*A Ray of Hope* Shirly Comick, 2008-10-29 There is no available information at this time *Ray of Hope* Rachel J. Moore, 2020-04-02 Bridget Mathers could swear her love life ran slower than the wi fi connection in her dentist s office and that in and of itself was already an impressive feat But she didn t mind Patience she had trained her mind to remember God had his plans and God had his time Even so sometimes she still couldn t suppress the twinge of disappointment she felt over the emptiness of her apartment when she headed home at night At least until Theo Noyes came around Theo came around and left Bridget hoping because hoping was all she could really afford to do as an employee of his dentist Torn between pursuing her first chance at love and the strictly bound regulations against dating in the office Bridget only dares hope The two take their chances anyways but an unexpected accident has them both holding on not just to each other but also their relationship with God This is a standalone short story with HEA ending **Ray of Hope** Bassmah AlTaher, 2013-10-28 Jake Draker a young boy at the age of fourteen experiences life s threatening challenges when his mother is suddenly struck with illness and is diagnosed in Adeno carcinoma a type of lung cancer Jake feels alone torn between fate and his dreams as he watches his mother lying somewhere between life and death Her wish was to see her parents in England before she starts with the Chemotherapy So they go on board the Rosanna ship and there Jake meets Hope a young girl his age Suddenly a tornado hits the ship and the two kids are cast overboard Lost in a death gripping fog their rescue seemed far from reach With only a little rubber boat to keep them floating on the icy cold water Hope opens a door of her past to Jake where she learned how to never give up hope and to always have faith Jake learns from her a valuable lesson but it seemed that the lesson he learned from her was going to change his life forever But Hope lost her life during a shark attack making the waters of the ocean an ever lasting memorial of her In return of Jake s tragic loss his mother is miraculously recovered from her cancer after her treatment and as for Jake he forever hears Hope s words of wisdom ring through his ears Truly it is a tale of a young boy who suffered a terrifying escape through life and thought that the light of Hope would never shine upon him again *A Ray of Hope, A Whispered Prayer, A Starlit Night Says God's Still There* Kenneth Wallace White, 2011-01-06 Today I am writing about my book I hope I don t give myself too much credit forgetting God who is the true author of my book and the captain of my ship I thank God because He literally saved my life And I dedicate this book to Him After I reread my book I realized that it wasn t all my words but God speaking through me I hope you will enjoy reading my book and pray for me that I will be the writer that He will be proud of **Ray of Hope** Martin Giovannini, Kathie Chambers, 2013 What you are about to read is testimony from a family and a testament to family Ray of Hope A Family Remembers is about family hope and at its heart a love story between mother and son After Kathie s son Raymond the middle of five children died of melanoma cancer at the age of thirty six she was devastated Shortly after Ray began communicating with her through automatic handwriting an uneasy transition for some but a natural one for Kathie a seasoned teacher of meditation and

metaphysics Through his automatic handwriting Ray often spoke of his joyous life on the other side studying traveling many universes using his ability to be in multiple places simultaneously but mostly he spoke of his love of and communication with his family Ray of Hope A Family Remembers is also about a parent and a family coping with the loss of a loved one and their unique way of grieving according to their belief systems and support networks Ray s hopeful message that life continues after death encourages us to know appreciate and celebrate family Because life transcends our existence in this world and extends beyond our senses we can continue to connect communicate and carry on our relationships And as Ray says It is wonderful
