Realigning Interests Crisis And Credibility In European Monetary Integration:

Realigning Interests M. Chang, 2016-02-10 Why do currency crises happen What conditions set the stage for such a crisis How severe will it be When will it happen This book answers these questions illustrating the points by examining the exchange rate realignments of the European Monetary System It also shows how balancing the tension between domestic and international politics plays a vital part in a government's willingness to uphold its exchange rate commitments Michele Chang pays particular attention to the role of domestic elections since these may prevent governments from credibly committing to a fixed exchange rate and from responding quickly and coherently to market instability thus encouraging speculation

Liberalization Challenges in Hungary U. Korkut, 2012-06-18 In Hungary as in all of new Europe liberalization is troubled Using Hungary as an in depth case study Korkut demonstrates that in squandering popular goodwill credibility and favorable circumstances after 1989 liberal politicians have found themselves vulnerable to conservative populist politics and the global economic crisis

Germany, Poland and Postmemorial Relations K. Kopp, J. Nizynska, 2012-05-07 Covering the period following the collapse of communism the unification of Germany and Poland's accession to the EU this collection focuses on the interdependencies of German Polish and Jewish collective memories and their dialogic transnational character showing the collective nature of postmemory and the pressures that shape it

Germany after the Grand Coalition S. Bolgherini, F. Grotz, 2010-12-20 In Germany Grand Coalitions of the two major parties the Christian Democrats CDU CSU and the Social Democrats SPD generally have a bad reputation Hence the CDU CSU SPD government under Angela Merkel 2005 2009 was neither the parties nor the citizens preferred choice its performance was seen quite critical from the outset and it was finished without further ado after the 2009 federal election Has the Grand Coalition 2005 2009 been a single episode or rather a turning point for German politics This book provides a retrospective of the first Merkel government an analysis of the 2009 election and an account of its prospective consequences

Why Minority Governments Work Bonnie N. Field, 2016-01-26 This book is an examination of minority government performance in conjunction with the territorial distribution of state power and the territorial interests of political parties It examines political institutions and the reconcilability of party goals and the contingent bargaining circumstances in multilevel and territorial perspectives

The Discourses and Politics of Migration in Europe U. Korkut, G. Bucken-Knapp, A. McGarry, J. Hinnfors, H. Drake, 2013-07-31 This book engages with politics and political discourse that relate to and qualify immigration in Europe It brings together empirical analysis of immigration both topically and contextually and interprets such empirical evidence with the use of policy and discursive analyses as methodological tools Thematically this volume focuses on how discourse and politics operate in issue areas as varied as immigrant integration and multilevel governance Roma immigration and their respective securitization the uses of language in determination of asylum applications gendered immigrants in informal economy perceptions of integration by the migrants economic interests and economic nationalism stimulating immigration choices

ideology and entry policies and asylum processes and the institutional evolution of immigration systems These issues are analyzed with empirical evidence investigating the discursive formulation of immigration systems in political contexts such as the Netherlands France United Kingdom Turkey Switzerland Scandinavian states and Finland **Handbook of the International Political Economy of Monetary Relations** Thomas Oatley,W. Kindred Winecoff,2014-06-27 This extensive Handbook provides an in depth exploration of the political economy dynamics associated with the international monetary and financial systems Leading experts offer a fresh take on research into the interaction between system structure t

European Economic Legal Order After Brexit Enzo Cardi,2021-07-29 This book takes an innovative approach to provide a mirror perspective of the legal systems of the UK and the EU in contemporary institutional scenarios At the beginning of the second decade of the 21st century the legal systems of the EU and the UK are facing challenges of epic proportions Never before have the two legal orders been confronted with the simultaneous impact of a series of events First the effect of the divorce between the two regulatory systems caused by the UK s withdrawal from the EU The Negotiating Documents and the Draft Texts being discussed and aimed at leading to a New Partnership are examined in the book Second the book discusses the impact of the coronavirus shock in all European economies leading to a substantial change of political perspective in the EU legal order implying innovative debt instruments Third it explores the consequences of the judicial activism of the German Constitutional Court undermining the strategic role of the European Central Bank and the primacy of the European Union Court of Justice The book questions the effects deriving from the legacy i e the foundations of the two legal systems on handling the issues of our time the impact on market regulation of the striking contemporary events and the unsettled consequences on policy of the current convulsing political and financial landscape The book will be essential reading for those working in the areas of European public regulatory law *Sexual Equality in an Integrated Europe* R.

