Rebellions And Revolutions China From The 1800s To The 1980s

**Christopher R. Lew, Edwin Pak-wah
Leung**

Rebellions And Revolutions China From The 1800s To The 1980s:

Rebellions and Revolutions Jack Gray,1990 An accessible analysis of China from the 1800s to the present day focusing on its problems of development and including the recent events in Tiananmen Square The author addresses crucial questions about the collapse of Imperial China and the emergence of the Chinese Communist Party **Rebellions and Revolutions**

Jack Gray,2002 This is a study of China from the 1800s to the present day It focuses on China s problems of development the decay and collapse of the Chinese Empire its failure to recover in the first half of the twentieth century and its rapid emergence in world affairs since the Communist Party Revolution of 1949 This new edition examines economic growth updates Chinese foreign policy provides a revised account of the Tiananmen Incident and brings the chronology completely up to date *This Rebellious House* Steven J. Keillor,1996-10-03 Examining United States history from Columbus to Clinton

Steven J Keillor disabuses us of the notion that our nation has ever been a genuinely Christian one He focuses on various political economic and cultural policies or events the Civil War westward expansion that are now often cited to disprove or debunk Christianity Historical Dictionary of the Chinese Civil War Christopher R. Lew,Edwin Pak-wah Leung,2013-07-29

The Chinese Civil War which lasted several years or several decades depending on how you define it was one of the most momentous wars of the 20th century for it determined the fate of the world s most populous country and was bitterly fought with millions of combatants involved and hundreds of millions of civilians affected More to the point it was won by the Chinese Communist Party under Mao Zedong who imposed Communist rule while the Nationalists retreated to Taiwan It also heated up the Cold War for quite some time as the Communists were supported by the Soviet Union and the Nationalists by the United States This second edition of the Historical Dictionary of the Chinese Civil War studies the longer broader war and its chronology carefully tracks the major events The introduction then provides a broad overview describing the contending forces and showing how the Communists come out on top The details and these are crucial are laid out in over 200 cross referenced dictionary entries dealing with the opposing forces and parties the major campaigns and battles the Long March and of course the leadership on both sides This book one of few such in English provides a very solid basis for study but that can be accomplished more effectively by consulting the titles listed in an extensive bibliography *Historical Dictionary of the Chinese Civil War* Edwin Pak-wah Leung,2002-10-16

The Chinese Civil War has been regarded by many as an important subject in the study of modern Chinese history as this protracted struggle ultimately led to the Communist victory on the Mainland and the Nationalist government s retreat to the island of Taiwan in 1949 Considered an extremely important turning point in modern Chinese history the Civil War is also of great international significance This resource the first of its kind written in English details the microscopic and macroscopic views of the Chinese Civil War people events places and institutions **China in the 1990s** Robert Benewick,Paul Wingrove,1999 Now updated with a chapter length afterword by the editors on the end of the Deng era and its aftermath China in the 1990s provides a comprehensive survey of

a nation in transition An understanding of this complex process requires a multidisciplinary and multidimensional approach which the editors have achieved by bringing together experts from Britain the United States Europe Australia and Hong Kong who examine China's economic political military cultural and social achievements and problems The difficulties China still faces are enormous some of them of its own making pollution urban sprawl the insecurity of food supplies the risks of political authoritarianism and the perils of liberalisation Its population is still growing dramatically and is likely to be 1.5 billion by 2015 three times what it was when the P.R.C. was established in 1949 But since embarking on a reform programme which at the time seemed experimental and hard to reconcile with official ideology it has gone from being the sick man of Asia to being one of the world's largest and fastest developing economies in what now looks to be a remarkably effective and well managed transition

