Reflecting His Image:

In His Image Michael J. Wilkins, 2020-04-06 A Disciple will be like his teacher Luke 6 40 What does it mean to be a follower of Jesus The ultimate goal of discipleship is to be like the Teacher to be like Jesus Himself Every Christian wants to understand what that means But even if we understand it is it possible Michael Wilkins asserts that it s not only possible it s a life that all Christians are called to not just a select few So why do we so seldom experience it As Wilkins points out even the first followers of Jesus had a hard time grasping what it meant to be His disciples Like them our difficulty often lies in not clearly understanding who Jesus is not recognizing the resources available to us as God s children or not believing who we are to be as Christ s followers But like the early disciples our lives can radically change If we want to follow Jesus we can become like Him Jesus takes us exactly as He finds us writes Wilkins and transforms us into His likeness So come learn what it means to walk with Jesus and reflect His image to the real world Reflecting Christ Ellen G. White, 2009-08 During her 70 year ministry the author spoke through her pen to young people to church members and to the world in the The Youth s Instructor the Review and Herald and The Signs of the Times Selections for this book have been drawn from these three periodicals as well as from her books and previously unpublished manuscripts and letters Foreword *Reverentially Turning to God from Idols Devotional* Gregory L. P. Yohannan, 1998 **George Peele** David Bevington, 2017-03-02 David Bevington s volume on George Peele looks at the literary achievement of that dramatist and author who was born in London some time around 1556 8 was educated at Oxford and returned to London to become a prolific writer until his death in 1596 He died at the age of forty in poverty and was never far from the threat of debtors prison throughout his adult life Peele like Greene and Marlowe was caricatured in his immediate afterlife as the embodiment of a popular and thriving literary culture in London of the late sixteenth century a world that was competitive and relentlessly unforgiving in its economic pressures but also colourful adventuresome and vital This volume collects together for the first time the best contemporary published work on Peele by a group of renowned scholars They discuss Peele s Lord Mayor s Pageants Court Entertainments occasional poems and his plays The Arraignment of Paris The Old Wives Tale The Battle of Alcazar Edward I David and Bathsheba and Titus Andronicus The essays are accompanied by David Bevington s substantial introduction which discusses Peele s life and works particularly in the context of the other five University Wits *Finding Freedom in Jesus* JP Foster, Matt Williams, 2025-11-04 Finding Freedom in Jesus explores 21 biblical terms that reveal our identity as believers in Christ empowering us to grow and be transformed by the truth These terms serve as guiding principles helping us overcome past

hurts habits and negative self perceptions so we can fully embrace our true identity in Christ We all carry wounds from the words and actions of others but it s crucial to remember how our Creator sees us Instead of dwelling on distorted images of pain we need to look into a God centered mirror that reflects His viewpoint Our identity is not defined by others opinions rather when we see ourselves through our Heavenly Father s eyes everything changes As we learn and reflect on these transformative terms our understanding of who we are in Christ deepens This experiential knowledge leads to a vibrant spiritual life a stronger reliance on the Lord and a greater confidence in serving others Let s embark on this journey of self discovery and embrace the abundant life God has for us

God's Glory Alone---The Majestic Heart of Christian Faith and Life David VanDrunen,2015-12-01 Renowned scholar David VanDrunen tracks the historical and biblical roots of the idea that all glory belongs exclusively to God God s Glory Alone is a beautiful reflection on how commitment to God s glory alone fortifies us to live godly lives in this present age Reinvigorating one of the five great declarations of the Reformation soli Deo gloria VanDrunen Examines the development of this theme in the Reformation in subsequent Reformed theology and confessions and in contemporary theologians who continue to be inspired by the conviction that all glory belongs to God Turns to the biblical story of God s glory beginning with the pillar of cloud and fire revealed to Israel continuing through the incarnation death and exaltation of the Lord Jesus Christ and culminating in Christ s Second Coming and the glorification of his people Addresses several of today s great cultural challenges and temptations that attempt to draw us away from a God centered instead of self centered way of life This book leads you into a renewed sense of awe and adoration for our Creator and Redeemer as it mines deeply into the biblical and theological truths about God s glory that stand at the center of the Christian faith THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish

Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches
