross with a number in each quadrant four types of measurement observed in Jerusalem Acts 2 42 47 which at their core point to Christ's work on the cross Taken together these

symbols spell out the word organix and represent a fundamentally new way to think about your church and how you can best lead

*Full Gospel, Fractured Minds?* Rick M. Nañez, 2010-02-23 Do you sometimes feel you have to check your intellect at the church door leaving reason behind to embrace the Christian faith Do you hunger for a full gospel that includes the mind as well as heart and Spirit Full Gospel Fractured Minds challenges charismatic and Pentecostal believers to discover the power of a well maintained mind a mind on fire to match a heart on fire and to create a life that operates within the full counsel of God Na ez shows how human reason helps us understand and interpret God s Word as well as defend the gospel He shows what the Bible teaches about the mind and explores the backgrounds of nineteenth century and modern culture anti intellectualism Pentecostal history and beliefs and popular misconceptions about human intellect in relation to the Christian faith Full Gospel Fractured Minds helps men and women practice a Christian faith that reflects the whole person and the full gospel Rick Na ez calls Pentecostals and charismatics to seek a balance between mind and Spirit This book will stir you to seek all that God has for you From the Foreword by Stanley M Horton PhD

**Hearing God's Voice: Towards a Theology of Contemporary Pentecostal Revelatory Experience** Tania M. Harris, 2023-09-25 The revelatory experience or in common parlance hearing God's voice is prized by Pentecostal Charismatic Christians for its contribution to spirituality yet remains one of the most problematic areas of church life Theological tensions and pastoral fallout have plagued the experience since the time of the New Testament Drawing on the tools of practical theology this book presents the findings of a unique and ground breaking study among Australian Pentecostals With a theological framework modelled on New Testament practice and undergirded by the accountability of the local church many of the problems associated with revelatory experience can be addressed and the experience fully harnessed for kingdom purpose

**Pentecostalism, Secularism, and Post Christendom** Bradley Truman Noel, 2015-12-14 If only we were a Christian country again Christians particularly those in the West often lament their loss of influence in modern politics and culture It seems that everywhere one turns Christendom in the West is dealt another blow with Christian reactions ranging from withdrawal and entrenchment to cries of persecution and talks of organized resistance Pentecostalism Secularism and Post Christendom seeks to address these concerns via an examination of Classical North American Pentecostalism as it wrestles with the very real challenges posed by the increasing post Christian ethos of Western culture In addition to providing a number of concrete steps Pentecostals may take in their efforts to better understand and connect with modern culture this work will argue that counter intuitively the death of Christendom if properly addressed may in fact herald the arrival of the

Church's finest hour      **A Pentecostal Commentary on the Pastoral Epistles** William K. Kay, John R. L.

Moxon, 2022-06-16 The Pastoral Epistles throw light on the early days of the church and the final phase of Paul's life. This commentary scrutinizes the biblical text while attending to the missional, pastoral, and spiritual challenges facing the worldwide Pentecostal and charismatic or renewalist movement. It is written for today's church without ignoring scholarly literature and cultural perspectives. The ministry of women, the appointment of elders, prophecy, church governance, living as a Christian in the Roman Empire, the end times, charismatic gifts, spiritual warfare, slavery, and ordination all feature.      *The Holy Spirit, An Introduction* David Petts, 2015-08-15 In this easily readable book, Dr. David Petts answers questions like: Who is the Holy Spirit? Should we worship the Holy Spirit? What is the blasphemy against the Holy Spirit? What role does the Spirit play in the work of conversion? Can the Holy Spirit help me live a holy life? What is the Baptism in the Holy Spirit? How can I receive and maintain the fullness of the Spirit? What are the gifts of the Spirit, and how can I receive them? What's the role of the Holy Spirit in the life of the church? Written from a distinctly charismatic perspective, this book will both inform you and inspire you. The author's balanced approach, with his insistence that our experience of the Spirit must be understood and evaluated in the light of biblical revelation, gives the reader confidence that the writer is familiar with the Holy Spirit's work not only from his study of the Word of God but also from personal experience.
