Making Connections in Elementary and Middle School Social

Studies Andrew P. Johnson, 2006 Making Connections in Elementary and Middle School Social Studies is based on the idea that students learn more and are more motivated to learn when they are able to connect their own knowledge observations ideas imagination and emotions with the content at hand This book demonstrates how personal connections can be incorporated into social studies education while meeting NCSS thematic pedagogical and disciplinary standards It is written in a very direct reader friendly style Each chapter describes a variety of practical strategies and creative activities that novice and experienced teachers can use to make social studies more interesting and to help students make meaningful personal and academic connections Each chapter contains a wealth of classroom strategies pedagogical techniques activities and lesson plan ideas that can be used to enhance learning and make lessons more interesting active and student centered The book covers the three types of standards that elementary and middle school teachers work with as they teach social studies o Thinking Ahead questions invite the reader to reflect on his her own experiences as they relate to the material covered in the next chapter These can be used as discussion points for a class or small group or simply as pre reading prompts to enhance comprehension o Teachers in Action boxes contain real life narratives from practicing teachers These cases are designed to expand upon key issues presented in each chapter Every case is accompanied by the author s personal reflection on the case These reflections are intended to give the reader an opinion against which he she can measure his her own reactions After each case the reader is prompted to think about the narrative presented and think about the way that his her reactions compare with those presented by the author o Go There boxes provide links to Web sites that offer additional resources for teachers lesson plans and other activities to enhance a social studies classroom This text is accompanied by a dynamic Instructor s Resources CD The CD includes classroom video footage that can be shown in class to illustrate the concepts presented in the book and stimulate class discussion Deep in Thought Jason Baehr, 2022-10-18 Deep in Thought provides an introduction to intellectual virtues the personal qualities and character strengths of good thinkers and learners and outlines a pragmatic approach for teachers to reinforce them in the classroom With a combination of theoretical expertise and practical experience philosopher Jason Baehr endorses intellectual virtues as a rich meaningful way to think about and understand the purpose of education He makes a persuasive case for prioritizing intellectual virtues in the classroom to facilitate deeper learning encourage lifelong learning and enrich teacher practice Baehr profiles nine key virtues that enable learners to initiate the process of learning maintain forward momentum and overcome common obstacles With engaging anecdotes and concrete examples he presents a wealth of principles postures and practices that educators can employ in promoting essential habits of mind such as curiosity open mindedness and intellectual courage Baehr illustrates how opportunities to practice these intellectual habits can be integrated into the classroom in ways that align with current

teaching practices In addition he shows how educators can adapt these practices to accommodate students identities developmental abilities and interests This thought provoking book supports all educators especially middle and high school teachers in teaching for intellectual virtues Deep in Thought is a philosophical and yet practical guide to one of the most important aims of education helping students become skilled thinkers and learners Building Character in Schools Resource Guide Karen E. Bohlin, Deborah Farmer, Kevin Ryan, 2001-12-24 A companion guide to Building Character in Schools this book offers an instructional and school wide framework for developing assessing improving and institutionalising character education initiatives The School Bulletin and New York State Educational Journal ,1913 **Annual Editions** Fred Schultz, 2003-11 This annually updated thirty first edition is a compilation of interesting articles selected from the best of the public press including magazines newspapers and journals that deal with educational issues such as striving for excellence managing life in classrooms cultural diversity and schooling and serving special needs and concerns Our student Web site provides additional support to this title Link to www.dushkin.com online **The American School Board Journal** William George Bruce, William Conrad Bruce, 1896 **Current Index to Journals in Education** ,2002 **The Present Age** ,1882 **Journal of Education** ,1881 **New England Journal of Education** ,1912 **Primary Plans** Elizabeth P. Bemis, 1910 **The Christian Century** ,1919 *Bulletin* ,1926 *The Educated Child* Chester E. Finn, Jr., John T. E. Cribb, Jr., William J. Bennett, 1999-12-24 If you care about the education of a child you need this book Comprehensive and easy to use it will inform empower and encourage you Just as William J Bennett s *The Book of Virtues* has helped millions of Americans teach young people about character *The Educated Child* delivers what you need to take control With coauthors Chester E Finn Jr and John T E Cribb Jr former Secretary of Education Bennett provides the indispensable guide Championing a clear back to basics curriculum that will resonate with parents and teachers tired of fads and jargon *The Educated Child* supplies an educational road map from earliest childhood to the threshold of high school It gives parents hundreds of practical suggestions for helping each child succeed while showing what to look for in a good school and what to watch out for in a weak one *The Educated Child* places you squarely at the center of your young one s academic career and takes a no nonsense view of your responsibilities It empowers you as mothers and fathers enabling you to reclaim what has been appropriated by experts and the education establishment It outlines questions you will want to ask then explains the answers or non answers you will be given No longer will you feel powerless before the education system The tools and advice in this guide put the power where it belongs in the hands of those who know and love their children best Using excerpts from E D Hirsch s *Core Knowledge Sequence* *The Educated Child* sets forth a state of the art curriculum from kindergarten through eighth grade that you can use to monitor what is and isn t being taught in your school It outlines how you can help teachers ensure that your child masters the most important skills and knowledge It takes on today s education controversies from phonics to school choice from outcomes based education to teaching values from the education of gifted children to the

needs of the disabled Because much of a youngster s education takes place outside the school The Educated Child also distills the essential information you need to prepare children for kindergarten and explains to the parents of older students how to deal with such challenges as television drugs and sex If you seek high standards and solid time tested content for the child you care so much about if you want the unvarnished truth about what parents and schools must do The Educated Child is the one book you need on your shelf The Publishers Weekly ,1887 **The Critic** ,1851 **Michigan School Moderator** ,1912 **Bulletin** United States.
