Cool Things to Do If a Bully's Bugging You Catherine DePino, 2016-02-17 Cool Things to Do If a Bully's Bugging You 50 Classroom Activities to Help Elementary Students aims to help students facing bullying and other problems while they're actually experiencing them. The activities feature a multidisciplinary approach that encourages speaking, listening, reading, and writing activities to complement curricular goals in English language arts and social studies. Principals, teachers, and counselors will want to use this book in their bully prevention programs by involving children, parents, and the entire school family in their drive to create a bully-free school. The book includes classroom activities and also involves parents in the learning process by having them discuss bullying issues with their children in a Talk It Out section that concludes each chapter. Research shows that involving the bullied child, the home, and the school community has proven the most successful approach to helping kids remain bully-free. The book also includes kid-friendly quizzes to help reinforce the concepts covered in every chapter. Students and teachers alike will find the variety of activities in this book informative, kid-friendly, and best of all, enjoyable.

All About Maude - A High-Performance Logical Framework Manuel Clavel, Francisco Durán, Steven Eker, Patrick Lincoln, Narciso Martí-Oliet, José Meseguer, Carolyn Talcott, 2007-07-19 Maude is a language and system based on rewriting logic. In this comprehensive account, you'll discover how Maude and its formal tool environment can be used in three mutually reinforcing ways: as a declarative programming language, as an executable formal specification language, and as a formal verification system. Examples used throughout the book illustrate key concepts, features, and the many practical uses of Maude.
