

Razovsky At Peace

SJ Ball

Razovsky At Peace:

Hey, Crumbling Balcony! Stuart Ross, 2003-06-20 This book spans nearly 25 years in the career of one of Canada's most original poetic voices Poems are drawn from Stuart Ross s three ECW books as well as previously uncollected work from chapbooks postcards and leaflets and a selection of new poems appearing in print for the first time Small Press Racketeer Stuart Ross, 2005 Best Books of 2005 Ottawa XpressWriter's Trust of Canada's Warm Weather Reads Recommended by Writers list recommended by Robert Hough Confessions of a Small Press Racketeer is equal parts literary memoir advice for the emerging writer and reckless tirade Ross has been active in the Canadian literary underground for a guarter of a century he s sold thousands of his books in the streets published and edited magazines trained insurgents in his Poetry Boot Camps and started Canada's first Small Press Book Fair Where the media focusses only on the glamorous literary lives of its few superstars Ross gives us a glimpse into How Writers Really Live In Confessions he declares himself the King of Poetry explores his floundering Jewish identity wanders into the best bookstore in Canada offers a crash course in avoiding writing pisses off his publishers runs a renegade Canada booth at the International Book Fair in Managua and begs egomaniacal young writers to stop bugging the hell out of him Many of these essays are culled from Ross s bimonthly Hunkamooga column in Word Toronto s Literary Calendar Others are written specifically for this collection Praise for Confessions of a Small Press Racketeer From big budget movies to reality television to pre fab pop music our culture often celebrates idiots while relegating truly engaging artists to the margins or the poorhouse Ross is one of those mostly disenfranchised voices shouting eloquently from the literary attic Ross is a chapbook champion because the tiny tracts are a slap in the face to Mike Harris and Jean Chr tien and McDonald's and Knopf and MuchMusic and Greg Gatenby and cellphones and Republicans and Indigo and all the other stops along the Axis of Evil No reformed baby boomer or slumming trust funder Ross has the battle scars and knows poetry isn t about flowers and meadows it s about blood and guts Quill Quire Confessions derives from columns Ross wrote for Word a monthly tabloid that lists events in the Toronto literary counterculture but is itself so hard to find that it s virtually covert if not downright clandestine He ruminates on the psychology of small press folk suggesting common ground with those who canvass for a progressive political candidate who has no chance of winning the riding He also tells us a lot about the political economy of self employed poets as well as the personality disorders that result from seeing crappier writers than me get more attention All writers have such feelings at times Ross majors in them with a minor in insulting his betters The Georgia Straight this is writing that works because as with all good confessions it s from the heart but comes by way of the brain Vancouver Review **Pockets** Stuart Ross, 2017-10-03 A fragmented surrealist novel of loss nostalgia and childhood secrets from the award winning poet and author of A Sparrow Came Down Resplendent A wonderful dream and a horrific nightmare a fuzzy consciousness of pain and family Pockets is a novel of fragments both literally and figuratively In a series of prose poem chapters the nameless narrator

in a largely Jewish 1960s suburb in the northern reaches of Toronto repeatedly enters the world as if for the first time His landscape is one of bicycles with banana seats Red Skelton trilobite fossils and overwhelming loss Among shadows that both comfort and threaten a brother who drifts through the sky he finds his narrative full of pockets of emptiness he can t help but try to fill A heartbreakingly personal and brilliantly evocative work Pockets redefines the novel delivering infinite scope in something diminutive and pocket sized It is a work to be read and reread for its poetic beauty and hidden gems of revelation

