History's People Margaret MacMillan, 2015-09-08 Part of the CBC Massey Lectures Series In History's People internationally acclaimed historian Margaret MacMillan gives her own personal selection of figures of the past women and men some famous and some little known who stand out for her Some have changed the course of history and even directed the currents of their times Others are memorable for being risk takers adventurers or observers She looks at the concept of leadership through Bismarck and the unification of Germany William Lyon MacKenzie King and the preservation of the Canadian Federation Franklin Delano Roosevelt and the bringing of a unified United States into the Second World War She also notes how leaders can make huge and often destructive mistakes as in the cases of Hitler Stalin and Thatcher Richard Nixon and Samuel de Champlain are examples of daring risk takers who stubbornly went their own ways often in defiance of their own societies Then there are the dreamers explorers and adventurers individuals like Fanny Parkes and Elizabeth Simcoe who manage to defy or ignore the constraints of their own societies Finally there are the observers such as Babur the first Mughal emperor of India and Victor Klemperer a Holocaust survivor who kept the notes and diaries that bring the past to life History's People

is about the important and complex relationship between biography and history individuals and their times *Daily Report, Foreign Radio Broadcasts* United States. Central Intelligence Agency,1962 *Quest for Status* Deborah Welch Larson,Alexei Shevchenko,2019-01-01 A look at how the desire to improve international status affects Russia s and China s foreign policies Deborah Welch Larson and Alexei Shevchenko argue that the desire for world status plays a key role in shaping the foreign policies of China and Russia Applying social identity theory the idea that individuals derive part of their identity from larger communities to nations they contend that China and Russia have used various modes of emulation competition and creativity to gain recognition from other countries and thus validate their respective identities To make this argument they analyze numerous cases including Catherine the Great s attempts to westernize Russia China s identity crises in the nineteenth century and both countries responses to the end of the Cold War The authors employ a multifaceted method of measuring status factoring in influence and inclusion in multinational organizations military clout and cultural sway among other considerations Combined with historical precedent this socio psychological approach helps explain current trends in Russian and Chinese foreign policy *Soviet Political Treaties and Violations* United States.