Institutions in Transition Peter Ho, 2005-07-21 China's urban sprawl has led to serious social cleavages Unclear land and property rights have resulted in an uneasy alliance between real estate companies and local authorities with most willing to strike illegal deals over land The results have been devastating Farmers live in fear that the land they till today will be gone tomorrow while urban citizens are regularly evicted from their homes to make way for new skyscrapers and highways These shocking incidents underscore the urgency of the land question in China The recent conviction of the Chinese Minister for Land Resources and the forced evictions that have led to the injury and death of ordinary Chinese citizens highlight the case for land reform Against this backdrop many scholars criticize China's lack of privatization and titling of property This monograph however demonstrates that these critically depend on timing and place Land titling is imperative for the wealthier regions yet may prove detrimental in areas with high poverty The book argues that China's land reform can only succeed if the clarification of property rights is done with caution and ample regard for regional variations

Mao S.G. Breslin, 2014-06-17 A lucid analysis of Mao as revolutionary general ideologist and astute political manipulator this introduction to the life and career of Mao Zedong provides an excellent introduction to modern Chinese history and its enigmatic protagonist

The Politics of Controlling Organized Crime in Greater China Sonny Shiu-Hing Lo, 2015-12-14 In China the central government has the political will to control organized crime which is seen as a national security threat The crux of the problem is how to control local governments that have demonstrated lax enforcement without sufficient regulation from the provincial governments The development of prostitution underground gambling and narcotics production has become so serious that the central government has to rely on anti crime campaigns to combat these three evils This book explores the specific role of government institutions and agencies notably the police in controlling organised and cross border crime in Greater China Drawing heavily on original empirical data it compares the both the states of the People's Republic of China and Taiwan as well as city states Hong Kong and Macao This region has become increasingly economically integrated and human interactions have been enhanced through improved trade relations tourism and increased individual freedom The book argues that the regime capacity of crime control across Greater China has been

expanded through regional and international police cooperation as well as anti crime campaigns It suggests that a strong central state in China is necessary to rein in the local states and to prevent the risk of deteriorating into a political criminal nexus Focusing on regime capacity in crime control regime autonomy from crime groups and regime legitimacy in the fight against organized crime this thought provoking book will be of great interest to students and scholars of Chinese politics and criminology more broadly

Insurgency and Social Disorder in Guizhou Robert Darrah Jenks, 1994-01-01 Textbooks and general histories of modern China agree that the so called Miao rebellion constituted one of the major rebellions of the nineteenth century It lasted for twenty years caused devastation of such severity that its effects were still obvious to travelers in Guizhou province decades later and by one account resulted in the deaths of more than four million people In an impressive presentation of material drawn from local histories private writings and official documents Jenks argues that the Qing government sought to lay the blame for the turmoil squarely on an ethnic minority it regarded as obstreperous and inferior As well as altering perceptions of the rebellion *Insurgency and Social Disorder in Guizhou* enhances our understanding of the causes of the rebellion and its place in the crises that beset mid nineteenth century China It contributes to the sociology of rebellion and peasant movements and is a valuable supplement to current anthropological work on Chinese minorities Its treatment of Qing attitudes toward the Miao has implications for minority policies in the Peoples Republic of China today

Revolutionary Armies in the Modern Era S.P. Mackenzie, 2013-01-11 This presents a major re evaluation of the standard view of revolutionary armies the range of attitudes towards the role of heroic individuals the formation and leadership of armies and the differences and similarities between such armies Beginning with an exploration of the New Model Army of the 1640s a force whose name itself seems to denote its revolutionary credentials the author presents ten case studies from around the globe including the American War of Independence The French Revolution The Zulu Boer War the Waffen SS and the Viet Cong Through a detailed analysis of source material he examines the images connected with these armies both historical and recent and assesses these images in their socio political and nationalist contexts