Elman,2007-11-26 This book examines the role of Europe in defining maintaining constructing and remedying sex discrimination The author investigates the origins institutions and policies associated with recent European Union efforts to stem violence against women sex trafficking racism and heterosexism **Market-Based Banking and the International Financial Crisis** Iain Hardie,David J. Howarth,2013-08-29 This edited volume offers a study of national banking systems and explains how banking developed in the years preceding the international financial crisis that erupted in 2007 Its analysis of market based banking shows the impact of the financial crisis in eleven developed economies including all of the G7 economies

Migration and Activism in Europe since 1945 W. Pojmann,2008-09-29 The political and social activism of immigrants to Europe since 1945 takes the spotlight in this volume Each chapter draws on research from international scholars offering a riveting look at a variety of migrant experiences and providing welcome comparisons of the impact of migration on different countries *The Impact of Radical Right-Wing Parties in West European Democracies* M.

Williams,2006-09-02 This book contends that far right parties play pivotal roles in setting the tone of political debates

shaping the political party system and structuring government policy Increasingly as national governments attempt to cope with new realities of greater global migration strained welfare states and threats of foreign terror opportunities have opened for parties of the far right to position themselves strategically **Politics and Society in Contemporary Spain** B. Field,A. Botti,2013-06-18 This edited volume examines the political social and economic developments in contemporary Spain with a particular focus on the period of the Socialist government 2008 11 the 2011 elections and the challenges facing Spain and the new Popular Party government Migrant Mobilization and Securitization in the US and Europe A. Chebel

d'Appollonia,2016-02-09 Immigrants and minorities in Europe and America have responded in diverse ways to security legislation introduced since 9 11 that targets them labeling them as threats This book identifies how different groups have responded and explains why synthesizing findings in the fields of securitization migrant integration and migrant mobilization

The Mobilization of the Unemployed in Europe D. Chabanet,J. Faniel,2012-01-02 In the face of high unemployment in Europe for the past thirty years the unemployed have organized themselves and mobilized at levels ranging from the local to the transnational This work explores why when and how the unemployed move from acquiescence to protest Negotiating Europe O. Calligaro,2013-12-18 The book explores the promotion of Europeanness which aims to arouse feelings of belonging to the European Union It demonstrates that the promotion of Europeanness at the EU level does not constitute an overarching identity policy that imposes a homogenous interpretation of European identity Rather it is a process of negotiation in which various entrepreneurs of Europeanness within and outside the EU institutions invent and communicate representations of Europe Both the negotiation and the multilayered representations of Europe that it produces are investigated through three case studies the academia and the historians European heritage and the iconography of the euro

The European Union Steven P. McGiffen,2005-10-20 New edition of this acclaimed introduction to the EU and its major policy areas **Power Politics, Banking Union and EMU** Shawn Donnelly,2018-03-28 This book examines the politics of Banking Union and EMU reform in the EU and draws lessons for what it means for international politics both in Europe and for international relations more broadly It demonstrates that most of the reforms in Europe to break free of the Eurozone and banking crises in which Europe continues to find itself focus on building up the capacities of national authorities rather than European ones The result is that national authorities remain largely in control of the decisions and funds that are to be deployed to prevent economic disaster if a single EU bank fails The likely outcome is an accelerated balkanization of the European market for the foreseeable future The book also contends that power politics and realism in particular is a defining feature of European politics with coercion and enforced national responsibility at the demand of Germany the dominant form of institution building that established the responsible sovereignty model and shut down the possibility of alternatives In making this case the book demonstrates that the dominant view in international relations that power politics best explains the behaviour of states also apply to the EU This text will be of key interest to scholars and students of the Eurozone crisis

EU politics economic policy and more broadly to political economy public policy and international relations The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Poland and EU Enlargement J. Kaminska, 2014-11-26 This book analyzes changes in Polish foreign policy in the context of the EU membership exploring Poland's transition from a policy taker to policy maker It focuses on how Poland shapes EU policy towards the Eastern neighbors Parliament and Diaspora in Europe M. Laguerre, 2013-04-24 This book analyzes the unfolding of a new institutional phenomenon the cosmonational parliament of the cross border nation and the expanded state focusing on three European national parliaments namely the French Senate the Italian Chamber of Representatives and Senate and the Croatian unicameral parliament
