Stanzas of Service Michael Clark, 2024 Stanzas of Service Reflections from a Soldier's Heart is a compelling collection of 68 poems that traverse the emotional landscape of military service with the introspective depth of a combat medic's perspective Each poem is a lyrical reflection on what it is to be a medic strength and vulnerability chaos and calm despair and hope The anthology encapsulates the raw essence of duty and the silent courage that underpins the soldier's life while also touching on the healing roles they play beyond the battlefield With themes of sacrifice and growth the poems offer a bridge for readers to the inner sanctum of a soldier's experiences This collection is a profound ode to service capturing the

indomitable spirit of those who serve and the enduring impact of their journey **A Life Lived Backwards** Mark T. Creaven, 2017-02-10 Mental health professionals are just starting to talk about and treat the long term effects of the trauma that emergency workers emergency medical technicians fire fighters first responders emergency room personnel live with every day Advanced Emergency Medical Technician AEMT Mark Creaven s therapy has been writing poetry And he writes good poetry at times lyrical at times harsh and painfully evocative always honest Mark s poetry is not just about the things he s seen in his long career as a first responder As he says When you re not in an ambulance you still have your life to live Loves and losses deaths and births The result is an intimate chronicle of one man s life and of the way of life in a vanishing corner of rural New England where life is as harsh as the winters This is poetry that will speak to emergency workers everywhere and to any man who has reached late middle age carrying his own burdens of love loss and loneliness Critical Acclaim for A Life Lived Backwards Mark Creaven s new collection of poems A Life Lived Backwards is a starkly lyrical memorial of the harshness of life in the last rural frontier of Vermont known as the Northeast Kingdom As an emergency medical technician a friend a neighbor and a caring human being Mr Creaven has seen it all suicide unspeakable highway wrecks family violence livelihoods going up in flames along with house and barns Yet in the end A Life Lived Backwards is a tribute to our ability through love not just to endure but to transcend just about the worst horrors imaginable Howard Frank Mosher Vermont author Shelley wrote in 1821 In a time of violence the task of poetry is in some way to reconcile us to our world and to allow us a measure of tenderness and grace with which to exist Creaven s work A Life Lived Backwards offers the reader such grace creating something from the proverbial nothing of life s lacunae in compassion juxtaposed with indifference Nearly two hundred years after Shelley s A Defence of Poetry Creaven s words hold lyrical ground offering fragile fortitude and tender tenuous redemption Neila Descelles clinical psychologist Through a full and honorable life that has included service in the military mental health and emergency medical services Mark Creaven has seen more than his share of the suffering death and loss that most people carefully protect themselves from experiencing In the first chapter of A Life Lived Backwards he gives the reader a rare glimpse into the occasional joy and frequent trauma experienced by emergency workers As an EMS and ER veteran I have become perhaps too numb to traumatic scenes but the jarring imagery of Creaven s poems ripped off my protective layers and lay bare my own unhealed wounds The concise evocative and emotionally difficult poems serve their purpose to reader and perhaps writer Someone must treat the dead and dying and these heroes bear a heavy burden for society The subsequent chapters contain some lighter passages but continue the theme of devastating loss still painful to read and effectively exposing my own fears and losses There is no refuge here from the reality that people and things die suffering happens buildings rot and burn relationships fail and we all die alone in some sense Whether redemption is found is up to the reader but Mark Creaven s important work gives voice to the traumas that fill sleepless nights of millions Paul Newton M D M M M F A A F P **Reflections of War** Eddie Morales, 2017-07-30 A soldier lives in fear for their life day
