Reaching Out To The Unchurched

Donald G Davis Sr

Reaching Out To The Unchurched:

Reaching Out to the Unchurched Douglas W. Johnson, 1983 *Do They Run When They See You Coming?* Jonathan McKee, 2004 This book educates youth workers and student leaders about teens that aren't making it to church for some reason or another and examines what they think of God of the church and of Christians. It goes further to explore the needs of these individuals, the subgroups they fit into, and the ministry methods they actually respond to.

The Courage to Be Protestant David F. Wells, 2008-04 It takes no courage to sign up as a Protestant. These words begin this bold new work, the culmination of David Wells's long-standing critique of the evangelical landscape. But to live as a true Protestant well that's another matter. This book is a jeremiad against new versions of evangelicalism, marketers and emergents, and a summons to return to the historic faith defined by the Reformation: *solas* grace, faith, and Scripture alone, and by a high regard for doctrine. Wells argues that historic classical evangelicalism is marked by doctrinal seriousness, as opposed to the new movements of the marketing church and the emergent church. He energetically confronts the marketing communities and their tendency to try to win parishioners as consumers rather than worshipers, advertising the most palatable environment rather than trusting the truth to be attractive. He takes particular issue with the most popular evangelical movement in recent years, the emergent church. Emergents, he says, are postmodern and postconservative and postfoundational, embracing a less absolute understanding of the authority of Scripture than traditionally held. *The Courage to Be Protestant* is a forceful argument for the courage to be faithful to what Christianity in its biblical forms has always stood for, thereby securing hope for the church's future.

Sunday School That Really Excels Steve Parr, 2013-06-13 Adult Sunday school can effectively increase the health of a church and foster community and spiritual formation among its participants. *Sunday School That Really Excels* is a revealing look at actual churches with adult fellowships that not only survive but thrive. No matter the setting or challenges facing your church, this book is highly encouraging and practical. Various authors contribute chapters that blend an illustration of an excellent existing Sunday school ministry with scriptural support and leadership principles to enhance your own church's ministry. Chapters are devoted to particular situations faced by many churches, such as Sunday school in a rural setting, on the heels of a crisis in a multicultural community, among transition to small groups, revitalizing a long-established ministry, and many others. Sunday school expert Steve Parr brings together lessons from the best of the best so that all Sunday school ministries can excel.

Sunday School That Really Works Steven R. Parr, 2013-12-10 For those who declare it doesn't work here is a book that can stimulate, encourage, and hopefully correct the problem that many churches and pastors have declared to be the problem. Many have prophesied the demise of Sunday school; however, in this resource, Steve Parr encourages the church to utilize a tool it has used for over a hundred years to be intentionally evangelistic. Fully inundated with proof that Sunday school can bring vitality to your church, *Sunday School that Works* aptly charges the church with reengaging its Great Commission using the tools that it has effectively.

[The Demise of Compassion](#) Donald G Davis Sr, 2011-08

Over the years our nation's value system has been disrupted. During the rise of our present generation and the birthing of a new generation, our nation's caring and compassion appear to have diminished. People are more concerned with their own self-preservation and self-worth. Careers have become the focal point of men and women alike. People have become self-centered, looking for the advancement of their cause, and unfortunately, it is at the expense of love and compassion. Why is compassion in our society on the decline? Dr. Donald Davis seeks to find the causes of and solutions to this decline in his study, *The Demise of Compassion: A Casualty of a Changing Culture*. In this study, Dr. Davis explores compassion versus culture, the essence of compassion, the challenges facing compassion, and the path that is leading to compassion's demise, the road to recovery. By utilizing over thirty years of pastoral experience with the thoughts of the leading experts on compassion, Dr. Davis provides a tough but fair look at what is happening in our modern society. Join Dr. Davis as he analyzes the trends in compassion today and shares simple, everyday ways that compassion can be restored in *The Demise of Compassion: A Casualty of a Changing Culture*.

In and Out of Church Steven M. Tipton, 2024-09-16 Why are so many Americans leaving church? Half no longer belong to a congregation. A quarter now say they are unchurched, up from one in six a decade ago and one in twelve a generation ago, led by more than a third of young adults. Where have they gone and what are they doing instead? What moves them? What should we make of it? What can we learn as well from those who have stayed or returned and from congregations that have sparked their continuing commitment or renewed participation? After decades of drift and several long years of grievous pandemic that shut church doors and crowded the internet, the time has come to weigh these questions more closely and answer them more carefully. We need to open a keener moral inquiry into the arc of spiritual change in America. We need to probe a thicker cultural account of intergenerational religious influence and inspiration that we practice today in forms of ritual action, sacred expression, and moral community that reach far beyond the pews. *In and Out of Church* tackles these tasks. It's a book voiced by spiritually attuned, morally articulate young adults adrift from the churches and temples of their childhood, yet immersed in currents of spiritual practice and imagination, now shifting the shape and course of American religion. In heartfelt dialogue with their baby boom parents, these Millennials ponder how and why they got here in terms that open up and deepen the spiritual, but not religious, story sketched by surveys of religious nones. This book brings these numbers to life and makes moral sense of this story of individuals leaving church by setting it within the larger cultural drama of modern, multiplex society and quicksilver selfhood in search of authentic fulfillment in caring community. It takes the reader inside a mushrooming megachurch in Silicon Valley and three thriving mainline congregations in Atlanta to see how they reach out to unchurched young adults and hold onto their own as they come of age by putting belonging before believing and behaving. They lift up spiritual experience above creed and code, and they challenge conventions of organized religion in ways that many spiritual and religious churchgoers have now come to embrace.

The Lutheran Witness, 1924 Extraordinary Leaders in Extraordinary Times: Unadorned clay pot messengers H. Stanley Wood, 2006. This book observes distinguishing traits of twenty-first century clergy who have left established churches that successfully reach unchurched people. It distills the results of a large-scale research project focused on successful pastors of newly developed churches in seven mainline denominations across the U.S. Drawn from clergy focus groups and a survey of more than 700 effective pastors, this study elucidates key leadership qualities that transcend denominational differences. Four experts: H. Stanley Wood, Carl S. Dudley, Darrell L. Guder, and Robert S. Hoyt interpret the data, placing the findings in the context of church history, current religious demographics, theories of leadership, and comparison with the FACT study, the largest study of worshipping communities ever undertaken. An extensive addendum provides profiles of successful new churches and denominational differences. **Sunday School That Really Responds** Steve R.

Parr, 2013-12-10. In this sequel to *Sunday School That Really Works*, Steve Parr explores twenty-four problems in organizing and teaching a Sunday school class. But he does more than present the problems; he provides practical and biblical wisdom on how the problems may be solved. **The Power of Vision** George Barna, 2009-01-02. In *The Power of Vision*, George Barna invites church leaders to discover the power of God's vision for ministry. Readers will learn how God has shared His vision throughout history, how vision is different than mission, common practices and beliefs that inhibit true vision, practical steps toward practicing God's unique vision for them, and ways to share and promote congregational ownership of the vision. Barna's word to all Christian leaders: Uncovering God's vision for your ministry is not an option. As Barna clearly states, "To minister authentically and authoritatively, you must first clarify your vision, then embrace it and make it the focus of your life's work and the heartbeat of your church. Vision is the insight God provides to instruct and direct our paths, a reflection of what God wants to accomplish through us in building His kingdom. With this clear picture from Him of where you are headed, your

chances of a successful journey are increased a thousandfold