The Political Determinants of Corporate Governance in China Chenxia Shi, 2012-03-15 This book investigates the key factors shaping corporate governance in China and presents a sophisticated study of corporate governance in China from a comparative and historical perspective Drawing on extensive corporate governance literature this book articulates why path dependence theory is the most effective framework for interpreting the development path of Chinese corporate governance Chenxia Shi reviews the historical role of government in commercial development and regulation in dynastic China and in early corporate law making followed by an account of China s legal and economic development over the last three decades This historical inquiry identifies government control as the key feature of economic and market regulation in China In particular this book canvasses the evolution of governance of State Owned Enterprises and listed companies major corporate governance problems regulatory challenges posed by China s increasing participation in

economic globalization and enforcement difficulties particularly in relation to investor protection directors duties and accountability Ultimately Political Determinants of Corporate Governance in China demonstrates that corporate governance in China is largely determined by political imperatives and those political imperatives have been shaped and re shaped in a historical process

Chinese Fiction of the Cultural Revolution Lan Yang, 1998-07-01 The book covers the choice of subject matter authorship and readership of Cultural Revolution fiction It analyses the characterization of heroes promoted in the literary and artistic field during this period By comparing Cultural Revolution fiction with the fiction of the preceding period with Soviet fiction and with some traditional Chinese and Western fiction this analysis emphasizes the ideological and cultural significance of the characteristics shown in the heroes personal background and their physical temperamental and behavioural qualities etc This book will be of significant benefit to both students and scholars of Chinese literature language and society

Party Vs. State in Post-1949 China Shiping Zheng, 1997-07-13 This book provides the most comprehensive analysis of one of the most important issues in China today the tensions between the Chinese Communist Party and the Chinese state legislative judicial administrative and military institutions Taking the neo institutionalist approach the author suggests that the Communist Party in post 1949 China faces an institutional dilemma the Party cannot live with the state and it cannot live without the state Zheng demonstrates that it is not only conceptually constructive but analytically imperative to distinguish the state from the Communist Party Secondly he integrates detailed study with broader generalizations about Chinese politics thus making efforts to overcome the tendency toward specialized scholarship at the expense of comparative and systemic understanding of China He also opens a new dimension of Chinese politics the uncertain and conflictual relationship between the Communist Party and the Chinese state

Taking Christianity to China Samuel Paul Garner, 1976 Beginning early in the 19th century the American missionary movement made slow headway in China Alabamians became part of that small beachhead After 1900 both the money and personnel rapidly expanded peaking in the early 1920s By the 1930s many American denominations became confused and divided over the appropriateness of the missionary endeavor Secular American intellectuals began to criticize missionaries as meddling do gooders trying to impose American Evangelicalism on a proud ancient culture By examining the lives of 47 Alabama missionaries who served in China between 1850 and 1950 Flynt and Berkley reach a different conclusion Although Alabama missionaries initially fit the negative description of Americans trying to superimpose their own values and beliefs on heathen they quickly learned to respect Chinese civilization The result was a new synthesis neither entirely southern nor entirely Chinese Although previous works focus on the failure of Christianity to change China this book focuses on the degree to which their service in China changed Alabama missionaries And the change was profound In their consideration of 47 missionaries from a single state their call to missions preparation for service in China living working contacts back home cultural clashes political views internal conflicts and gender relations the authors suggest that the efforts by Baptist Methodist and Presbyterian missionaries from Alabama

were not the failure judged by many historians In fact the seeds sown in the hundred years before the Communist revolution in 1950 seem to be reaping a rich harvest in the declining years of the 20th century when the number of Chinese Christians is estimated by some to be as high as one hundred million Taking Christianity to China Wayne Flynt, Gerald W.

