

## Reflections in Time

Above there is reflection  
Colorful and bright  
Dancing in the sunlight  
Shimmering at night

Just below the surface  
Another world awaits  
Holding onto mysteries  
Until some future date

Our view will let us marvel  
That these two coexist  
And think on our experiences  
And those we might have missed

The world is full of beauty  
And also some surprise  
Perhaps it is the future  
Reflecting in our eyes
