Effectiveness Surinder Deol, 2007 Authentic Personal Development Systematically Demonstrates How You Can Realize Your Latent Potential For Effectiveness Which Is Your Ability To Positively Impact Your Personal Or Professional Environment Drawing From A Vast Reservoir Of Both Modern Western Psychological Thinking And Spiritual Wisdom Of The East Surinder Deol Presents A Clear Cut Map For Integral Development That Encompasses Physical Emotional Mental And Spiritual Facets Of Being As The Map Itself Is Based On The Chakra System That Has Been Successfully Used In India For At Least 3 000 Years It Has Rock Solid Authenticity And Reliability A Clear Introduction To Integral Theory Warmly Personalized By Wisdom And Life Experience A Very Generous Offering I Hope Many People Will Benefit From It Fred Kofman Ph D Author Conscious Business Is Wise And Thoughtful With Practical Advice On Integral Transformation John Records JdAuthor Remember Who You Are *The Power of the Pitch* Gary Hankins, 2005-01-01 The tools to inform persuade entertain an audience of any size and to ultimately win more business From informal luncheons to formal meetings before selection committees more than one million business presentations are given in the United States every working day Unfortunately very few efforts succeed primarily because the professionals making them don't place a premium on the real power of the presentation the pitch that will win the business Instead they get hung up on writing proposals or creating PowerPoint slides The ability to powerfully present oneself can be many times more valuable than technical knowledge and experience according to training expert Gary Hankins For the first time he has outlined his proprietary formula that will virtually guarantee success for sales marketing advertising and public relations professionals and executives at all levels The Power of the Pitch shows readers how to incorporate into their own presentations the same techniques and strategies Hankins and his team use to coach thousands of professionals in a variety of industries Examples include Vital steps to be taken before and after every presentation How to get prospects to like the presenter within the critical first 30 seconds of a presentation A powerful way to organize the content of any presentation Ways to grab an audience keep their attention and leave them wanting more Tips on effectively using technology such as Web conferencing videoconferencing and teleconferencing Unlike most communication books The Power of the Pitch provides a comprehensive time tested formula for successful presentations that can be followed from the moment the appointment is made until the prospect says yes Also included is a list of books newsletters Web sites and downloads that will aid in creating increasingly more successful pitches *Organisational Behaviour* S. Fayyaz Ahmad, Nazir Ahmad Gilkar & Javid Ahmad Darzi, 2008 In order to be effective modern complex organizations require leadership at all levels which is capable of realising the creative potential of their people towards the attainment of common goals Organizational Behaviour a subject based on scientific research and applied orientation helps managers and members of organizations to understand develop and utilize this tremendous human potential It is now a widely accepted fact that mere possession of technical and administrative skills is not sufficient for leadership success As such the managers of the third millennium have started realising that emotions and attitudes of people are as important in determining the organizational

success as their technical skills and knowledge. Thus organizations have started selecting employees based on emotional quotient EQ and positive attitudes. The book provides an insight into the subject of organizational behaviour along with cases interweaving them with relevant examples and real happenings. Divided into 15 sections it covers all the major concepts and principles of management organization theory and organizational behaviour taking care of both the traditional and transitional viewpoints. It presents cases developed and collected from various sources and follows a student friendly approach. Various concepts in the book have been explained in real Indian perspective to help readers get a practical understanding of the conceptual issues. The book is rich in diagrams tables and illustrations. The language and style have been kept simple to facilitate easy understanding by the readers. A variety of questions like descriptive applied orientation and objective type included in the book is one of its distinctive features. This book fulfils the needs of students of MBA MFC M Com BBM BBA MHRM Sociology and Management Studies.
