How People Change Timothy S. Lane, Paul David Tripp, David Powlison, 2007-01-28 What does it take for lasting change to take root in your life If you've ever tried failed and wondered why you need *How People Change* This book explains the biblical pattern for change in a clear practical way you can apply to the challenges of daily life [Bibliography on Religion and Mental Health, 1960-1964](#) National Clearinghouse for Mental Health Information (U.S.), 1967

Assessment for Counseling in Christian Perspective Stephen P. Greggo, 2019-03-19 Assessment in counseling is an ongoing and dynamic routine to encourage movement in a productive direction toward what is truly best In this Christian perspective on assessment Stephen P Greggo equips counselors to put assessment techniques into practical use charting a course for care that brings best practices of the profession together with practices of Christian discipleship [Public Health Service Publication](#), 1967

Leaving Christian Fundamentalism and the Reconstruction of Identity Josie McSkimming, 2016-10-04 There is an increasing interest in the influence of religious fundamentalism upon people's motivation identity and decision making *Leaving Christian Fundamentalism and the Reconstruction of Identity* details the stories of those who have left Christian fundamentalist churches and how they change after they have left It considers how the previous fundamentalist identity is shaped by aspects of church teaching and discipline that are less authoritarian and coercive and more subtle and widely spread throughout the church body That is individuals are understood as not only subject to a form of judgment but also exercise it with everyone seemingly complicit in maintaining the stability of the church organisation This book provocatively illustrates that the reasons for leaving an evangelical Christian church may be less about what happens outside the church in terms of the lures and attractions of the secular world and more about the experience within the community itself

Christian Counseling and Occultism (Koch) Kurt E. Koch, 1965 *Climate Change and Mental Health Equity* Rhonda J. Moore, 2024-07-18 Climate change is a driver of poverty poor mental health inequity and increased intersectional vulnerability with significant differential global impacts on individual and community health and well being For example people living in low resource settings in high income countries HICs and in low and middle income countries LMICs are at greater risk often experiencing fragile socioeconomic political and health infrastructures and conflict affected settings FCAS that place them at greater risk and vulnerabilities to climate change related mental health impacts The broad goal of this book is to place a social justice and inclusive lens on climate change and mental health equity focusing on these three key elements people place and community The book includes perspectives from the global North the global South and Indigenous perspectives to help provide greater insight into how we can better understand climate change and mental health equity across peoples place and community This book's three pronged approach will focus on certain trends in this emerging and growing field also bridging some of the more extensive gaps and is a tool for better understanding how mental health disparities might be addressed at this time
