The Literacy Leadership Guide for Elementary Principals Tynisha

D. Meidl,Jason Lau,Margaret-Mary Sulentic Dowell,2018-10-31 For the past decade in the United States elementary

principals have faced increased scrutiny Student performance regardless of student experiences district funding practices or societal factors have been the responsibility of the principal In a similar fashion teachers have been ridiculed and scorned As a result principals are left trying to create positive school culture evaluate teacher performance and guide and support professional development initiatives In the meantime teachers in many ways do not see themselves as professionals do not feel that they have autonomy in their classrooms and as a result may not have the same joy that they once had The goal of this guide is to assist principals and school leaders to cultivate a school culture where the principal is positioned as the literacy leader This guide will support principals to address define and create a literacy culture Most importantly provide insight to support principals in their quest to becoming primary individual responsible for bringing joy to teaching and learning as part of building school culture