The Book of Grief and Hamburgers Stuart Ross, 2022-04-05 A poignant meditation on mortality from a beloved Canadian poet A writer friend once pointed out that whenever Stuart Ross got close to something heavy and real in a poem a hamburger would inevitably appear for comic relief In this hybrid essay memoir poetic meditation Ross shoves aside the heaping plate of burgers to wrestle with what it means to grieve the people one loves and what it means to go on living in the face of an enormous accumulation of loss Written during the second wave of the COVID 19 pandemic shortly after the sudden death of his brother left him the last living member of his family and as a catastrophic diagnosis meant anticipating the death of his closest friend this meditation on mortality a kind of literary shiva is Ross s most personal book to date More than a catalogue of losses The Book of Grief and Hamburgers is a moving act of resistance against self annihilation and a desperate attempt to embrace all that was good in his relationships with those most dear to him The Sky Is a Sky in the Sky Stuart Ross, 2024-09-10 CBC BOOKS CANADIAN POETRY COLLECTIONS TO WATCH FOR IN FALL 2024 Imagining a vast blue expanse of what a poem might be The Sky Is a Sky in the Sky is a laboratory of poetic approaches and experiments It mines the personal and imaginary lives of Stuart Ross and portraits of his grief and internal torment while paying homage to many of the poet s literary heroes It contains new entries in Ross s ongoing Razovsky poems prose poems a remix of an entire poetry book by dear friend Nelson Ball a couple of collaborative poems some one line poems and lots more In an era of thematic poetry and conceptual poetry books this collection is a celebration of possibilities and miscellany Stuart Ross doesn t hold back happily for us In letting his poems go where they want to go sometimes by leaps and bounds he reminds us that poetic rules are meant to be broken and that the results in the hands of a skillful poet can be moving or amusing or subversive or exhilarating or all of the above His work brims with surprises From start to finish The Sky Is a Sky in the Sky is a delightful and thoroughly engaging book Charles North author of News Poetry and Poplars Poems Selected Prose Here we re invited to gawk at horror and kick it in the pants but also to notice the horror within us because we all have it and Ross doesn t shy away from the odd and uncomfortable He s easy with sentiment honest about grief clear about death being our final destination and behooves us mightily to enjoy it while we can This book contains some of Ross s greatest love songs for the dead as well as some sideways laments for the living in these poems we can see ourselves and our friendships our future losses and present mysteries examined with no preference or perfunctory reverence Each time I read Stuart Ross s work I feel grateful hopeful reminded to lift my skeleton up and enjoy the abundant wonders the world holds Gillian Wigmore author

of Orient Stuart Ross is one of the most important poets to have found himself somehow on planet Earth where readers have been rejoicing in his work for nearly six decades He makes it seem easy open your eyes your ears your heart look into the world and write However to do so with such unflinching candour many layered humour the deepest emotional intelligence and rarest lyric acumen No you have to be Stuart Ross to bring all of everything to bear upon being alive in one s time To rejoice is also to mourn of course and these poems are afraid to do neither Ross trusts poetry more than any of us so poetry trusts him back this book dazzles the very sunlight with what it knows including of the estrangements of the self upon which poetry so often insists and the fictitiousness of borders between the present and the past dream and not dream hilarity and grief Whoever you are including the laws of physics you will be startled and moved by The Sky Is a Sky in the Sky At times a momentarily posthumous point of view propels the poems but do not grieve or do the book is immortal Lisa Fishman author of Mad World Mad Kings Mad Composition The Malahat Review, 2008 **The Journey Home** Joyce Antler, 2010-05-11 A unique positive collection of essays profiles a number of forgotten female Jewish leaders who played key roles in various American social and political movements from suffrage and birth control to civil rights and fair labor practices Razovsky and the American Jewish Women's Rescue Operations in the Second World War Bat-Ami Zucker, 2008 This book highlights Jewish women's activities in the 1930s and 1940s as they were reflected in one outstanding woman Cecilia Razovsky Her wide range of activities spanning more than fifty years and her outstanding devotion to assisting refugees and refugee children reveal her as a woman who dedicated her personal life and her professional skills to the Jewish people Without doubt she stands as a representative for the thousands of anonymous American Jewish women who made a difference The book is based on primary sources The Jewish American campaign for the European refugees before and during the Second World War is commonly perceived as having been spearheaded by male leaders Stephen Wise is the most familiar and outstanding figure among them other frequently mentioned personalities include Cyrus Adler Herbert Lehman Judge Joseph Proskauer Judge Julius Mack and Morris Troper Together these leaders have been credited for their efforts to persuade the Roosevelt administration to open US doors to Jewish refugees But although women too were deeply involved in Jewish community welfare projects they were seldom recognized for their activities and certainly were not accorded the attention they deserve in contemporary historiography In the tragic years before during and after the Second World War it was the vital role played by ordinary groups of Jewish women far from the spotlight and their mighty efforts to establish and maintain a firm organizational foundation that enabled the refugee workers to execute their goals The Moosehead <u>Dead Cars in Managua</u> Stuart Ross, 2008 Stuart Ross s sixth poetry collection is both an experimental Anthology, 2003 departure for Ross and an offering of some of his most accurate surrealistic observations to date Gathering into one volume three discrete poetry projects an absurdist Baedeker of image driven prose poems about Managua accompanied by his original photos of decomposing cars a formally various sequence of personal narrative poems about the claustrophobic

