Truth: One Little Girl's Journey Through the Gospel of Mark Lori Rodeheaver, 2012-09-20 This is one little girl's journey through the gospel of Mark It's written expositionally and practically through the guidance of the Holy Spirit and the eyes of a young woman searching desperately for her Father as well as the Truth The Journey toward God in Augustine's Confessions Carl G. Vaught, 2012-02-01 This detailed discussion of Augustine's journey toward God as it is described in the first six books of the Confessions begins with infancy moves through childhood and adolescence and culminates in youthful maturity In the first stage Augustine deals with the problems of original innocence and sin in the second he addresses a pear stealing episode that recapitulates the theft of the forbidden fruit in the Garden of Eden and confronts the problem of sexuality with which he wrestles until his conversion and in the third he turns toward philosophy only to be captivated successively by dualism skepticism and Catholicism Augustine's journey exhibits temporal spatial and eternal dimensions and combines his head and his heart in equal proportions Vaught shows that the Confessions should be interpreted as an attempt to address the person as a whole rather than through our intellectual or volitional dimensions exclusively The passion with

which Augustine describes the end of his journey is reflected best in a sentence found in the opening chapter of the text You have made us for yourself and our heart is restless until it rests in you Interpreting this statement Carl G Vaught presents a more emphatically Christian Augustine than is usually found in contemporary scholarship Refusing to view Augustine in an exclusively Neoplatonic framework Vaught holds that Augustine baptizes Plotinus just as successfully as Aquinas baptizes Aristotle It cannot be denied that Ancient philosophy influences Augustine decisively Nevertheless he holds the experiential and the theoretical dimensions of his journey toward God together as a distinctive expression of the Christian tradition
