Meade, 2016-07-22 A GREAT MISFORTUNE It was an intensely hot July day not a cloud appeared in the high blue vault of the sky the trees the flowers the grasses were all motionless for not even the gentlest zephyr of a breeze was abroad the whole world seemed lapped in a sort of drowsy hot languorous slumber Even the flowers bowed their heads a little weariedly and the birds after a time ceased singing and got into the coolest and most shady parts of the great forest trees There they sat and talked to one another of the glorious weather for they liked the heat although it made them too lazy to sing      *The Children of Wilton Chase* L. account of the exercise of power during the New Deal and its aftermath He shows how these men were at the nexus of reform impulses at the electoral level with reform thinking in the social sciences and the law and explains how this potent fusion helped build the contemporary American state Since that time efforts to reinvent government by brains trust have largely failed in the U S In the last quarter of the twentieth century American politics ceased to function as a blend of broad coalition building and reform agenda setting rooted in a consensus of belief in the efficacy of modern government Can a progressive coalition of ideas and power come together again The Fall of the House of Roosevelt makes such a prospect both alluring and daunting