spaces and amorphous moods of hospitals and a selection of cubist and abstract poems where Ross shows his experimental New York School cards like never before all of the poems in this book are touched by Ross s unique ability to dissolve our common sense understanding of the world and then distill a more potent truth from the remains of sense and reason **The Making of Modern Immigration** Patrick J. Hayes,2012-02-13 Combining the insight of two dozen expert contributors to examine key figures events and policies over 200 years of U S immigration history this work illuminates the foundations of the ethnic and socioeconomic makeup of our nation The two volume The Making of Modern Immigration An Encyclopedia of People and Ideas is organized around a series of four dozen in depth essays on specific aspects of American immigration history since the founding of the Republic This encyclopedia addresses the major historical themes and contemporary research trends related to U S immigration canvassing all the major policy endeavors on immigration in the last two centuries In addition to documenting immigration policy the contributors devote extensive attention to the historiography of immigration supplementing theories with cutting edge sociological data Not content with providing a comprehensive overview of immigration history however the work also offers probing investigations of key figures behind the ideas that have shaped the nation s self understanding Taken as a whole this seminal work lifts out the personalities and policies that surround the composition of America's national identity illuminating the past as a series of lessons for the future

Razovsky at Peace Stuart Ross, 2001 In his third major collection of poetry Stuart Ross blazes surprising new paths still showcasing his trademark humor surrealism and absurd take on the banal while also delving into darker more raw territory While once again challenging our perception of suburbia capitalism and hamburgers his trembling characters now stumble awkwardly into litter strewn rural landscapes emotional rapture and even terrified unadvisable love Ballots, Babies, and Banners of Peace Melissa R. Klapper, 2014-08-22 Ballots Babies and Banners of Peace explores the social and political activism of American Jewish women from approximately 1890 through World War II Written in an engaging style the book demonstrates that no history of the suffrage birth control or peace movements in the United States is complete without analyzing the impact of Jewish women's presence The volume is based on years of extensive primary source research in more than a dozen archives and hundreds of published primary sources many of which have previously never been seen Voluminous personal papers and institutional records paint a vivid picture of a world in which both middle class and working class American Jewish women were consistently and publicly engaged in all the major issues of their day and worked closely with their non Jewish counterparts on behalf of activist causes Page 4 of cover The Journal of Commonwealth **Literature** ,2002 One number each year includes Annual bibliography of Commonwealth literature 2001, **Quire Book Review Index** ,2002 **Book Review Digest** ,2002-08 Canadian Books in Print ,2003 Index de

Périodiques Canadiens ,2001 The Jewish Woman ,1921

Decoding Razovsky At Peace: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "Razovsky At Peace," a mesmerizing literary creation penned with a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book is central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
