Re-mem-bering the Body Scott W. Bullard, 2013-11-01 For centuries Baptists have regarded the Eucharist or Lord s Supper as merely symbolic rather than as sacramental Historically speaking Baptists have also participated in the practice of the Supper less frequently than other Christian groups all the while lodging complaints about a lack of ecclesial unity In response to these trends this book argues for a sacramental understanding of the Eucharist and focuses on the way in which the Eucharist conveys grace by drawing the church together as the body of Christ It focuses especially on the theology of James Wm McClendon Jr who was Baptist but nonetheless illustrated that through the Eucharist God re-members the church as the body of Christ Together with Lutheran theologian Robert Jenson and Catholic theologian Cardinal Henri de Lubac McClendon s work has had an enormous impact on contemporary free church discussions about the Supper and ecclesial unity In a final chapter therefore the study examines a number of contemporary Baptists dubbed the new Baptist sacramentalists These men and women are influenced by McClendon Jenson and de Lubac and they offer a fresh approach to the ongoing puzzle of the church s disunity through the Eucharist

Women in the Biblical World Elizabeth A. McCabe, 2011-03-15. Volume 2 of Women in the Biblical World. A Survey of Old and New Testament Perspectives encompasses the latest research in feminist biblical scholarship. New angles of interpretation and fresh perspectives regarding often overlooked biblical women will be gained from the pages of this volume. This volume focuses on such women as Tamar, Deborah, Manoa's wife, Queen Vashti, and Job's wife. Attention is also given to socio-historical backgrounds lurking behind the biblical text such as women in Greco-Roman education and syncretism in Ephesus, demonstrating how these backgrounds directly influenced the writings about women. Some emphasis on contemporary application is also stressed regarding problematic passages such as 1 Corinthians 11:2-16. This multi-faceted approach to women in the Bible will prove to be invigorating, refreshing, and enlightening for all to read.

Millennial Missionaries Katherine Dugan, 2019. Millennials in the U.S. have been characterized as uninterested in religion as defectors from religious institutions and as agnostic about the role of religious identity in their culture. Amid the rise of so-called "nones," though there has also been a countervailing trend: an increase in religious piety among some millennial Catholics. The Fellowship of Catholic University Students (FOCUS), which began evangelizing college students on American university campuses in 1998, hires recent college graduates to evangelize college students and promote an attractive and culturally savvy Catholicism. These millennial Catholics have personal relationships with Jesus, attend Mass daily, and know and defend papal teachings while also being immersed in U.S. popular culture. With their skinny jeans, devotional tattoos, and large framed glasses, FOCUS missionaries embody a hip, attractive style of Catholicism. They promote a faith that interweaves distinctly Catholic identity with outreach methods of twentieth-century evangelical Protestants and the anxieties of middle-class emerging adulthood. Though this new generation of missionaries lives according to strict gender essentialism prescribed by papal teachings, including the notions that men lead while women follow and that biology dictates gender roles, they also support stay-at-home fatherhood and women earning MBAs. *Millennial Missionaries* examines how these young people navigate their Catholic and American identities in the twenty-first century. Illuminating the ways missionaries are reshaping

American Catholic identity Katherine Dugan explores the contemporary U S religious landscape from the perspective of millennials who proudly proclaim I am Catholic and devote years of their lives to convincing others to do the same
