The King's Writ (Hugh Corbett Novella) Paul Doherty, 2017-11-02 With the stakes so high can Sir Hugh prevent a jousting tournament turning deadly An exclusive digital novella featuring Sir Hugh Corbett the medieval sleuth of acclaimed historian Paul Doherty s most popular series Includes an exclusive extract from his next novel in the series the follow up to *Dark Serpent* Perfect for fans of Robin Hobb and Michael Jecks In the summer of 1311 a jousting tournament is about to commence in the Tower of London supervised by Sir Hugh Corbett Keeper of the Secret Seal Two powerful lords have come forward with writs from the late king promising them both the inheritance of a lucrative estate To settle the dispute they are submitting their quarrel to the *judicium Dei* the Judgement of God But when a third claimant comes forward Corbett suspects that something is awry

Corbett launches an investigation to uphold the reputation of the late king as treachery looks set to spread But it soon becomes clear that more than one person in the Tower has secrets to keep What readers are saying about Paul Doherty A magical author Paul Doherty has the rare talent of making you feel as though you are there be it medieval England or battling with Alexander The sounds and smells of the period seem to waft from the pages of his books Doherty has a gift for bringing distant ages alive and for populating his books with endearing believable characters **Duel in the Sun** Michael Corcoran,2010-05-11 In the rest of the world they call it the Open Championship Americans call it the British Open but if any tournament is considered the battle for the world championship of golf it is the one held annually on the great links courses of Scotland and England the birthplace of the game By the time the 1977 Open came to Turnberry on Scotland s west coast Jack Nicklaus had established himself as the greatest champion the golf world has ever known well on his way to the record that Tiger Woods would spend his childhood dreaming of and pointing toward The sight of Nicklaus on the leaderboard was enough to make strong golfers shake Everyone knew that Nicklaus was the man to beat in every major championship he entered At the same time Tom Watson had become the latest golfer to be heralded as the Next Nicklaus Watson had overcome his reputation for choking in big tournaments and was beginning to be viewed by his peers as the top player of his generation He had won two majors but there were still questions about his ability to stand up under the fiercest pressure There are few moments in sports when it is clear to one and all that a torch has been passed The 1977 Open Championship at Turnberry was one such event The weather was uncharacteristically warm British golf fans bared their pink skin to the unfamiliar sun and the course played hard and fast Nicklaus and Watson were tied after the first two rounds Nicklaus shot a blistering 65 66 over the last two days to post a 72 hole score that set a tournament record but Watson paired with Nicklaus over those fateful 36 holes looked Jack in the eye and shot 65 65 to win by a stroke And the Next Nicklaus had been found at last even as the original kept winning major tournaments but the air of invincibility was gone forever Michael Corcoran takes the drama of this rare moment in golf history and brings it to vivid life He draws on his interviews with competitors caddies commentators and spectators to tell the magnificent story of this epic duel in all the rich detail any fan of golfing drama could ask for **Duel in the Sun** is an unforgettable tale of the rise of a new hero and the grace of an older champion welcoming him to the summit of the game Death to Dust Kenneth V. Iserson,2001 In our culture we rarely speak about death partly because it is seen as a sort of pornography shrouded in indecency and immersed in taboos and partly because we know so little about it Yet nearly everyone at some point has questions about what happens after death At long last here is a book to answer many of those questions What physical changes occur to a dead body **Kings and Queens of England** Peter Snow,2022-11-29 Historians and broadcasters Peter Snow and Ann MacMillan tell the real stories of the most powerful men and women in British history Updated for the 2023 coronation **Kings Queens** explores the lives loves triumphs and disasters of a monarchy that is the envy of the world Snow and MacMillan offer a unique insight into those born to rule whether