Berkley, 1997-01-30 Beginning early in the 19th century the American missionary movement made slow headway in China Alabamians became part of that small beachhead After 1900 both the money and personnel rapidly expanded peaking in the early 1920s By the 1930s many American denominations became confused and divided over the appropriateness of the missionary endeavor Secular American intellectuals began to criticize missionaries as meddling do gooders trying to impose American Evangelicalism on a proud ancient culture By examining the lives of 47 Alabama missionaries who served in China between 1850 and 1950 Flynt and Berkley reach a different conclusion Although Alabama missionaries initially fit the negative description of Americans trying to superimpose their own values and beliefs on heathen they quickly learned to respect Chinese civilization The result was a new synthesis neither entirely southern nor entirely Chinese Although previous works focus on the failure of Christianity to change China this book focuses on the degree to which their service in China changed Alabama missionaries And the change was profound In their consideration of 47 missionaries from a single state their call to missions preparation for service in China living working contacts back home cultural clashes political views internal conflicts and gender relations the authors suggest that the efforts by Baptist Methodist and Presbyterian missionaries from Alabama were not the failure judged by many historians In fact the seeds sown in the hundred years before the Communist revolution in 1950 seem to be reaping a rich harvest in the declining years of the 20th century when the number of Chinese Christians is estimated by some to be as high as one hundred million **Making China Strong** R. Weatherley, 2014-02-18 Robert Weatherley argues that Chinese perceptions of democracy and human rights have been heavily influenced by the pressing issue of how to make China strong in the face of a perceived threat posed by foreign imperialism be it military imperialism during the previous two centuries and cultural imperialism in more recent decades

How China Became Capitalist R. Coase,N. Wang,2016-04-30 How China Became Capitalist details the extraordinary and often unanticipated journey that China has taken over the past thirty five years in transforming itself from a closed agrarian socialist economy to an indomitable economic force in the international arena The authors revitalise the debate around the rise of the Chinese economy through the use of primary sources persuasively arguing that the reforms implemented by the Chinese leaders did not represent a concerted attempt to create a capitalist economy and that it was marginal revolutions that introduced the market and entrepreneurship back to China Lessons from the West were guided by the traditional Chinese principle of seeking truth from facts By turning to capitalism China re embraced her own cultural roots How China Became Capitalist challenges received wisdom about the future of the Chinese economy warning that while China has enormous potential for further growth the future is clouded by the government s monopoly of ideas and power Coase and Wang argue that the development of a market for ideas which has a long and revered tradition in China would be integral in bringing about the Chinese dream of social harmony

Area Bibliography of China Richard T. Wang,1997 A combination of scholarly commercial and popular interests has generated a large quantity of literature on every aspect of Chinese life during the past two decades This bibliography reflects these combined interests it is broken up into sections by subject headings and cross references refer the researcher to related topics

Rebellions And Revolutions China From The 1800s To The 1980s Introduction

In the digital age, access to information has become easier than ever before. The ability to download *Rebellions And Revolutions China From The 1800s To The 1980s* has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download *Rebellions And Revolutions China From The 1800s To The 1980s* has opened up a world of possibilities. Downloading *Rebellions And Revolutions China From The 1800s To The 1980s* provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *Rebellions And Revolutions China From The 1800s To The 1980s* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *Rebellions And Revolutions China From The 1800s To The 1980s*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *Rebellions And Revolutions China From The 1800s To The 1980s*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *Rebellions And Revolutions China From The 1800s To The 1980s*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To

protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Rebellions And Revolutions China From The 1800s To The 1980s* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About *Rebellions And Revolutions China From The 1800s To The 1980s* Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. *Rebellions And Revolutions China From The 1800s To The 1980s* is one of the best book in our library for free trial. We provide copy of *Rebellions And Revolutions China From The 1800s To The 1980s* in digital format, so the resources that you find are reliable. There are also many Ebooks of related with *Rebellions And Revolutions China From The 1800s To The 1980s*. Where to download *Rebellions And Revolutions China From The 1800s To The 1980s* online for free? Are you looking for *Rebellions And Revolutions China From The 1800s To The 1980s* PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another *Rebellions And Revolutions China From The 1800s To The 1980s*. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of *Rebellions And Revolutions China From The 1800s To The 1980s* are for sale to free while some are payable. If you arent sure if the books you would like

to download works with for usage along with your computer, it is possible to download free trials.
