## Reaching To Heaven:

**Reaching to Heaven** James Van Praagh, 2009-10-01 James Van Praagh has touched the lives of millions through his extraordinary ability to communicate with the next world. Widely known through his regular appearances on NBC, his first book *Talking to Heaven* became an international bestseller. In *REACHING TO HEAVEN* Van Praagh takes us on a journey to show what happens at death, what the spirit world is like, how a soul chooses to be reborn, and how the process of reincarnation works. Through simple exercises and meditations, *REACHING TO HEAVEN* will help you to rediscover your true spiritual nature and achieve greater self-awareness and inner peace. **Reaching to Heaven** James Van Praagh, 1999

*Reaching Heaven* Brenda Poinsett, 2002 Lord, teach us to pray. Even the disciples had drive-by prayer, failing to take the time to pray as they knew they should. Christ is the perfect model for how we ought to structure a prayer life that will open heaven so God can respond to us. In *Reaching Heaven* Brenda Poinsett takes readers through four characteristics of Jesus' prayers: Withdrawal, Thanksgiving, Honesty, Intercession. *Reaching For the Heavens* Ahmed Musa, 2024-12-06 Journey back to the ancient plains of Shinar where humanity's ambition and unity soared to unparalleled heights only to be brought low by divine intervention. *Reaching for the Heavens: The Rise and Fall of Babel's Tower* unpacks the timeless story of the Tower of Babel, a tale of aspiration, rebellion, and divine sovereignty that has echoed across generations. Drawing from biblical narratives, historical context, and theological insights, this compelling book dives into the heart of one of humanity's most ambitious undertakings. Discover how a unified world sought to defy divine boundaries, building a monumental tower to make a name for themselves and reach the heavens. Explore the significance of their rebellion, the scattering of nations, and the creation of diverse languages which reshaped the trajectory of human history forever. With rich storytelling and profound reflections, this book uncovers the deeper lessons within Babel's rise and fall: The dangers of pride and collective arrogance, God's sovereignty over human endeavour, The beauty of diversity in God's redemptive plan. Whether you're a student of Scripture, a lover of ancient history, or someone seeking meaning in the complexities of modern unity and division, *Reaching for the Heavens* will challenge, inspire, and leave you marveling at the timeless truths woven into the fabric of this ancient story. Prepare to see Babel's legacy in a new light as you uncover what it means to truly reach for the heavens and why only by God's grace can humanity ever hope to succeed. *For The Tough Times* Max Lucado, 2008-12-30 When we feel that life is out of control, He is in control. When tragedy strikes, people desperately search for answers. Believers and unbelievers alike find themselves turning to God. Best-selling author and pastor Max Lucado points to the only real answer to tragedy and crisis: Prayer. ### **The Spiritual Journey of a Coptic Christian Brain Surgeon: Views and Reflections**

Ramsis F. Ghaly MD, 2018-11-09 Deeper and deeper as the human spirit roams with fascination unto Divinity Never enough roaming This is my eleventh book of Christianity and the human brain As a neurosurgeon for thirty years I have found unlimited bonds between the Christian Divinity and the human brain My neurosurgical humanity eagerly desires to explore Divinity Since my childhood goes back decades and is deeply rooted I meditate with my Christian brain searching for common understanding of spirituality in humanity It is hard to describe this through each book and I find myself seeking more Divine clarifications My meditation is achieved thorough reading the Holy Bible with my neurosurgical human brain I try to peel my deep thoughts layer by layer as if I am dissecting the human brain in neurosurgery in actual life The book touches on many timely aspects of our human life with personal spiritual views and poems The book consists of Twelve major Sections and each section ranges from 8 to 23 chapters with total of 137 chapters The main sections include My Christian Dreams in Neurosurgery Monasticism in My Life Mothers and Children Angels Living Human Brains and Spirituality Jesus Love The Persecuted Christ and Christ Followers Royalty and Heavens with Jesus Last Hours in humanity Spiritual Reflections Views and Poems Law and the Spirit Sacred Medicine and Patients Testimonials As a Coptic Christian from Egypt I was raised in keeping up with strong Christian Orthodox practice in daily living Perhaps the strength of the book is incorporating Jesus the Almighty God in everything I do not only in daily living but also with my patients in Neurosurgery practice There is a dire need of such a book especially in an era where Christianity continued to be persecuted worldwide and denied in a daily basis as evidenced through public restraining of Lord Jesus Christ in our daily life The human brain and Neurosurgery are in Jesus God as Christ the Lord is in human brain and Neurosurgery I hope for the reader to find spiritual

use of the book and a closer relationship to our Holy Trinity God the Father the Son and the Holy Spirit *The Gift of Grace* J A Russell,2014-11-06 With the coming of Vatican II in the early 1960s many Catholics experienced a renewal and deepening of faith For me this led also to a joyful experience of Gods healing power bringing with it an increased awareness of the work of grace within our everyday lives Gods grace transforms us for grace is Gods way of doing the impossible within us This book expresses something of the way we cooperate with God to receive the power of grace already ours through a life giving union in Jesus Christ and reflects on how throughout our lives we are dependent upon Him for the salvation of our souls

Ray,2023-08-10 Everything in the Bible and in the Catholic Church starts with the Book of Genesis The Greek word genesis means beginning and this inspired text reveals to us not only our origins but our purpose our meaning and God s plan for mankind Yet Genesis can be daunting especially given the scientific discoveries of the last few centuries Stephen K Ray author of Crossing the Tiber breaks down this sacred and profoundly influential book wrestling with the complex intersection of history and theology Thoroughly Catholic in his approach Ray is unafraid to draw from sources of all kinds from Jewish and Protestant commentaries from archaeology from geography and even from modern literature Genesis A Bible Study Guide and Commentary uncovers the excitement and drama of this ancient narrative so often ignored or misunderstood In Ray s reading the Book of Genesis is a shout of joy We can know where we came from We can know who we are We can know our destiny And we are not alone in the universe Thirukkural - Translation -Explanation: Prof. R. Venkatachalam,2015-08-12 Thiruvalluvar the author of the Tamil treatise Thirukkural is considered to have lived sometime between 3rd century BC and 1st century AD Thirukkural perhaps was a fitting reply to a host of conflicting and competing views that existed in Tamil speaking countries of the period on the right way of living family religion and governance supported by various religions that reached the Tamil soil as well as those of indigenous ones and by philosophers who accompanied traders from far off countries But unfortunately Thiruvalluvar himself did not give interpretation to his tersest couplets The interpretations presented in 13th century and earlier in spite of the noble intention and extraordinary scholarship of the interpreters I am afraid understated its universality Several centuries later claims and counterclaims were made by the proponents of different religions including Christianity and the latest from atheists I tried to remove the guise and achieved considerable success in

this attempt Fresh interpretations which I believe truthfully reflect the thought of Thiruvalluvar are provided in this book for nearly 360 couplets out of 1330 couplets This conviction stems from my fresh look at Thirukkural that successfully shed away all the contradictions and unacceptable and unviable constructs it had to live with through the earlier interpretation s Thirukkural consists of 133 chapters with 10 couplets in each chapter Each chapter is a life skill coaching material They show how to live a soul evolving life in the three arenas namely family work and love A soul which achieves full evolvment through numerous reincarnations reaches puthezhir ulagam celestial abode Thank you for buying this book Contact me if you may at prof\_venkat1947 yahoo co in
