An Angler's Basket Thomas Evan Pritt,1896

Masquerade Liz Osborne,2007 Robyn Kelly the manager of the patient relations department at a suburban Seattle hospital is put to the test when a weather related accident inundates her hospital with patients While helping with triage she angers a powerful congressman Jake Hamilton who lodges a complaint that could end her career Hoping to placate the

congressman she goes to his room to talk but finds him dead even though the room has a police guard *I Stand Convicted*
R. L. Tirschel, 2005-04 The cop busted through the door and I dove out the window and into the cold night air It was 4am mid
December and all I was wearing was my underwear A thin swirl of snow circled the ground three floors below With his gun in
one hand the cop grabbed my leg as soon as I was out the window He held me in place and I stood perpendicular to the
outside wall of the building I tried to kick off the wall with the foot that was free but I kicked the cops hand instead and he
dropped his gun and loosened his grip on my leg I pulled free and flew away and as I floated in the air time played a cruel
trick on me It let me fall so slow that I had plenty of time to think how bad it was going to hurt when I landed I calmly
wondered if I would be alive once I hit the ground I was comforted by the thought that if I wasn't I would have made good my
escape The cops would certainly have me then but at least I would be free It felt good sailing through that black void
expecting what was to come Because in that period of time I was free I was as free as a bird in captivity
