Deep Roots, Broken Branches Victoria Bynum,2025-02-17 Best known for her award winning book The Free State of

Jones Mississippi's Longest Civil War historian Victoria Bynum turns now to her own history in this multigenerational American saga spanning from 1840 to 1979. Through meticulous historical research, personal letters, diaries, and the unpublished memoir of Mary Daniel Huckenpoehler, the author's maternal grandmother, Bynum examines five generations within the broader context of the nation's history, navigating pivotal events such as First Wave immigration, the Civil War, the Gilded Age, the Great Depression, two world wars, the Cold War, and beyond. *Child of a Mother* from Waconia, Minnesota, and father from Jones County, Mississippi, Bynum blends a historian's voice with personal experiences, intertwining her grandmother's unpublished memoir and letters with her own role as a diarist and historian. She explores class, race, ethnicity, and gender dynamics. From the rise of Welsh immigrant ancestors in the Upper Midwest and the Gilded Age privileges of her grandmother's upbringing to Bynum's own tumultuous childhood in the 1950s and early 1960s as she is shuttled between Georgia, Mississippi, Minnesota, Florida, and California, Bynum grapples with numerous dangers of being raised in a volatile environment marked by alcohol-fueled violence, sexual degradation, and neglect. Against the backdrop of racial segregation, civil rights movements, and the Cold War, *Deep Roots, Broken Branches* traces the author's coming-of-age journey and the profound influence of her grandmother. Revealed through the lens and tensions of an Air Force family, *Deep Roots, Broken Branches* explores Bynum's intellectual curiosity, voracious reading habits, and turbulent path through early motherhood, divorce, and higher education in California. Throughout her grandmother remains a stabilizing force, offering inspiration and guidance. This book paints a vivid portrait of a southern identity's growth amid personal challenges and broader societal shifts.

The Solidarity Economy Tehila Sasson, 2024-05-28. The untold story of the role of humanitarian NGOs in building the neoliberal order after empire. After India gained independence in 1947, Britain reinvented its role in the global economy through nongovernmental aid organizations. Utilizing existing imperial networks and colonial bureaucracy, the nonprofit sector sought an ethical capitalism, one that would equalize relationships between British consumers and Third World producers as the age of empire was ending. *The Solidarity Economy* examines the role of nonstate actors in the major transformations of the world economy in the postwar era, showing how British NGOs charted a path to neoliberalism in their pursuit of ethical markets. Between the 1950s and 1990s, nonprofits sought to establish an alternative to Keynesianism through their welfare and development programs. Encouraging the fair trade of commodities and goods through microfinance, consumer boycotts, and corporate social responsibility, these programs emphasized decentralization, privatization, and entrepreneurship. Tehila Sasson tells the stories of the activists, economists, politicians, and businessmen who reimagined the marketplace as a workshop for global reform. She reveals how their ideas, though commonly associated with conservative neoliberal policies, were part of a nonprofit-driven endeavor by the liberal left to envision markets as autonomous and humanizing spaces, facilitating ethical relationships beyond the impersonal realm of the state. Drawing on dozens of newly available repositories from nongovernmental, international, national, and business archives, *The Solidarity Economy*

reconstructs the political economy of these markets from handicrafts and sugar to tea and coffee shedding critical light on the postimperial origins of neoliberalism **Guidebook for Nutrition Counselors** Virginia Aronson, Barbara Danielson
Fitzgerald, Lynn Vincent Hewes, 1990

Eventually, you will unquestionably discover a further experience and achievement by spending more cash. nevertheless when? get you acknowledge that you require to get those every needs once having significantly cash?
