Days Through Daniel Ron Rhodes, 2016-03-01 The book of Daniel holds the distinction of being one of the most important prophetic books in the Bible and one of the most challenging to understand Now you can unearth its inspiring lessons and enduring truths in just 40 daily readings You'll be amazed to see how prophecies from the sixth century BC are unfolding today To help you personally interact with the vital truths of Daniel trusted Bible teacher Ron Rhodes provides short passages of Daniel with easy to understand notes on each verse brief summaries of the most important ideas helpful cross references on relevant topics practical applications to everyday life thought provoking conversation starters for group discussions or personal journaling As you see God's faithfulness on display in the lions den in the fiery furnace and in the rise and fall of world empires you'll gain a deep sense that God is in control Cyber Meltdown Ron Rhodes, 2011-08-01

Respected Bible scholar Ron Rhodes author of *The Coming Oil Storm* addresses another timely issue with integrity in this exploration of how over dependence on technology puts the nation at risk for cyberattacks and sets the stage for the end times With up to date information Rhodes prepares readers for the possibility of technology based warfare and helps them view it in a biblical context as he addresses the following hot topics what Christians need to know about cybercontrol and the Antichrist what technology and security experts have to say about the risks the validity of the threat of cyberterrorism what a cyberattack against the U S would look like the possible role of cyberattacks in end time wars Both captivating and helpful this compelling resource provides the truth behind the technology and its likely role in God's plan for the future The

Coming Oil Storm Ron Rhodes, 2010-07-01 Ron Rhodes a leading scholar on biblical prophecy reveals how looming tensions over oil factor into end time global alignments and how they may lead to a dramatic shift in the balance of power in the world Much of the world's oil is in the custody of unstable and sometimes hostile regimes Nations around the world are positioning themselves to protect their shrinking piece of the pie of dwindling oil reserves Global tensions continue to rise In *The Coming Oil Storm* Rhodes documents the role of Islam as the religion in control of most of the world's oil reserves and shows convincingly that once Muslims are in possession of the two swords of oil and nuclear weapons they will feel empowered to act as they wish Oil could even play a role in the path to Armageddon *The Coming Oil Storm* is an essential guide for

understanding the state of the world today and what's yet to come *The 10 Most Important Things You Can Say to a Mason* Ron Rhodes, 2002-01-01 Fact filled easy to understand and visually appealing this series delivers the essential knowledge you need to know to effectively witness biblical truths to people led astray by false teachings Noted Bible teacher Ron Rhodes highlights the key differences between specific cults and biblical Christianity by identifying the 10 most critical problems examining the exact nature of each doctrinal error contrasting cultic teachings with the truth found in God's Word explaining the correct meanings of Bible verses cults cite out of context reviewing basic principles of Bible interpretation that ensure accurate understanding Important points witnessings tips digging deeper sections and cautions that highlight the confusing arguments and tactics used by each organization make these books perfect for individual witnessing Bible studies youth groups and evangelism refreshers Reveals Masonry's religious foundation belief that all religions worship the same God unbiblical view of Jesus denial of hell salvation by works philosophy and more Also includes a discussion of a Christian's participation in the Masonic Lodge **The Oxford Handbook of New Religious Movements** James R. Lewis, Inga B. Tollefsen, 2016-04-12 The study of New Religious Movements NRMs is one of the fastest growing areas of religious studies and since the release of the first edition of *The Oxford Handbook of New Religious Movements* in 2003 the field has continued to expand and break new ground In this all new volume James R Lewis and Inga B T llefsen bring together established and rising scholars to address an expanded range of topics covering traditional religious studies topics such as scripture charisma and ritual while also applying new theoretical approaches to NRM topics Other chapters cover understudied topics in the field such as the developmental patterns of NRMs and subcultural considerations in the study of NRMs The first part of this book examines NRMs from a social scientific perspective particularly that of sociology In the second section the primary factors that have put the study of NRMs on the map controversy and conflict are considered The third section investigates common themes within the field of NRMs while the fourth examines the approaches that religious studies researchers have taken to NRMs As NRM Studies has grown subfields such as Esotericism New Age Studies and neo Pagan Studies have grown as distinct and individual areas of study and the final section of the book investigates these emergent fields **Bearing False Witness?** Douglas E. Cowan, 2003-05-30 From Hare Krishna to the Latter Day Saints and from Jehovah's Witnesses to the New Age religious pluralism in North America presents evangelical Protestantism with significant challenges Declaring newer religious groups cults aberrant sects and heretical religions the Christian countercult movement has warned that these groups represent a threat to society In *Bearing False Witness* R Cowan considers the Christian countercult as a whole locating it in sociological perspective as an entity distinct from the secular anti cult Through his analysis the author argues that the primary purpose of the countercult movement is to reinforce and repair the Christian worldview when it appears threatened by the advent of alternative religious traditions This unique analysis of the Christian countercult helps explain why conservative Christian responses to competing religious movements have taken the form that

they have in addition to how those responses are carried out Unlike the anti cult movement which is concerned with removing individuals from cults and returning them to their families the Christian countercult movement according to the author attempts not only to remove cultists from the negative influences of the cults to which they belong but also to insure that they will join the particular version of Christianity adhered to by the countercultists themselves Beginning with the countercult s early history the author provides an historical account of the movement and its present activities Since the rise of new religious movements the growing interest in religions imported from outside North America and the broadening of the religious marketplace continues to grow understanding the Christian countercult and its presence as a countervailing pressure to these increasingly socioreligious dynamics becomes ever more important

Introduction to New and Alternative Religions in America William M. Ashcraft, Eugene V. Gallagher, 2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of

groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more *End-Times Super Trends* Ron Rhodes,2017-09-05 Making Sense of Crucial Last Days Signs Pressure is rising The global atmosphere is morphing as never before It s time to pay attention to the warnings around us that point to inevitable catastrophes to come Bible prophecy expert Ron Rhodes surveys 15 current trends that affect us on a worldwide national and personal scale suggesting some inescapable consequences to our safety rights and way of life You will see how the stage is being set for the end times with such drastic developments as the escalation of cyberwarfare the deterioration of religious freedom the dissolution of the family unit With eye opening research and a helpful examination of Scripture Rhodes clearly shows where trends are leading while advocating a response based on hope truth and preparation rather than fear The Complete Guide to Christian Denominations Ron Rhodes,2015-03-01 Do you ever wonder what the difference is between one denomination and another Why are there so many kinds of Baptist or Presbyterian or Lutheran churches Where do those names come from anyway You can find answers in this concise but comprehensive guide Learn about the leaders teachings and history of most of the church families in America In addition to membership statistics you ll find a brief explanation of how the denomination began a short summary of its teaching on God the Bible the church and other important topics a quick overview of some of its distinctive characteristics Whether you re looking for a new church or enriching your fellowship with believers from other traditions you ll be much better prepared with this revised and expanded edition of *The Complete Guide to Christian Denominations* **Spiritual Warfare in the End Times** Ron Rhodes,2020-11-24 Understand the Battle Before You Enter It When you think about the end times you ve probably already considered the rapture the tribulation and the Antichrist But are you prepared for the spiritual warfare that is already escalating around us as we draw closer to the final days Now more than ever it is essential to equip yourself with God s truth so you can stand against the encroaching darkness In *Spiritual Warfare in the End Times* bestselling prophecy author Ron Rhodes powerfully exposes Satan s most destructive and effective tools of spiritual injury and the means of rendering them ineffective Ron will help you understand the identity tactics and dominion of Satan and the spiritual armor God has given you for protection the pivotal roles the Holy Spirit and the Word of God play in your spiritual victory the sheep Christians who keep close to the Shepherd Jesus are safest from the predatory wolf Satan Though Satan will always want to diminish your capacity to serve in God s kingdom God promises you ll never fight him alone *Spiritual Warfare in the End Times* will provide you with all you need for victory both now and in the future Bible Prophecy Answer Book Ron Rhodes,2017-02-28 Studying Prophecy Can Change Your Life Strengthen your faith and find real hope for the future in this