villains or heroes from cruel King John and warrior king Edward III to our newest monarch King Charles III This is the story of modern civilization through the lens of those who have ruled Tales of a Grandfather Walter Scott, 1869 *Bowker's Guide to Characters in Fiction* 2007 ,2008-02 What are the Seven Wonders of the World? Peter D'Epiro, Mary Desmond Pinkowish, 2010-12-22 Can you name Newton's 3 laws of motion The 4 horsemen of the Apocalypse The 5 pillars of Islam The 6 wives of Henry VIII The 7 kinds of plane triangles The 8 Beatitudes If you're not sure about the answers to the above this is the book for you A compendium of 101 culturally significant particulars from the fields of mythology religion literature history science mathematics art and music What Are the 7 Wonders of the World is a stimulating fusion of facts and fun that makes for an invaluable reference and an entertaining diversion Questions are grouped in sections according to the number of items in their answer all the 3s all the 4s all the 5s etc so that the answers are in the form of easily memorized lists You won't find Luther's 95 theses or the 264 Popes for example but you will find everything from the 3 sons of Adam and Eve all the way up to the 24 letters of the ancient Greek alphabet This clever format lends itself well to quizzing and guessing which gives it a deliciously sophisticated parlor game quality But for those who wish to delve a little deeper there are thoughtful essays to go with each answer that include fascinating details and place the list in its larger cultural or historical context Much more than a book of trivia What Are the 7 Wonders of the World offers a grand overview of the knowledge needed to appreciate many of the finest things in our cultural and intellectual life A Companion to the Royal Heritage of Britain Marc Alexander, 2005-05-26 More than a biography of kings and queens this title is an encyclopaedic work on every aspect of monarchy in Britain from semi-legendary times to the present day It provides a reference for discovering more about individual monarchs and the huge legacy of myths traditions and practices which has grown up around the institution of the monarchy *The Washingtons. Volume 3* Justin Glenn, 2014-07-29 This Royal Descents supplement is an outgrowth of the author's multi-volume family history of the Presidential Branch of the Washingtons That work collects the descendants of the immigrant John Washington who settled in Westmoreland Co Va in 1657 married Anne Pope and became the great grandfather of President George Washington The Royal Descents traces the ancestry of the early Virginia members of this Presidential Branch back in time to the aristocracy and nobility of England and continental Europe including the Plantagenet dynasty William the Conqueror Alfred the Great Charles Martel and Charlemagne ADVANCE PRAISE for The Washingtons A Family History I am convinced that your work will be of wide interest to historians and academics as well as members of the Washington family itself Although the surname Washington is perhaps the best known in American history and much has been written about the Washington family for well over a century it is surprising that no comprehensive family history has been published Justin M Glenn's The Washingtons A Family History finally fills this void for the branch to which General and President George Washington belonged identifying some 63 000 descendants This is truly a family history not a mere tabulation of names and dates providing biographical accounts of many of the descendants of John Washington who settled in

Westmoreland County Virginia in 1657 Each individual section is followed by extensive listings of published and manuscript sources supporting the information presented and errors of identification in previous publications are commented upon as appropriate John Frederick Dorman editor of The Virginia Genealogist 1957 2006 and author of Adventurers of Purse and Person Decades of reviewing Civil War books have left me surprised and delighted when someone applies exhaustive diligence to a topic not readily accessible Dr Glenn surely meets that standard with the meticulous research that unveils the Washington family in gratifying detail many of them Confederates of interest and importance Robert K Krick author of The Smoothbore Volley that Doomed the Confederacy and Stonewall Jackson at Cedar Mountain *A Brief History of Robin Hood* Nigel Cawthorne, 2013-02-07 Who was Robin Hood Throughout history the figures of the hooded man of Sherwood forest and his band of outlaws have transfixed readers and viewers but where does the myth come from The story appeared out of the legend of the Green man but found its location during the reign of Richard II the Lionheart who was away from England fighting in the crusades In his absence his brother John lay waste to the country But does this tell the full story Was Robin a bandit prince ahead of a troop of brigands Who was the Sherrif and was he in fact the legitimate law in the land fighting vigilantes Tales of a grandfather. History of Scotland, 1033 to 1788. With index. New popular ed sir Walter Scott (bart.), 1893 **Tales of a Grandfather. History of Scotland.
